Rudolf Schnackenburg, 1997-01-01 In this enlightening book Rudolph Schnackenburg asks who is Jesus for us today By delving into the relationships Jesus had during his lifetime with biblical figures such as John Peter Mary Martha and Lazarus Schnackenburg discovers that Jesus must be seen as a friend a personal friend of everyone Schnackenburg writes that friendship must prove itself genuine during times of persecution and suffering Friendship with Jesus gives Christians the strength of the Holy Spirit to overcome the difficulties that can make their way into daily life By reviewing our relationship with Jesus as a deep and profound friendship Christians can recognize the compassion care communication and commitment that Jesus offers to us through our faith *What a Friend We Have in Jesus* LaTonya V. Leverette, 2023-02-09 This book is about the three most important things in my life which are my relationship with God family and friends These three are the perfect combination to a wholesome and rewarding life I truly believe God will gift you with the right people to make your life complete Nevertheless you will face some trials and tribulations along the way My life became more meaningful once I determined who my support group was God's discernment showed me so much Most importantly God was equipping me for my purpose and my calling into the Ministry even as a young child It all made sense why I dressed up in my mom's high heels and played church with my baby dolls in the living room while listening to gospel music God had a greater purpose for my life God was equipping me to be a Minister You will laugh a lot while reading this book Laughter and prayer are the solutions to many of our problems In life I have learned to pray and laugh a lot **What a friend we have in Jesus** Mark Jacobs, 2011-09-22 This is probably the first book ever written by a Guyanese about their own travels in the Caribbean and the diaspora and it is refreshing that Mark Jacobs seeks to put this Guyanese visitor's gaze on Haitian life So often people have come to Guyana and written about their time here that it is a relief to see this reversed gaze One day we might get best sellers who return to India and to United Kingdom and USA and write those nice kind of patronising travelogues The first story is black woman and child Mark writes about black woman in Haiti and in Guyana beating threatening to beat a child In madame about love Guyana style with Haitian overtones The other vignettes are short incisive reflections moments in time about the experiences in Haiti About police who beat people and police who give people a lift on the road about magic and about reality Some of the stories are funny but the laughter is a kind of alternative reaction to anger Vidyaratha Kissoon **Amazing Grace** Kenneth W. When God Breathes Wayne Kniffen, 2024-04-01 When God Breathes may sound like there may be times when God does not breathe On the contrary God is breath Without the breath of God there would be no life and if God stopped breathing out we would stop breathing in Not only does the breath of God impart life but His breath is also the only thing that can sustain life When God formed the physical body from the dust of the ground for humanity to live in it was lifeless And the Lord God formed man from the dust of the ground Genesis 2:7 NKJV The physical body was created vacant It was only a suit for the spirit and soul to live in The body in and of itself cannot know God love God or serve God It was formed with no life residing within But when God breathes things come alive Now humanity has the ability to know God love God and to serve God What made this possible Join the author as he explores how God imparted His divine nature into Adam and how the breath of God keeps us from coming apart

The Golden Rule Dr. Emmanuel Obi, 2019-06-25 Some relationships are what one would call parasitic relationships One of the parties is a parasite on the other just there to milk from the person They are toxic to the person like a tapeworm or other bodily worms that are prevalent in third world countries These worms attach their suckers to the intestine of the victim and there they suck all the nutrients in the food that is to be digested When these worms are inside the body of their victim they make the stomach look bloated yet the person looks skinny and malnourished They are of no use to the person rather they drain the person dry That is how these relationships are The person is malnourished spiritually physically emotionally mentally etc because they are in a relationship that is parasitic and is thereby toxic The person is fully affected because deep down they know that they are in an unhealthy relationship But because they are so deep into it for whatever reasons or because they do not know how to get out of it they stay in it until it affects them negatively in every way Next thing you know they become a facsimile of who they were created to be a fax copy of their original self Say no to toxic relationships You don't have to tolerate anything that will

diminish your value or denigrate you If somebody is coming your way and they are not coming right tell them to keep it moving and not to park it here It is necessary to have that mind set It s called self preservation Any relationship that does not confer respect and dignity on you is not worth your time and effort Folksinger's Wordbook Oak Publications,1973-01-01 A
