Friendly Young Ladies:

The Friendly Young Ladies Mary Renault, 1985 Helen and Leo live together two modern young women in thirties London as more than friends in a houseboat on the Thames When Leo's teenage sister Elsie comes to stay their cheerful Bohemian life is turned upside down The handsome young doctor Elsie adores proceeds to chase after all three women Leo's friendship with the man next door suddenly takes on erotic overtones Long quiet ghosts from her troubled past begin to stir And before long no one is sure just who feels what for whom A charming and provocative romantic comedy adapted from back cover

The Friendly Young Ladies Mary Renault, 2003 RePresenting Bisexualities Maria Pramaggiore, Donald E.

Hall, 1996-07-01 Is bisexuality coming out in America Bisexual characters are surfacing on popular television shows and in film Newsweek proclaims that a new sexual identity is emerging But amidst this burgeoning acknowledgment of bisexuality is there an understanding of what it means to be bisexual in a monosexual culture RePresenting Bisexualities seeks to answer these questions integrating a recognition of bisexual desire with new theories of gender and sexuality Despite the breakthroughs in gender studies and queer studies of recent years bisexuality has remained largely unexamined Problematic sexual images are usually attributed either to homosexual or heterosexual desire while bisexual readings remain unexplored The essays found in RePresenting Bisexualities discuss fluid sexualities through a variety of readings from the fence covering texts from Emily Dickinson to Nine Inch Nails Each author contributes to the collection a unique view of sexual fluidity and transgressive desire Taken together these essays provide the most comprehensive bisexual theory reader to date Living

on the Cusp - A Memoire David A. Marshall, 2013-11 Living on the Cusp is an autobiography regarding a colorful life filled with failures and missed opportunities but with final success I through my life enjoyed a multitude of various experiences starting by being raised on a large ranch and farming operation with influences from my dramatic parents and older achieving siblings providing a competitive effect while keeping me on a path towards achievements My perceptions of life have been shaped by being born into the Great Depression experiencing the events of World War II being drafted into the U S Army during the Korean War playing my saxophone professionally being involved in the colorful entertainment industry working as a professional photographer and my many business ventures for good or for bad After my many varied and colorful female relationships I found my loving mate Dorothy which added to building my success through our thirty eight years of challenges My life truly has been that of living on the narrow edge the cusp of life while facing the challenges trauma and positive events leading to success at the top of my own small but secure peak The Cinema Murder E. Gendering

Classicism Ruth Hoberman, 1997-01-01 Gendering Classicism explores the intersection of feminism historical fiction and modernism through the work of six writers all of whom wrote historical novels set in ancient Greece or Rome Naomi Mitchison Mary Butts Laura Riding Phyllis Bentley Bryher and Mary Renault As women gained access to higher education in

the late nineteenth century they gained access also to the classical learning that had for so long demarcated and legitimated the British ruling classes Steeped in misogyny the classical tradition presented educated women with a massive project the recasting of that tradition in terms that acknowledged the existence of women as historical agents and interpreters of the historical past

The Oxford Companion to Charles Dickens Paul Schlicke, 2011-11-03 This anniversary edition of the Oxford Companion to Charles Dickens celebrates 200 years since the birth of one of Britain's most popular authors Covering his life his works his reputation and his cultural context in over 500 A-Z articles this is the most reliable and accessible reference work on Dickens available

The Masks of Mary Renault Caroline Zilboorg, 2013-10-10 Born Eileen Mary Challans in London in 1905 Mary Renault wrote six successful contemporary novels before turning to the historical fiction about ancient Greece for which she is best known While Renault's novels are still highly regarded her life and work have never been completely examined Caroline Zilboorg seeks to remedy this in *The Masks of Mary Renault* by exploring Renault's identity as a gifted writer and a sexual woman in a society in which neither of these identities was clear or easy Although Renault's life was anything but ordinary this fact has often been obscured by her writing The daughter of a doctor she grew up comfortably and attended a boarding school in Bristol She received a degree in English from St Hugh's College in Oxford in 1928 but she chose not to pursue an academic career Instead she decided to attend the Radcliffe Infirmary in Oxford where she trained to be a nurse With the outbreak of the Second World War she was assigned to the Winford Emergency Hospital in Bristol and briefly worked with Dunkirk evacuees She went on to work in the Radcliffe Infirmary's brain surgery ward and was there until 1945 It was during her nurse's training that Renault met Julie Mullard who became her lifelong companion This important lesbian relationship both resolved and posed many problems for Renault not the least of which was how she was to write about issues at once intensely personal and socially challenging In 1939 Renault published her first novel under a pseudonym in order to mask her identity It was a time when she was struggling not only with her vocation nursing and writing but also with her sexual identity in the social and moral context of English life during the war In 1948 Renault left England with Mullard for South Africa and never returned It was in South Africa that she made the shift from her early contemporary novels of manners to the mature historical novels of Hellenic life The classical settings allowed Renault to mask material too explosive to deal with directly while simultaneously giving her an academic freedom to write about subjects vital to her among them war peace career women's roles female and male homosexuality and bisexuality Renault's reception complicates an understanding of her achievement for she has a special status within the academic community where she is both widely read and little written about Her interest in sexuality and specifically in homosexuality and bisexuality in fluid gender roles and identities warrants a rereading and reevaluation of her work Eloquently written and extensively researched *The Masks of Mary Renault* will be of special value to anyone interested in women's studies or English literature

Literature of the 1940s Gill Plain, 2013-09-10 This new study rereads the literary response to a

decade of trauma and transformation Instead of separating the 1940s into before and after the war it focuses on the entire decade and the themes which emerged from writers involvement in and resistance

In Sketches by Boz Charles Dickens exquisitely captures the vibrancy and complexities of 19th century London through a series of vivid character studies and observational pieces Written in a dynamic blend of realism and humor the sketches depict a diverse cast of every day individuals illuminating their lives and struggles within the social fabric of the city Dickens s keen eye for detail combined with his ability to infuse warmth into his portrayals allows readers to traverse the bustling streets and intimate corners of London making the mundane appear extraordinary The work situates itself in the broader context of social reform literature as it holds a mirror to contemporary society and urges readers to reflect on the human experience in its myriad forms Charles Dickens widely celebrated for his profound influence on Victorian literature was profoundly affected by the social injustices he observed during his youth Experiencing poverty and child labor firsthand as a boy Dickens found his voice in the very streets he describes in Sketches by Boz These formative experiences not only forged his empathetic approach to storytelling but also sparked his lifelong commitment to social reform making his sketches a heartfelt plea for change I highly recommend Sketches by Boz to readers interested in the origins of Dickens s literary genius and those who wish to gain an understanding of everyday life in Victorian England This collection filled with wit and pathos serves as an essential companion for anyone seeking to appreciate the intricate tapestry of human experiences that shaped one of literature s greatest figures
