Awaken Chris Van Dyk, 2009-12 Chris stood transfixed The moon had hidden behind a cloud for a moment so the light was very poor and he didn't have the presence of mind to reach for his flashlight At last the cloud moved on and in the moonlight Chris could clearly see what was coming toward him Between him and the road were four Cads The sleepy town of Hollowstone will never be the same again Chris and Daniel make a discovery one quiet night that will forever alter the pace of the once forgotten haven While out walking discussing their upcoming school graduation they are attacked and must flee for their safety Narrowly escaping the first attack the boys put their heads together to figure out all the questions they have in their heads What was that Where did it come from Are there more As the terrifying truth unfolds it is clear that the town has been firmly planted on a bed of secrets and lies The authorities are of no help in defeating the supernatural creatures so the boys and their friends must rely on training in martial arts super sleuthing skills and courage to face the fear of the unknown Will the boys be able to save the town of Hollowstone before the Cads feed on everyone Will the truth come out in time for the town to Awaken
