From A Fathers Heart To A Son:

From a Father's Heart to a Son David Shibley, 1995-10 Author Shibley shares advice from his own father himself and many other men as they see their sons embark on life's journey **The Father's Heart** Bobby Howard, 2013-11-20 We have a problem Jesus said that where His Spirit is there is liberty yet too many believers today are not free We have embraced Christian belief but our faith is not working right The boldness joy and liberty of Christ do not yet mark us Instead we allow sin and its consequences to define our Christian faith and identity We strive to reach impossible standards of religious and moral performance which lead us through endless cycles of religious success and failure We are another Israel in bondage in need of deliverance We need another exodus In **The Father's Heart Another Exodus** you will encounter God's perfect love for you as you explore the Father's heart be empowered as you embrace your God breathed identity and purpose in Christ experience freedom from religion and moral performance as you shed shame and condemnation In **The Father's Heart Another Exodus** revisit the cross and allow its good news message of grace to shine as brightly for you today as it did the day Christ was nailed to it Leave behind the religious baggage you have carried and reclaim the faith that brings life as you embrace the heart of the Father Every generation has taken some issue with its predecessors and rightly so However few critics identify the real fundamental issues and even fewer give substantial solutions Bobby Howard has not only put his finger on the right issues of our religiosity but also gracefully pointed us in the right direction toward our liberty and acceptance in Christ This kid has done us all a big favor by writing this book Read it Alan Platt Founder and Leader of Doxa Deo Ministries **Return to the Father's Heart** Robert B. From a Father's Heart to His Children Mark K. Mullaney,2014-12-01 We live in a society where fathers are clearly absent in the lives of their children Mother's have to raise children without the direct influence of a father Children may never understand the true value of a father and many adults may have grown up never knowing a father I offer my personal experiences challenges and love to those raising children to those who never had a father to those who have no known father and those who would like to know a father I offer my own experiences in an effort to heal and mend hearts all over the world A father offers so much to his children He brings identity strength and protection to every child A true father desires that his children go further than he ever could I put this into every word A child is a gift A mother is affectionate and affirming A father provides foundation and direction Children need to know that they are loved *A Father-Saving Son* Tony R.

The Nature of The Atonement J. McLeod Campbell, 1999-12-16 A theology of the atonement should move one to worship and prayer J McLeod Campbell does exactly that Much in harmony with the renewed interest in the Trinity McLeod Campbell reawakens the doctrine of the atonement the sleeping giant of Christian doctrine with its rich implications for spirituality and ministry The church today needs a new biblical paradigm of the atonement as the development of the incarnation of God and therefore as the manifestation of God as love Writing out of a theological and pastoral concern for his congregation McLeod Campbell wonderfully weaves together theology and practice doctrine and spirituality in a way second to none The doctrine of the atonement lives again in this warmly devotional and theologically rich work Christian D Kettler Friends University
