From Anzio To The Alps An American Soldiers Story:

From Anzio to the Alps Lloyd M. Wells, 2004-07-09 This compelling work is Lloyd M Wells s firsthand account of World War II based on a journal he kept during the war letters he sent home and personal records as well as recollections of people and events In June 1941 the twenty one year old Wells was drafted into the army He was commissioned second lieutenant after he attended O C S and was later promoted to first lieutenant with the First Armored Division He saw action in North Africa Italy and Germany and was awarded the Combat Infantry Badge the Purple Heart and the Bronze Star Wells offers the reader information that has never before been provided He tells exactly what happened to 2 7 Queens on the night of February 21 1944 when the troops came up to the caves at Anzio He also depicts what happened during the last offensive in Italy and what armored infantry troops experienced on the perimeter of the attack This book however is not just a story of battle actions It is a personal story about the old Army and how young soldiers were transformed by it during one of the greatest upheavals in world history Wells s goal in writing this book was to leave behind an account of a simpler time and of the funny sad terrorizing and tender moments of a war which with the death of each man or woman who lived through it recedes just a little bit further into the nation s past He accomplished that and so much more Anzio Lloyd

Clark, 2007-12-01 A harrowing and incisive high quality battle history from one of the world s finest military historians Booklist The Allied attack of Normandy beach and its resultant bloodbath have been immortalized in film and literature but the US campaign on the beaches of Western Italy reigns as perhaps the deadliest battle of World War II s western theater In January 1944 about six months before D Day an Allied force of thirty six thousand soldiers launched one of the first attacks on continental Europe at Anzio a small coastal city thirty miles south of Rome The assault was conceived as the first step toward an eventual siege of the Italian capital But the advance stalled and Anzio beach became a death trap After five months of brutal fighting and monumental casualties on both sides the Allies finally cracked the German line and marched into Rome on June 5 the day before D Day Richly detailed and fueled by extensive archival research of newspapers letters and diaries as well as scores of original interviews with surviving soldiers on both sides of the trenches Anzio is a relentlessly fascinating story with plenty of asides about individuals experiences Publishers Weekly Masterly A heartbreaking beautifully told story of wasted sacrifice The Washington Post **The Journal of Military History** ,2004 **Parameters** ,2004

The Sonarman's War H.G. Jones, 2014-01-10 This memoir is an intimate and sometimes irreverent account of one man s coming of age during World War II Born a North Carolina farmboy Jones served as a U S Navy sonarman aboard a wooden submarine chaser operating from Africa and Sicily during the Allied invasions at Anzio and Southern France He also served as sonarman and yeoman on two fleet mine sweepers in the Okinawa Formosa and China operations This memoir is drawn not only from memory but from the author s surviving diaries from the conflicts daily logs of the three ships upon which he served and the secret reports of military commanders and other official records Forthcoming Books Rose Army, 2004

United States Army in WWII - the Mediterranean - Cassino to the Alps Ernest F. Fisher Jr.,2014-08-15 Includes 16 maps and 94 illustrations Wars should be fought an American corps commander noted in his diary during the campaign in Italy in better country than this It was indeed an incredibly difficult place to fight a war The Italian peninsula is only some 150 miles wide much of it dominated by some of the world s most precipitous mountains Nor was the weather much help It seemed to those involved that it was always either unendurably hot or bone chilling cold Yet American troops fought with remarkable courage and tenacity and in company with a veritable melange of Allied troop Despite the forbidding terrain Allied commanders several times turned it to their advantage achieving penetrations or breakthroughs over some of the most rugged mountains in the peninsula To bypass mountainous terrain the Allies at times resorted to amphibious landings notably at Anzio The campaign involved one ponderous attack after another against fortified positions the Winter Line the Gustav Line the Gothic Line It was also a campaign replete with controversy Most troublesome of the questions that caused controversy were Did the American commander Mark Clark err in focusing on the capture of Rome rather than conforming with the wishes of his British superior to try to trap retreating German forces Did Allied commanders conduct the pursuit north of Rome with sufficient vigor Indeed should the campaign have been pursued all the way to the Alps when the Allies might have halted at some readily defensible line and awaited the outcome of the decisive campaign in northwestern Europe Just as the campaign began on a note of covert politico military maneuvering to achieve surrender of Italian forces so it ended with intrigue and secret negotiations for a separate surrender of the Germans in Italy

Cassino to the Alps Ernest F. Fisher,1993 *The Day of Battle* Rick Atkinson,2008-09-16 In the second volume of his epic trilogy about the liberation of Europe in World War II Pulitzer Prize winning author Atkinson tells the harrowing story of the campaigns in Sicily and Italy

Desperate Valour Flint Whitlock,2018-10-30 A riveting and comprehensive account of the Battle of Anzio and the Alamo like stand of American and British troops that turned certain defeat into victory The four month long 1944 battle on Italy s coast south of Rome was one of World War II s longest and bloodiest battles Surrounded by Nazi Germany s most fanatical troops American and British amphibious forces endured relentless mortar and artillery barrages aerial bombardments and human wave attacks by infantry with panzers Through it all despite tremendous casualties the Yanks and Tommies stood side by side fighting with as Winston Churchill said desperate valour So intense and heroic was the fighting that British soldiers were awarded two Victoria Crosses while American soldiers received twenty six Medals of Honor ten of them awarded posthumously The unprecedented defensive stand ended with the Allies breaking out of their besieged beachhead and finally reaching their goal Rome They had truly snatched victory from the jaws of defeat Award winning author and military historian Flint Whitlock uses official records memoirs diaries letters and interviews with participants to capture the desperate nature of the fighting and create a comprehensive account of the unrelenting slugfest at Anzio Desperate Valour is a stirring chronicle of courage beyond measure

Rising Sons Bill Yenne,2007-07-10 Sample Text **The Last Ridge**

Mckay Jenkins,2007-12-18 When World War II broke out in Europe the American army had no specialized division of mountain soldiers But in the winter of 1939 40 after a tiny band of Finnish mountain troops brought the invading Soviet army to its knees an amateur skier named Charles Minot Minnie Dole convinced the United States Army to let him recruit an extraordinary assortment of European expatriates wealthy ski bums mountaineers and thrill seekers and form them into a unique band of Alpine soldiers These men endured nearly three years of grueling training in the Colorado Rockies and in the process set new standards for both soldiering and mountaineering The newly forged 10th Mountain Division finally faced combat in the winter of 1945 in Italy s Apennine Mountains against the seemingly unbreakable German fortifications north of the Gothic Line There they planned and executed what is still regarded as the most daring series of nighttime mountain attacks in U S military history taking Mount Belvedere and the sheer treacherous face of Riva Ridge to smash the linchpin of the German army s lines Drawing on unique cooperation from veterans of the 10th Mountain Division and a vast archive of unpublished letters and documents *The Last Ridge* is written with enormous warmth energy and honesty This is one of the most captivating stories of World War II a blend of *Band of Brothers* and *Into Thin Air* It is a story of young men asked to do the impossible and succeeding *The Story of the 180th Infantry Regiment* George A. Fisher (Major.),1947 *Old Glory Stories* Cole Kingseed,2013-11-15 Saying that no generation of Americans has produced a finer array of combat commanders than that of World War II a thirty year army veteran examines combat leadership throughout the war at every level of command in the U S Army The author argues that although Army chief of staff George C Marshall s organization and training policies were indispensable the ultimate victory was the result of spirited leadership and the undaunted courage of those who served from individual riflemen to the upper echelons of army command Rather than a history of battles and campaigns this book is an analysis of leadership in combat over three continents and across two oceans It looks at how soldiers react in war how sergeants lieutenants captains and generals direct soldiers in the most intense of all human dramas The first part focuses on the generals and takes a thematic approach examining such topics as restoring the fighting spirit and analyzing the unique characteristics required to command special units in combat The second part examines a special breed of junior leaders who fought the German and Japanese armies on the front lines and whose contributions merit attention Like war correspondent Ernie Pyle Kingseed includes both the big and the little to offer a balanced view of what makes a good combat leader **Against All Odds** Alex Kershaw,2023-04-25 The instant New York Times bestseller The untold story of four of the most decorated soldiers of World War II all Medal of Honor recipients from the beaches of French Morocco to Hitler s own mountaintop fortress by the national bestselling author of *The First Wave* Pitch perfect The Wall Street Journal Riveting World War II magazine Alex Kershaw is the master of putting the reader in the heat of the action Martin Dugard As the Allies raced to defeat Hitler four men all in the same unit earned medal after medal for battlefield heroism Maurice Footsie Britt a former professional football player became the very first American to receive every award for valor in a single war Michael

Daly was a West Point dropout who risked his neck over and over to keep his men alive Keith Ware would one day become the first and only draftee in history to attain the rank of general before serving in Vietnam In WWII Ware owed his life to the finest soldier he ever commanded a baby faced Texan named Audie Murphy In the campaign to liberate Europe each would gain the ultimate accolade the Congressional Medal of Honor Tapping into personal interviews and a wealth of primary source material Alex Kershaw has delivered his most gripping account yet of American courage spanning more than six hundred days of increasingly merciless combat from the deserts of North Africa to the dark heart of Nazi Germany Once the guns fell silent these four exceptional warriors would discover just how heavy the Medal of Honor could be and how great the expectations associated with it Having survived against all odds who among them would finally find peace **Publications**

of the U.S. Army Center of Military History Center of Military History,2003 **American Book Publishing Record** ,2003 **Army History** ,2014 American Courage, American Carnage: 7th Infantry Chronicles John C.

McManus,2009-06-09 Only one U S Army regiment the 7th Infantry has served in every war from 1812 through the present day In The 7th Infantry Regiment Combat in an Age of Terror heralded military historian John C McManus told the dramatic story of the 7th Infantry Regiment s modern combat experiences from Korea through Iraq Now in this compelling prequel McManus relates the rest of the 7th s amazing and previously untold story from the Battle of New Orleans through the end of World War II No American unit has earned more battle streamers and few can boast more Medal of Honor winners In the months leading up to the War of 1812 Congress authorized the creation of this regiment It fought with distinction at the Battle of New Orleans anchoring General Andrew Jackson s main defensive line forever earning the nickname Cottonbalers because the soldiers of the 7th were said to have battled the British from behind large rows of cotton bales From now on whenever Americans went to war the Cottonbalers would always find themselves in the center of the action where the danger was greatest Between these covers is the whole story told through the eyes of the soldiers the realities of combat expressed in raw human terms From the marshy grounds of the Chalmette plantation in New Orleans to the daunting heights of Chapultepec in Mexico City from the bloody horror of the long stone wall at Fredericksburg to the deadly crossfire of the Wheatfield at Gettysburg from the shocking gore of Custer s massacre at Little Bighorn to the desperation of dusty frontier battles from the foggy hills of Santiago in Cuba to the muddy pockmarked no man s land of Belleau Wood in France from the invasion of North Africa to Sicily Anzio southern France the Vosges Mountains the breaching of the Rhine and the 7th s triumphant capture of Hitler s mountain home at Berchtesgaden in May 1945 this remarkable book chronicles multiple generations of Cottonbalers who have fought and bled for their country American Courage American Carnage is an inside look at the drama tragedy fatigue and pathos of war from America s early nineteenth century struggles as a fledgling republic to its emergence as a superpower in the twentieth Based on nearly a decade of archival research battlefield visits interviews and intensive study and illustrated with copious maps and photographs this book is a moving authoritative tale of

Americans in combat At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied The Liberation Trilogy Box Set Rick Atkinson,2013-10-22 The definitive chronicle of the Allied triumph in Europe during World War II Rick Atkinson s Liberation Trilogy is now together in one ebook bundle From the War in North Africa to the Invasion of Normandy the Liberation Trilogy recounts the hard fought battles that led to Allied victory in World War II Pulitzer Prize winning and New York Times bestselling author Rick Atkinson brings great drama and exquisite detail to the retelling of these battles and gives life to a cast of characters from the Allied leaders to rifleman in combat His accomplishment is monumental the Liberation Trilogy is the most vividly told brilliantly researched World War II narrative to date WINNER OF THE PULITZER PRIZE AND NEW YORK TIMES BESTSELLER
