Rediscovering the Church Fathers Michael A. G. Haykin, 2011-03-02 While the church today looks quite different than it did two thousand years ago Christians share the same faith with the church fathers Although separated by time and culture we have much to learn from their lives and teaching This book is an organized and convenient introduction to how to read the church fathers from AD 100 to 500 Michael Haykin surveys the lives and teachings of seven of the Fathers looking at their role in such issues as baptism martyrdom and the relationship between church and state Ignatius Cyprian Basil of Caesarea and Ambrose and others were

foundational in the growth and purity of early Christianity and their impact continues to shape the church today Evangelical readers interested in the historical roots of Christianity will find this to be a helpful introductory volume **Oxford**

Dictionary of National Biography 2005-2008 Lawrence Goldman, 2013-03-07 Who made modern Britain This book drawn from the award winning Oxford Dictionary of National Biography tells the story of our recent past through the lives of those who shaped national life Following on from the Oxford DNB's first supplement volume noteworthy people who died between 2001 and 2004 this new volume offers biographies of more than 850 men and women who left their mark on twentieth and twenty first century Britain and who died in the years 2005 to 2008 Here are the people responsible for major developments in national life from politics the arts business technology and law to military service sport education science and medicine Many are closely connected to specific periods in Britain's recent history From the 1950s the young Harold Pinter or the Yorkshire cricketer Fred Trueman for example From the Sixties the footballer George Best photographer Patrick Lichfield and the Pink Floyd musician Syd Barrett It's hard to look back to the 1970s without thinking of Edward Heath and James Callaghan who led the country for seven years in that turbulent decade or similarly Freddie Laker pioneer of budget air travel and the comedians Ronnie Barker and Dave Allen who entertained with their sketch shows and sit coms A decade later you probably browsed in Anita Roddick's Body Shop or danced to the music of Factory Records established by the Manchester entrepreneur Tony Wilson In the 1990s you may have hoped that Things can only get better with a New Labour government which included Robin Cook and Mo Mowlam Many in this volume are remembered for lives dedicated to a profession or cause Bill Deedes or Conor Cruise O'Brien in journalism Ned Sherrin in broadcasting or indeed Ted Heath whose political career spanned more than 50 years Others were responsible for discoveries or innovations of lasting legacy and benefit among them the epidemiologist Richard Doll who made the link between smoking and lung cancer Cicely Saunders creator of the hospice movement and Chad Varah founder of the Samaritans With John Profumo who gave his name to a scandal policeman Malcolm Fewtrell who investigated the Great Train Robbery or the Russian dissident Aleksandr Litvinenko who was killed in London in 2006 we have individuals best known for specific moments in our recent past Others are synonymous with popular objects and experiences evocative of recent decades Mastermind with Magnus Magnusson the PG Tips chimpanzees trained by Molly Badham John DeLorean's gull wing car or the new British Library designed by Colin St John Wilson though as rounded and balanced accounts Oxford DNB biographies also set these events in the wider context of a person's life story Authoritative and accessible the biographies in this volume are written by specialist authors many of them leading figures in their field Here you will find Michael Billington on Harold Pinter Michael Crick on George Best Richard Davenport Hines on Anita Roddick Brenda Hale on Rose Heilbron Roy Hattersley on James Callaghan Simon Heffer on John Profumo Douglas Hurd on Edward Heath Alex Jennings on Paul Scofield Hermione Lee on Pat Kavanagh Geoffrey Wheatcroft on Conor Cruise O'Brien and Peregrine Worsthorne on Bill Deedes Many in this volume are naturally household

names But a good number are also remembered for lives away from the headlines What in the 1980s became Thatcherism owed much to behind the scenes advice from Ralph Harris and Alfred Sherman children who learned to read with Ladybird Books must thank their creator Douglas Keen while without its first producer Verity Lambert there would have been no Doctor Who Others are ordinary people capable of remarkable acts Take for instance Arthur Bywater who over two days in 1944 cleared thousands of bombs from a Liverpool munitions factory following an explosion only to do the same months later in an another factory Awarded the George Cross and the George Medal Bywater remains the only non combatant to have received Britain s two highest awards for civilian bravery

Religion, Identity and Conflict in Britain: From the Restoration to the Twentieth Century Frances Knight,2016-04-08 The British state between the mid seventeenth century to the early twentieth century was essentially a Christian state Christianity permeated society defining the rites of passage baptism first communion marriage and burial that shaped individual lives providing a sense of continuity between past present and future generations and informing social institutions and voluntary associations Yet this religious conception of state and society was also the source of conflict The Restoration of the monarchy in 1660 brought limited toleration for Protestant Dissenters who felt unable to worship in the established Church and there were challenges to faith raised by biblical and historical scholarship science moral questioning and social dislocations and unrest This book brings together a distinguished team of authors who explore the interactions of religion politics and culture that shaped and defined modern Britain They consider expressions of civic consciousness in the expanding towns and cities the growth of Welsh national identity movements for popular education and temperance reform and the influence of organised sport popular journalism and historical writing in defining national life Most importantly the contributors highlight the vital role of religious faith and religious institutions in the understanding of the modern British state

Fake Prophecy and Polluted Sacraments William Tabbernee,2007 Fake Prophecy and Polluted Sacraments is an insightful case study of the opposition to Montanism an early Christian prophetic movement by Church and State both before and after catholic Christianity became the official religion of the Roman Empire

Incidental Archaeologists Bonnie Effros,2018-08-15 In Incidental Archaeologists Bonnie Effros examines the archaeological contributions of nineteenth century French military officers who raised on classical accounts of warfare and often trained as cartographers developed an interest in the Roman remains they encountered when commissioned in the colony of Algeria By linking the study of the Roman past to French triumphant narratives of the conquest and occupation of the Maghreb Effros demonstrates how Roman archaeology in the forty years following the conquest of the Ottoman Regencies of Algiers and Constantine in the 1830s helped lay the

groundwork for the creation of a new identity for French military and civilian settlers Effros uses France's violent colonial war its efforts to document the ancient Roman past and its brutal treatment of the region's Arab and Berber inhabitants to underline the close entanglement of knowledge production with European imperialism Significantly Incidental Archaeologists shows how the French experience in Algeria contributed to the professionalization of archaeology in metropolitan France Effros demonstrates how the archaeological expeditions undertaken by the French in Algeria and the documentation they collected of ancient Roman military accomplishments reflected French confidence that they would learn from Rome's technological accomplishments and succeed where the Romans had failed in mastering the region Open Access edition funded by the National Endowment for the Humanities [Eucharist and Ecumenism](#) Owen F. Cummings,2013-07-08 Most Christians worship on a regular basis on the Lord's Day They have done so from the beginning and their worship has centered on the Eucharist following Jesus's words Do this in remembrance of me Over the two millennia of the Christian tradition there have been shifts of emphasis and understanding about the Eucharist This book attempts to point out by providing accessible accounts of both liturgies and liturgists across the centuries and traditions just how much different Christians have in common and how they can benefit from attending to one another's worship The author's ultimate hope is that in its small way the book will contribute to Christians worshipping together **History of Dogma** Adolf von Harnack,1902 [Cities of God](#) David Gange,Michael Ledger-Lomas,2013-10-17 This book shows how in unearthing biblical cities archaeology transformed nineteenth century thinking on the truth of Christianity and its role in modern cities **Pro Ecclesia Vol 15-N1** Pro Ecclesia,2006-01-19 Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology It seeks to give contemporary expression to the one apostolic faith and its classic traditions working for and manifesting the church's unity by research theological construction and free exchange of opinion Members of its advisory council represent communities committed to the authority of Holy Scripture ecumenical dogmatic teaching and the structural continuity of the church and are themselves dedicated to maintaining and invigorating these commitments The journal publishes biblical liturgical historical and doctrinal articles that promote or illumine its purposes Ways to subscribe Call toll free 800 273 2223 Email journals rowman com For back issues please contact journals rowman com Editorial inquiries Joseph Mangina joseph mangina utoronto ca Submissions should be sent by email attachment in Microsoft Word double spaced with identifying marks removed for the purposes of blind peer review Book review inquiries Chad Pecknold pecknold cua edu Advertising inquiries Charles Roth Jr charlie spireads com Subscription inquiries journals rowman com ISSN 1063 8512 **The Journal of Ecclesiastical History** Clifford William Dugmore,2004 **The Oxford History of Modern German Theology, Volume 1: 1781-1848** Grant Kaplan,Kevin M. Vander Schel,2023-05-20 From the closing decades of the eighteenth century German theology has been a major intellectual force within modern western thought closely connected to important developments in idealism romanticism historicism phenomenology and hermeneutics

Despite its influential legacy however no recent attempts have sought to offer an overview of its history and development Oxford History of Modern German Theology Vol I 1781 1848 the first of a three volume series provides the most comprehensive multi authored overview of German theology from the period from 1781 1848 Kaplan and Vander Schel cover categories frequently omitted from earlier overviews of the time period such as the place of Judaism in modern German society race and religion and the impact of social history in shaping theological debate Rather than focusing on individual figures alone Oxford History of Modern German Theology Vol I 1781 1848 describes the narrative arc of the period by focusing on broader intellectual and cultural movements ongoing debates and significant events It furthermore provides a historical introduction to each of the chronological subsections that divides the book Moreover unlike previous efforts to introduce this time period and geographical region the volume offers chapters covering such previously neglected topics as religious orders the influence of Romantic art secularism religious freedom and important but overlooked scholarly initiatives such as the Corpus Reformatorum Attention to such matters will make this volume an invaluable repository of scholarship and knowledge and an indispensable reference resource for decades to come Purification of Memory Ambrose

Mong, 2015-06-25 Although its various bodies boast a combined total of at least 300 million members the Eastern Orthodox Church is widely perceived among members of other denominations to be an exotic branch of the faith often shrouded in mysticism and misunderstanding that has been exacerbated by the longstanding Eastern Western split In Purification of Memory Ambrose Mong casts light on the true nature of Orthodox theology illuminating the thinking of eight distinguished modern Orthodox theologians who have made important contributions on topics as ecclesiology ecumenism Christology and Mariology Approaching the work of John Meyendorff Nicholas Afanasiev John Zizioulas Georges Florovsky Sergius Bulgakov Vladimir Lossky Nicolas Berdyaev and Jaroslav Pelikan from an ecumenical standpoint Mong deftly draws comparisons with the theology of their Roman Catholic counterparts to reveal points on which the two traditions have much more in common than either side will always admit The author interweaves these comparisons with a fascinating exposition of the history of the schism between the Eastern and Western Churches to demonstrate decisively that in spite of the bitter mistrust dividing them they share a common heritage which could and should serve as a basis for reunification Before old wounds can mend however a healing process of forgetting characterized by Pope John Paul II as a purification of memory must take place to clear the path towards a long awaited return to unity **The Smalcald Articles** Martin Luther, 2019-12-02 In The Smalcald Articles Martin Luther articulates critical theological positions that emerged during the Protestant Reformation focusing on central Christian doctrines such as justification by faith the sacraments and the nature of the church Written in a clear and accessible style the text not only serves as a doctrinal statement for the Lutheran movement but also engages in a theological dialogue with both Roman Catholicism and emerging reformist thought Contextually situated amid the tumult of 16th century Europe the Articles were intended as a defense of Lutheran beliefs against both internal and external challenges showcasing

a deft balance between rigorous theology and pastoral concern Martin Luther a seminal figure of the Reformation reshaped the landscape of Western Christianity with his emphatic critique of the Catholic Church His personal struggles with faith and his journey towards theological clarity were pivotal in motivating the creation of The Smalcald Articles Composed during a time of intense theological conflict Luther s work reflects a deep understanding of scripture and a fervent desire for clarity in church doctrine derived from both his academic background and pastoral experiences The Smalcald Articles is essential reading for anyone interested in Christian theology church history or the dynamics of religious reform Luther s incisive arguments not only resonate with contemporary issues of faith and practice but also invite readers to engage with the enduring questions at the heart of Christian belief This work establishes a foundational understanding of Lutheran doctrine making it indispensable for scholars theologians and laypersons alike In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing An Author Biography reveals milestones in the author s life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

Protestant Thought in the Nineteenth Century, Volume 2 Claude Welch,2003-12-12 A comprehensive account of the principal Protestant theological concerns and writers from 1870 to World War I Welch discusses both major and minor thinkers placing them within such overarching themes as the nature of faith and the relationship of church and society

We Are Who We Think We Were Aaron D. Conley,2013-08-01 Conley calls into question the outdated historical methodologies in use in Christian social ethics and outlines the consequences stemming from them By adopting the postmodern post structuralist position of historian Elizabeth Clark Conley calls ethicists to learn to read for the gaps silences and aporias existent in historical texts as well as in the histories represented by them The book calls ethicists to a critical self reflexive historiography This self criticism allows the ability to construct new histories and formulate new ethical norms for the world in which we now live

The Great AMEN of the Great I-AM John E. McKenna,2008-06-20 The author would take his readers on a ride from the Self Revelation of the I AM that the Lord God is with Moses through King David to the I AM of the Messiah of Israel and of the Incarnation and to the I AM of the Dogma of the Church as the People of God It is argued that the Grace and Truth of the Lord God cannot rightly be grasped in all of their depth in the world without becoming able to integrate both the continuity and the discontinuities of this Revelation with us even in our own times
