Arthur Kurzweil

From Generation To Generation How To Trace Your Jewish Genealogy And Family History:

From Generation to Generation Arthur Kurzweil, 1996 For modern Jewish parents a richly anecdotal and reassuring guide for helping children understand God

From Generation to Generation Arthur Kurzweil, 1982 Does the scientific theory that HIV came to North America from Haiti stem from underlying attitudes of racism and ethnocentrism in the United States rather than from hard evidence Anthropologist physician Paul Farmer answers in the affirmative with this the first full length ethnographic study of AIDS in a poor society

Tracing Your Family History on the Internet Chris Paton, 2011-06-13 A genealogist's practical guide to researching family history online while avoiding inaccurate incomplete or misleading information The internet has revolutionized family history research every day new records and resources are placed online and new methods of sharing research and communicating become available Never before has it been so easy to research family history and to gain a better understanding of who we are and where we came from But as British genealogist Chris Paton demonstrates in this straightforward practical guide while the internet is an enormous asset it is also something to be wary of Researchers need to take a cautious approach to the information they acquire on the web Where did the original material come from Has it been accurately reproduced Why was it put online What has been left out and what is still to come As he leads researchers through the multitude of resources that are now accessible online with an emphasis on UK and Ireland sites Chris Paton helps to answer these questions He shows what the internet can and cannot do and he warns against the various traps researchers can fall into along the way
