*EBOOK: Hard Labour: The Sociology of Parenthood* Caroline Gatrell, 2004-12-16 This innovative book examines changes in family practices and paid work in the 21st century

Focusing on highly qualified mothers who combine childcare with employment it makes a valuable contribution to current debates It also takes into account the views of fathers making it a rounded study of family practice in the new millennium Hard Labour puts forward some new and thought provoking arguments about both mothers and fathers commitments to parenting and paid work The first part of the book provides an up to date comprehensive and readable overview of the literature on motherhood fatherhood family practices and women in employment The second part draws on a qualitative study of the lives of twenty mothers and their husbands or partners each of whom is educated to degree level or above and has at least one child under five This study considers key aspects of the family lives of the men and women interviewed including How they manage their commitments to one another their children and their professional work Sharing out family tasks such as childcare and housework At each stage the empirical research is placed in the context of the literature referenced in the first part and of the wider debate on career and motherhood Hard Labour is essential reading for students and academics in sociology family policy family studies women s or gender studies and the sociology of management employment

*Narratives of Mothering* Gill Rye,2009 Mothers have been both idealized and demonized in Western cultures With Simone de Beauvoir s feminist analysis of motherhood in *The Second Sex* as her point of departure Rye Germanic and Romance studies U of London studies how French autobiographical and fictional narratives of mothering since 1990 differ from those told about them In the context of societal changes she explores themes including loss and trauma related to childbirth literally and figuratively ambivalence and guilt power and powerlessness and lesbian and single parenting in the works of Christine Angot Genevieve Brisac Marie Darrieussecq Camille Laurens Leila Marouane and Marie Ndiaye among others

**Becoming a mother** Carla Pascoe Leahy,2023-04-04 Becoming a mother charts the diverse and complex history of Australian mothering for the first time exposing the ways it has been both connected to and distinct from parallel developments in other industrialised societies In many respects the historical context in which Australian women come to motherhood has changed dramatically since 1945 And yet examination of the memories of multiple maternal generations reveals surprising continuities in the emotions and experiences of first time motherhood Drawing upon interdisciplinary insights from anthropology history psychology and sociology Carla Pascoe Leahy unpacks this multifaceted rite of passage through more than 60 oral history interviews demonstrating how maternal memories continue to influence motherhood today Despite radical shifts in understandings of gender care and subjectivity becoming a mother remains one of the most personally and culturally significant moments in a woman s life

**The Rise and Fall of National Women's Hospital** Linda Bryder,2014-04-01 In this major history Linda Bryder traces the annals of National Women s Hospital over half a century in order to tell a wider story of reproductive health She uses the varying perspectives of doctors nurses midwives consumer groups and patients to show how together their dialog shaped the nature of motherhood and women s health in 20th century New Zealand Natural childbirth and rooming in artificial insemination and in vitro fertilization sterilization and

abortion women's health and reproduction went through a revolution in the 20th century as scientific advances confronted ethical and political dilemmas In New Zealand the major site for this revolution was National Women's Hospital Established in Auckland in 1946 with a purpose built building that opened in 1964 National Women's was the home of medical breakthroughs scandals This chronicle covers them all

**Mother Is a Verb** Sarah Knott, 2019-04-02 Welcome to a work of history unlike any other Mothering is as old as human existence But how has this most essential experience changed over time and cultures What is the history of maternity the history of pregnancy birth the encounter with an infant Can one capture the historical trail of mothers How In *Mother Is a Verb* the historian Sarah Knott creates a genre all her own in order to craft a new kind of historical interpretation Blending memoir and history and building from anecdote her book brings the past and the present viscerally alive It is at once intimate and expansive lyrical and precise As a history *Mother Is a Verb* draws on the terrain of Britain and North America from the seventeenth century to the close of the twentieth Knott searches among a range of past societies from those of Cree and Ojibwe women to tenant farmers in Appalachia from enslaved people on South Carolina rice plantations to tenement dwellers in New York City and London's East End She pores over diaries letters court records medical manuals items of clothing And she explores and documents her own experiences As a memoir *Mother Is a Verb* becomes a method of asking new questions and probing lost pasts in order to historicize the smallest even the most mundane of human experiences Is there a history to interruption to the sound of an infant's cry to sleeplessness Knott finds answers not through the telling of grand narratives but through the painstaking accumulation of a trellis of anecdotes And all the while we can feel the child on her hip

*Love-Lines* Sheri Langer, 2019-02-26 What if you could find the love of your life just by reading between the lines Single mom Fordham Price is juggling her job at a small publisher her precocious ten year old daughter and her feisty mother She wants to find time for men but after a series of dating disasters her relationship status is still stuck at single As if her macchiato lite wasn't already overflowing a co worker gets pregnant and Fordham is expected to step in and deliver the company's latest reality read from the *Flowers from the Heart* series She must now supplement her own romantic misadventures with tales of cynical cat ladies identical twin husbands spunky monks and countless other web crawlers As she wades through the submissions she finds one from a widower whose story gives her tingles in all the places she forgot existed His words draw her in until she finds herself daydreaming about him more than she'd care to admit Could she have a love like that or will her romantic fate be forever bound to her philandering ex husband
