**From Manet to Hockney** Victoria and Albert Museum, National Art Library (Great Britain), 1985      **From Manet to Hockney; modern artists' illustrated books** C. Hogben, 1985      From Manet to Hockney Victoria and Albert Museum, National Art Library (Great Britain), 1985      *From Rodin to Giacometti*, 2021-09-06 This book is a collection of papers delivered at an international conference in September 1996 at the Scottish National Gallery of Modern Art during a major Giacometti retrospective. The contributors are leading curators, art historians and literature specialists. While the relationship between nineteenth and twentieth century painters and writers has been the subject of intense interest in recent years, the parallel relationship between sculptors and writers has been largely neglected. These essays seek to redress the balance by looking at a variety of ways in which the conventional barriers between writing and sculpting were broken down by such pioneering figures as Rodin, Degas, Bourdelle, Valéry, Apollinaire, Reverdy, Breton, Bataille, Arp, Picasso and Giacometti. Among the topics discussed are the many personal and professional contacts, dual artistic talent, *Écrits d'artistes*, ekphrasis, sculpture as object, the sculptorly representation of the poet, the poetic representation of the sculptor, sculpture as metaphor, proprioception and mental images. Fully illustrated throughout, this book offers new perspectives on familiar masterpieces like Rodin's *Gates of Hell* but also opens up less well-known subjects like Valéry's sculpture and Breton's *Object Poems*. Above all, it makes a provocative and original contribution to Word and Image studies.      The Victoria and Albert Museum Elizabeth James, 2013-10-15 A comprehensive bibliography and exhibition chronology of the world's greatest museum of the decorative arts and design. The Victoria and Albert Museum, or South Kensington Museum as it used to be known, was founded by the British Government in 1852 out of the proceeds from the Great Exhibition of 1851. Like the Exhibition, it aimed to improve the expertise of designers and the taste of the public by exposing them to examples of good design from all countries and periods. 2,500 publications have to date been produced by, for or in association with the V&A. The National Art Library, which is part of the Museum, has prepared this detailed catalogue supplemented by a secondary list of 500 other books closely related to the V&A. The 1,500 exhibitions and displays recorded include those held in the main Museum and at its branches, the Bethnal Green Museum, now the National Museum of Childhood, and the Theatre Museum, Covent Garden, and additionally those it has organized at external venues in Great Britain and abroad. The exhibitions and publications are fully cross-referenced and there are name, title and subject indexes to the whole work as well as an explanatory introduction.      *A Companion to the History of the Book* Simon Eliot, Jonathan Rose, 2011-08-24 **A COMPANION TO THE HISTORY OF THE BOOK** **A COMPANION TO THE HISTORY OF THE BOOK** Edited by Simon Eliot and Jonathan Rose. If you want to understand how cultures come into being, endure and change, then you need to come to terms with the rich and often surprising history. Of the book, Eliot and Rose have done a fine job. Their volume can be heartily recommended. Adrian Johns, *Technology and Culture*. From the early Sumerian clay
