Change your perspective, change your life Stefanie Fasora, Anna Farfel, 2020-09-01 A great mind once said Nothing changes if nothing changes If we look at things situations people in our life the same way applying the same judgment emotions and perspective there is no room for evolution We are stuck with the view of the prison window that only we built We cannot forgive others if we judge them for what they did If we still feel the same emotions when we think of them or if we repeat the same words when we shame them for what they did Even when years have passed and nothing has changed We are still on bad terms conflicted and troubled It starts with you This book is about how to change your perspective to change your emotion to change your inner voice how to let go of judgment and create peace on a very fundamental level I will use situations from my everyday life to show you examples from different perspectives sneak peak behind the curtain I encourage you to also use trigger situations in your life and detach yourself from your favorite perspective and see it from another angle and how your life can change with this knowledge
