Nelson's Foundational Bible Dictionary with the New King James Version Bible
Katherine Harris, 2014-06-10. The Bible was written for people to read, ponder, and understand. The message of God's love for humans transcends time, culture, and language. Nevertheless, readers of the Bible are often left with questions: The names sound strange to our ears; the geography is often unfamiliar; and we ask, "Who was this person? Is he mentioned somewhere else in the Bible? When did this happen? Where did it happen? Is this a real city?" Nelson's Foundational Bible Dictionary seeks to answer questions like these and many more. Features include: Every person mentioned in the Bible with biblical references and biographical information; All animals and minerals mentioned in the Bible with definitions; Modern equivalents of ancient geographical names; Key theological terms with their various meanings and interpretations; Common household items and occupations with cultural and historical information about life in ancient times. In addition to the full Dictionary materials, the eBook version of Nelson's Foundational Bible Dictionary also contains an appendix of the full text of the New King James Version Bible. All verse references in the Dictionary are linked to that verse in the Bible so that you can easily navigate between the Dictionary and Bible text.

Riding the Academic Freedom Train Jeanett Castellanos, Joseph L. White, Veronica Franco, 2023-07-03. Mentoring demonstrably increases the retention of undergraduate and graduate students and is moreover invaluable in shaping and nurturing academic careers. With the increasing diversification of the student body and of faculty ranks, there's a clear need for culturally responsive mentoring across these dimensions. Recognizing the low priority that academia has generally given to extending the practice of mentoring, let alone providing mentoring for Black, indigenous, and people of color (BIPOC) and first-generation students, this book offers a proven and holistic model of mentoring practice developed in the field of psychology that not only helps mentees navigate their studies and the academy but provides them with an understanding of the systemic and racist barriers they will encounter, validates their cultural roots and contributions, and attends to their personal development. Further recognizing the demands that mentoring places on already busy faculty, the model addresses ways of distributing the work, inviting White and BIPOC faculty to participate, developing mentees' capacities to mentor those that follow them, building a network of mentoring across generations, and adopting group mentoring. Intentionally planned and implemented, the model becomes self-perpetuating, building an intergenerational cadre of mentors who can meet the growing and continuing needs of the BIPOC community. Opening with a review of the salient

research on effective mentoring and chapters that offer minority students views on what has worked for them as well as reflections by faculty mentors the core of the book describes the Freedom Train model developed by the godfather of Black psychology Dr Joseph White setting out the principles and processes that inform the Multiracial Multiethnic Multicultural M3 Mentoring Model that evolved from it and offers an example of group mentoring While addressed principally to faculty interested in undertaking mentoring and supporting minoritized students and faculty the book also addresses Deans and Chairs and how they can create Freedom Train communities and networks by changing the cultural climate of their institutions providing support and modifying faculty evaluations and rewards that will in turn contribute to student retention as well as creative and productive scholarship and research This is a timely and inspiring book for anyone in the academy concerned with the success of BIPOC students and invigorating their department s or school s scholarship

From Legalism to Freedom Dallas R. Burdette, 2008-08 In 1517 Martin Luther took a stand for justification by faith alone in the finished work of Christ upon Calvary As a result of his position he suffered persecution for adhering to the Scriptures alone and not to traditions This book traces my spiritual journey from legalism to freedom in Christ In sixteen chapters I map out my heritage within the Churches of Christ and the motivations that eventually led me out of bondage to liberty One of the lengthiest chapters in this book is Where the Scriptures Speak One objective of this chapter is to help individuals to understand that one may speak where the Bible speaks and not necessarily speak as the Bible speaks Chapters 11 12 and 13 represent the very heart of my escape from authoritarianism to my dependence upon God s righteousness a righteousness from God through faith in Jesus Chapter 14 focuses on preaching in the early church Without an understanding of the Gospel that the apostles proclaimed Christians will never learn the spirit of toleration for differences within the Christian community Chapters 8 15 and 16 give attention to the Last Supper The communion should be a constant reminder of the Cross and true unity among God s children Chapter 1 2 and 3 outline my original journey of faith Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God s people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary
