## **From Courtship To Courtroom:**

**Taken Into Custody** Stephen Baskerville,2007-09-01 Taken into Custody exposes the greatest and most destructive civil rights abuse in America today Family courts and Soviet style bureaucracies trample basic civil liberties entering homes uninvited and taking away people s children at will then throwing the parents into jail without any form of due process much less a trial No parent no child no family in America is safe The legal industry does not want you to hear this story Radical feminists bar associations and social work bureaucracies have colluded to suppress this information Even pro family groups and civil libertarians look the other way Yet it is a reality for tens of millions of Americans who are our neighbors

Courting Desire Rama Srinivasan,2020-01-17 Courting Desire traces organically evolving ideas on sexual consent and legal subjectivity through a study of marital patterns in North India Through research in courtrooms and community spaces it outlines the processes through which eloping couples secure legal validity for their relationships of choice where family arranged matches are the norm

**Courtships, Marriage Customs, and Shakespeare's Comedies** L. Giese,2016-04-30 Loreen L Giese s study of over 5000 important folios of court depositions contemporary with Shakespeare s plays demonstrates the complex ways those plays participate in and comment upon their culture rather than stand apart from it Both the court records and the plays present women as agents who are capable of challenging their traditional roles

Money, Language, and Thought Marc Shell,1993-09 In Money Language and Thought Marc Shell explores the interactions between linguistic and economic production as they inform discourse from Chretien de Troyes to Heidegger Close readings of works such as the medieval grail legends The Merchant of Venice Goethe s Faust and Poe s The Gold Bug reveal how discourse has responded to the dissociation of symbol from thing characteristic of money and how the development of increasingly symbolic currencies has involved changes in the meaning of meaning Pursuing his investigations into the modern era Shell points out significant internalization of economic form in Kant Hegel and Heidegger He demonstrates how literature and philosophy have been driven to account self critically for a money of the mind that pervades all discourse and concludes the book with a discomfiting thesis about the cultural and political limits of literature and philosophy in the modern world

Career Stories Juliette M. Rogers,2010-11 In Career Stories Juliette Rogers considers a body of

largely unexamined novels from the Belle poque that defy the usual categories allowed the female protagonist of the period While most literary studies of the Belle poque 1880 1914 focus on the conventional housewife or harlot distinction for female protagonists the heroines investigated in Career Stories are professional lawyers doctors teachers writers archeologists and scientists In addition to the one well known woman writer from the Belle poque Colette this study will expand our knowledge of relatively unknown authors including Gabrielle Reval Marcelle Tinayre and Colette Yver who actively participated in contemporary debates on women s possible roles in the public domain and in professional careers during this period Career Stories seeks to understand early twentieth century France by examining novels written about professional women bourgeois and working class heroines and the particular dilemmas that they faced This book contributes a new facet to literary histories of the Belle poque a subgenre of the bildungsroman that flourished briefly during the first decade of the twentieth century in France Rogers terms this subgenre the female berufsroman or novel of women s professional development Career Stories will change the way we think about the Belle poque and the interwar period in French literary history because these women writers and their novels changed the direction that fiction writing would take in post World War I France *Catalog of Copyright Entries.
