From Daniel To Doomsday:

From Daniel to Doomsday John Hagee, 2000-05 Dr John Hagee shines the light of Scripture on world events to prove that time is indeed running out Jacket **The End Times and Beyond** L. Doug Harberson, 2022-11-03 I was asked recently why I decided to write this book when there are numerous famous authors on the subject The question took me by surprise but as I pondered my reasons my response was two fold I wanted to write a book that the general public lay persons could read with a high degree of comprehension using word structure that is common in everyday language I wanted the book to lend itself to being used as the material for a detailed Bible study on the end times I am currently working on a journal to complement the book As the reader works through the chapters of this book he she will discover how Daniel s prophecies predict the seven years of Tribulation These prophecies serve as the backbone of this book why Christ chose the seven churches in chapters 2 and 3 details about the rapture when it will occur who is involved Don t be left behind details of the Judgment Seat of Christ details of the Four Horsemen of the Apocalypse description of the Seven Seals Seven Trumpets and Seven Bowls when they occur their devastation and purpose the Antichrist discussed in detail details about the great revival during the first months of Tribulation who the two witnesses are and their purpose during the first half of Tribulation details regarding the Marriage Supper of the Lamb fascinating details of the Glorious Appearing and Armageddon surprising revelations about Satan details of the Judgment of the Sheep and Goats and the Great White Throne Judgment fascinating details about the Millennial Reign of Christ how many Books of Life exist Are there more than one a full discussion of the New Heaven and New Earth the author s time line of events that happened during the seven year Tribulation Period and beyond *The Rapture Exposed* Barbara R. Rossing, 2007-03-30 The idea of The Rapture the return of Christ to rescue and deliver Christians off the earth is an extremely popular interpretation of the Bible s Book of Revelation and a jumping off point for the best selling Left Behind series of books This interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide In *The Rapture Exposed* Barbara Rossing argues that this script for the world s future is nothing more than a disingenuous distortion of the Bible The truth Rossing argues is that Revelation offers a vision of God s healing love for the world *The Rapture Exposed* reclaims Christianity from fundamentalists destructive reading of the biblical story and back into God s beloved community **The Prophecy That Is Shaping History** Jon Mark Ruthven, Jon Ruthven, 2003 Millions of Jews Christians and Muslims believe that a 2 500 year old prophecy is about to be fulfilled a global apocalyptic jihad of many nations against the tiny state of Israel whose recent re emergence in its traditional land has sparked unrelenting rage and attack Repeated resolutions passed in the United Nations reflect world wide and nearly unanimous hostility against the so called Zionist entity even to the point of denying its right to exist Most news media and political analysts seem unaware of the ancient prophecy that not only predicts this apocalyptic war but also amazingly how this prophecy by Ezekiel chapters 36-44 provides the scenario for numerous best selling books in both the

English speaking and Muslim worlds These best sellers not only describe this great conflagration but actually also motivate their readers to prepare for it The Prophecy That Is Shaping History represents a major advance in research and scholarship in examining the historical and contemporary impact of Ezekiel s prophecy on world events This academic monograph also offers a wealth of new evidence in tracing the identities origins and ultimate destinies of the key nations of Ezekiel s prophecy who are seen to participate in what millions believe will be the most horrific battle the world will ever witness

Theological Approach to an Interpretation of a Prediction Related to the Book of Daniel Gregory

DeAbreu,2015-10-13 The Bible speaks of disclosure as a sign related to biblical knowledge Many scholars continuously study the book of Daniel and many reveal the interpretations described in the book of Daniel as direct signs given to the prophet from God Jesus clearly revealed that there would be a time to keep watch This statement was significant but what did Jesus most likely mean when he said keep watch It is likely he meant to pray be vigilant to keep awake of surrounding realities that are not dreams but real Other interpretations offer keeping the belt of truth Ephesians Jesus was distinct when he told his disciples the following Take heed of his prior warnings and look to the Word of God Watch for specifics signs we see in todays era often referred to as birth pains Pray regularly and have sympathy and empathy to others helping the needy Look to do his work and spread the good news of the Gospel Remember acts of faith and Jesuss teaching Encourage the knowledge of end time prophecy Jesus revealed prior to his resurrection The Bible also speaks of a time when there would be great signs from heaven In revealing Bible prophecy it is significant to examine Gods plan according to the Word of God A vision that was considered a natural event produced an event related to the past present and history Exposing the Fallacies of the Pre-Tribulation Rapture Billy Broadwater,2014-06-19 The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years This teaching is not allowed to be challenged in many Christian circles Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious thought provoking analogy of this doctrine Is the seven year tribulation really a biblical term Is the church literally raptured in Revelation chapter 4 Are there signs that precede the return of Christ Is the rapture really an invisible event Are Christians exempt from tribulation Where did the true roots of the pretribulation rapture come from What does the day of the Lord have to do with the rapture These questions and many more are answered in Exposing the Fallacies of the Pre Tribulation Rapture Not only is there a thorough examination of the rapture but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming Billy Broadwater s in depth Bible based research for over twenty years brings home the truth about the rapture *The Covenant Keeping God* Rev. Samuel Fianko-Ofori,Elsie Fianko-Ofori,2019-02-28 A biblical look at the eight major covenants God has made with his creation since the beginning of time and their applications in the life of every human being It tackles about the unique contribution of the book and why you feel it must be published It is highly inspirational very informational and deeply

revelational It is really transformational It is power packed **The End of the Age** John Hagee, 2021-12-07 If you knew sudden destruction would fall upon the earth in the next twenty four hours how would you spend your last moments Join New York Times bestselling author John Hagee as he uses Scripture as a guide to count down the prophetic minutes through the events which must occur before every individual faces God on Judgment Day Charting international news events including recent peace agreements in the Middle East Hagee synchronizes these headlines with the biblical timeline for the last days producing a compelling argument that life on Earth is about to expire What else must take place before the arrival of Judgment Day This very timely message discusses The reality of virtual terrorism The financial crisis and economic crash Opposing views of the Rapture Recent peace agreements in the Middle East that impact Israel and a potential Russian invasion Nuclear wars The purpose of the Tribulation and the Millennium Significantly updated and revised from its previous publication under the title From Daniel to Doomsday this is quintessential Hagee on Bible prophecy and End Times teaching This insightful book is an ideal resource for Christians who are looking for a guide to what the Bible says about the end times and how to recognize that they are approaching Mark it down The End of the Age is approaching but it won't be ushered in by space aliens or catastrophic asteroids Hagee guides us through the timeline before that fateful moment when every unredeemed individual must face God on Judgment Day

Apocalyptic Theopolitics Elizabeth Phillips, 2022-10-21 In this volume Elizabeth Phillips brings together scholarly essays on eschatology ethics and politics as well as a selection of sermons preached in the chapels of the University of Cambridge arising from that scholarly work These essays and sermons explore themes ranging from ethnography to Anabaptism and Christian Zionism to Afro pessimism Drawing on a wide range of authors from Flannery O'Connor and Herbert McCabe to James Cone and M Shawn Copeland this collection provides insight into the fields of Christian ethics and political theology as well as ethnography and homiletics Phillips challenges theologians to interdisciplinarity in their work and to keep historical and traditional sources in conversation with contemporary sources from critical and liberative perspectives She challenges Christians to engage in apocalyptic practices which name and resist the false pretenses of the political status quo And she challenges preachers to call their congregations to moral and political faithfulness opening up possibilities beyond both the squeamish evasion of politics in some preaching traditions and the didactic political partisanship of others

Hagee 3-in-1 John Hagee, 2000 Beginning of the End God's Love in the End Times Warren R. Angel, 2008-07 This book discusses false ideas about God's love especially among Christians and clarifies biblical ideas notably that God will never stop loving anyone that God's sovereignty is subject to his love and that no believer will be left behind at Christ's return Enables every believer to say no matter what their situation in life I know God loves me

From Now Until Then Dr. Billy Lindsey, 2016-03-14 This book is definitely a book on prophecy It starts with the church age and ends with an understanding of the millennium It is not intended to be an in depth study of any of the topics covered However the writer believes the reader will come away with his appetite for more in depth study of many of the topics

that are not often dealt with to the satisfaction of the reader Topics such as the resurrected body dress transformation of the saints seven years in heaven I cant wait the throne worship and fellowship The chapter on the seventy five days is so exciting Have you ever thought about ruling and reigning with King Jesus There are some things that have to happen between now and the Rapture Perhaps both the Psalm 83 and Ezekiel 38 and 39 wars will take place It is so interesting to try to place these wars with all thats taking place in the world today Then there is the millennium when the saints will rule and reign with King Jesus for one thousand years Hallelujah I cant wait

The Cambridge Companion to Apocalyptic Literature Colin McAllister,2020-03-26 Apocalyptic literature has addressed human concerns for over two millennia This volume surveys the source texts their reception and relevance **The Seven Secrets** John Hagee,2005-07-22 Those looking for suggestions about improving personal effectiveness and personal growth will both enjoy and benefit from The Seven Secrets **Fortress**

Sánchez,2014-10-01 The Fortress Commentary on the New Testament presents a balanced synthesis of current scholarship The contributors bring a rich diversity of perspectives to the task of connecting solid historical critical analysis of Scripture with sensitivity to theological cultural and interpretive issues arising in our encounter with the text The volume includes introductory articles section introductions and individual book articles that explore key sense units through three lenses The Text in Its Ancient Context The Text in the Interpretive Tradition The Text in Contemporary Discussion Comprehensive and useful for preaching teaching and research **The Soldiers of Allah** David Miller,2019-07-10 David L Miller has intelligently taken the Islamic religion apart unveiling the origins of Islam and the many ways in which its adherents interpret the Qur an today With great detail he explores concepts such as jihad intifada shari ah and fatwahterms with which many of us are only superficially familiar Soldiers of Allah is a valuable resource for missionaries and anyone called to serve in the Islamic world It also offers much needed insight into a religious culture with which we are interacting more often today Soldiers of Allah explains HOW THE REVELATIONS OF MOHAMMED BECAME THE BASIS FOR THE ISLAMIC RELGION WHY THE QUR AN IS INTERPRETED DIFFERENTLY AMONG ISLAMIC DENOMINATIONS WHY AMERICAN JURISPRUDENCE CANNOT COEXIST WITH SHARI AH LAW WHY ALLAH IS NOT ANOTHER NAME FOR JEHOVAH Some may question the author s conclusions but Mr Miller has spent years in his research He has an extremely broad personal and professional knowledge of this subject

Covenant Brothers Daniel G. Hummel,2019-04-30 Weaving together the stories of activists American Jewish leaders and Israeli officials in the wake of the establishment of the state of Israel in 1948 Covenant Brothers portrays the dramatic rise of evangelical Christian Zionism as it gained prominence in American politics Israeli diplomacy and international relations after World War II According to Daniel G Hummel conventional depictions of the Christian Zionist movement the organized political and religious effort by conservative Protestants to support the state of Israel focus too much on American evangelical apocalyptic fascination with the Jewish people Hummel emphasizes instead the institutional international

interreligious and intergenerational efforts on the part of Christians and Jews to mobilize evangelical support for Israel From missionary churches in Israel to Holy Land tourism from the Israeli government to the American Jewish Committee and from Billy Graham s influence on Richard Nixon to John Hagee s courting of Donald Trump Hummel reveals modern Christian Zionism to be an evolving and deepening collaboration between Christians and the state of Israel He shows how influential officials in the Israeli Ministry of Religious Affairs and Foreign Ministry tasked with pursuing a religious diplomacy that would enhance Israel s standing in the Christian world combined forces with evangelical Christians to create and organize the vast global network of Christian Zionism that exists today He also explores evangelicalism s embrace of Jewish concepts motifs and practices and its profound consequences on worshippers political priorities and their relationship to Israel Drawing on religious and government archives in the United States and Israel Covenant Brothers reveals how an unlikely mix of Christian and Jewish leaders state support and transnational networks of institutions combined religion politics and international relations to influence U S foreign policy and eventually global geopolitics **CHRISTIAN ZIONISM.**

THEOPOLITICS AND BIBLICAL MYTH-MAKING BÜLENT ŞENAY,2021-01-01 This book is meant to serve as a reader material an instrument designed to help students of Christian Zionism regardless of their background age and ultimate interest find their way in existing literature

Infinite Nature R. Bruce Hull,2006-05 Review In this work R Bruce Hull argues that environmentalism will never achieve its goals unless it sheds its fundamentalist logic The movement is too bound up in polarizing ideologies that pit humans against nature conservation against development and government regulation against economic growth Only when we acknowledge the infinite perspectives on how people should relate to nature will we forge solutions that are respectful to both humanity and the environment Infinite Nature opens doors so that nature can be seen from the scientific understandings proffered by anthropology evolution and ecology to the promise of environmental responsibility offered by technology and economics to the designs of nature envisioned in philosophy art law and religion Along the way Hull helps us find the common ground created out of many natures the place where sustainable and thriving communities are possible **BOOK JACKET** **Duped** Dr. Sharon Tackett Finney,2009-07-27 There is no available information at this time
