**Suksuku Revisited** Ayuba Mshelia, 2017-01-13 The book Suksuku Revisited is a diverse collection of the stories folk tales and ma umdla dza dza that the Bura people of Northeastern Nigeria use to transmit their cultural milieu belief systems and the supernatural to their youth The book is permeated with how the tribe interacts with and is solely dependent upon the power and magnanimous symbiotic character of the creator Hyel Ka a Grandpa Ma God This is most obvious in chapters 1 7 and 9 At other times the tribe uses animals to express those values and social mores they intend to pass on these are reflected in chapters 6 12 14 16 17 20 22 26 and 29 Social conflicts are often resolved through the supernatural or other

arcane powers of the shaman such as in chapters 2 8 10 24 27 and 28 Suksuku Revisited opens a door which until now may have been closed to the outsider into the tribal thoughts of the Bura people with regard to their conception of creation the supernatural and the symbiotic relationship between the creator and his people *The Dandelion King* J.P.Lockhead,2014

JoJo has never seen the world as we do as from an early age he s always felt as if he d crash landed onto a planet whose alien inhabitants were a hostile breed of canine origin With his comms device damaged beyond repair all attempts to communicate with the indigenous species proved disastrous forcing him to live life on the run a life feeding from latrines of solitude and isolation He was now a bone marooned in the bowl of a dog eat dog world The story follows the internalized struggles of a young autistic whose turbulent years through adolescence leave him at a cross roads in life where failing school grades and an uncertain future force him to make a judgment call When a computer virus called Humphrey infects JoJo s computer rules of engagement are set to change and deep friendships sorely tested His teacher the key to his survival suspects there is more to JoJo than meets the eye and the journey in search of a puppet master more sinister than either could have imagined Soon JoJo may have to face an adversary much closer to home than he thinks in an epic battle of wills winner takes all *The Life and Work of Ante Dabro, Australian-Croatian Sculptor* Peter Read,2023-12-05

Why does a highly skilled and highly trained sculptor the master of every style and technique insist on working in the style of the Italian Renaissance The answer is that to Dabro every sculpture must speak to humanity which means that it must be an element of humanity If it does not the sculptor has failed Working with female models throughout his long life he has sought to portray an essence of femininity and therefore an essence of humanity Ante Dabro believes that the ability to see what other people don t see is a real gift He says It s like a star wheeling round the earth fertilising the imagination as it goes This book explores the different ways he has liberated an essence of humanity by releasing the soul of a human form from its imprisoning substance whether it be from wood marble stone or plaster The author one of Australia s best known historians and biographers like Dabro wants our imaginations to soar and rejoice in the creative spirit which has driven his sculptures for more than 60years **A to Zoo** Rebecca L.
