*From Margate to Key West with Love* Sally Forrester, 2022-09-15 From Margate to Key West with Love is a continuation of my previous three historical novels featuring Madam Maria Popoff her quirky vintage dress shop set in Margate s King Street and Poppy a middle aged woman who relocates from London to Margate Poppy who has many broken pieces discovers true healing when she answers an advertisement requesting part time help although only special people needed to apply My novels although works of fiction embrace the ups and downs of life of truly being human of living through and navigating difficult times and the important part that emotions play in sickness and recovery They re set in various historical periods that follow real events Having spent some time sailing to the Florida Keys exploring Key West and learning about its checkered history I just knew that I wanted Maria Popoff to come and establish yet another vintage shop Cousin Rollo has summoned her to the fictitious grand old house called St Eustace on Whitehead Street in the heart of Old Key West Maria brings with her wisdom knowledge love compassion and her all seeing eyes to this colourful settlement at the very end of the road Maria Popoff is certainly a strange character and it s never really clear exactly who she is Some see her merely as a kind particularly old and portly shopkeeper who has a passion for decadent chocolate cake Those who know her better are struck by her all seeing eyes that seem to pierce right through you They re struck by her wisdom her knowledge of healing and fascinated by her wizened hands that

can touch and seemingly make everything better Some have called her a gypsy who has the power to look through a crystal ball and foretell the future However those who know her best of all realize that she s a time traveller or maybe she s an angel Certainly she s an ancient being who appears to cross the dimension of time Maria has seen so much She s become weary of man s indiscretion his mistakes and of the lessons that humanity never seems to learn Set in 2021 and 2022 Maria like most of us is worried about the state of our planet She has a heartfelt concern for the environment pollution and the devastating weather patterns that seem to track man s hatred and violence towards each other Maria is horrified by the war in Ukraine She realizes just how much sorrow the Covid pandemic has robbed people of their loved ones their sense of financial security and their livelihoods I wanted my fourth novel to span the Atlantic so that my readers will also happily discover Poppy still busy in the Isle of Thanet managing all three Madam Popoff vintage shops in the little seaside holiday towns of Margate Ramsgate and Broadstairs Things come into the shops that have a story to tell Poppy has become proficient over the years at fingering certain treasures catching her eye and she discovers their past Sometimes the stories are heartwarming and pleasant but just like life they don t always have a fairy tale ending Likewise Maria has taught Desmond a new employee to sit with things that appear on the doorstep of St Eustace and discover their history In this way I bring to light all sorts of historical events that have shaped the community across the Atlantic at the very end of the road Readers will enjoy stories embracing Key West s past Sunken Spanish treasure sponging cigar factories historic links with Cuba Flagler s Railroad hurricanes First World War submarines and much more *From Lindos With Love* Josephine Kelly,2012-03-14 Do you dream of whitewashed Greek villages golden sand and china blue seas This story could be about you and the people you meet in the bar every summer Josephine Kelly leads us through the past and into a week of gently surprising and life enhancing events set against the spectacular coastal scenery of Lindos village on the island of Rhodes Lives will change as the characters make cards learn to paint the Chinese way and wax lyrical over encaustic art Never been to Greece before Then come now where Greek residents and British expats live out the tourist s dream at the foot of the Lindos Acropolis Touching and essential reading for anyone who loves Greece **Folk Tales from Greece** F.T. Cubberley,1920      *Love Smugglers and Naval Heroes* Lilian Boys Behrens,1929      **A Labor of Love, Volume 2** Anna D. Arapakos,2024-10-18 You hold the second of two volumes of one giant love story This story is about Arapakos father and how she came to care for him when he was elderly There is no more popular Greek myth than the one of the hero Hercules and while you may not know her father or her by the time she superimposes her father s saga onto the labors of Hercules you will Arapakos overarching aim is for you and your parents to benefit from what she has to tell you Hercules and she had much in common they both wanted to help make things right despite the odds and both proved victorious In Volume 2 the roles reverse and you find Arapakos taking on the part of Hercules as she performs her adaptation of the twelve Herculean Labors to care for her father when Huntington s disease began making its mark on his life and person She retells each labor Hercules undertook before making parallels to what she did for her father She is confident the herculean myth and her father s story will move you The circle of love can continue through your actions and a better informed mind and heart set for your loved one in need      **Allegories of Farming from Greece and Rome** Leah Kronenberg,2009-05-14 In this book Professor Kronenberg shows that Xenophon s *Oeconomicus* Varro s *De Re Rustica* and Virgil s *Georgics* are not simply works on farming but belong to a tradition of philosophical satire which uses allegory and irony to question the meaning of morality These works metaphorically connect farming and its related arts to political life but instead of presenting farming in its traditional guise as a positive symbol they use it to model the deficiencies of the active life which in turn is juxtaposed to a preferred contemplative way of life Although these three texts are not usually treated together this book convincingly connects them with an original and provocative interpretation of their allegorical use of farming It also fills an important gap in our understanding of the literary influences on the *Georgics* by showing that it is shaped not just by its poetic predecessors but by philosophical dialogue      **Letters of a Sentimental Idler, from Greece, Turkey, Egypt, Nubia, and the Holy Land** Harry Harewood Leech,1869      *Mejnoun's Memoirs, an Autobiography of Love, Travel, and Romance* Seraphael,1875      **The Works of the English Poets, from Chaucer to Cowper** Alexander Chalmers,1810      **The Works of the English Poets, from Chaucer to Cowper: Dryden, Smith, Duke, King, Sprat, Halifax, Parnell, Garth, Rowe, Addison** Alexander Chalmers,1810      *The Works of the English Poets, from Chaucer to Cowper;: Dryden, Smith, Duke, King, Sprat, Halifax, Parnell, Garth, Rowe, Addison* Samuel Johnson,1810      **A Labor of Love, Volume 1** Anna D.
