From Mind To Heart Christian Meditation Today:

From Mind to Heart Peter Toon, 1987-01-01 *God's Battle Plan for the Mind* David W. Saxton, 2015-01-13 During the seventeenth century English Puritan pastors often encouraged their congregations in the spiritual discipline of meditating on God and His Word Today however much of evangelicalism is either ignorant of or turned off to the idea of meditation In *God's Battle Plan for the Mind* pastor David Saxton seeks to convince God's people of the absolute necessity for personal meditation and motivate them to begin this work themselves But he has not done this alone Rather he has labored through numerous Puritan works in order to bring together the best of their insights on meditation Standing on the shoulders of these giants Saxton teaches us how to meditate on divine truth and gives valuable guidance about how to rightly pattern our thinking throughout the day With the rich experiential theology of the Puritans this book lays out a course for enjoying true meditation on God's Word Table of Contents 1 The Importance of Recovering the Joyful Habit of Biblical Meditation 2 Unbiblical Forms of Meditation 3 Defining Biblical Meditation 4 Occasional Meditation 5 Deliberate Meditation 6 The Practice of Meditation 7 Important Occasions for Meditation 8 Choosing Subjects for Meditation 9 The Reasons for Meditation 10 The Benefits of Meditation 11 The Enemies of Meditation 12 Getting Started Beginning the Habit of Meditation Conclusion Thoughts on Meditation and Personal Godliness *Learning from the Past* Jon Balserak, Richard Snoddy, 2015-08-27 This collection of essays in honour of Anthony N S Lane has two main foci picking up themes which resonate with some of Lane's most important work The first broad theme is the reception of the thought of earlier generations of biblical interpreters and theologians The essays here explore various facets of reception history textual transmission the identification of editions used the deployment of these sources in doctrinal formulation in polemic and in relation to the contested site of catholicity The second broad theme is engagement with other confessional identities and allegiances The essays presented here shed light on the past and stimulate contemporary theological reflection **The Spirit of Holiness** Terry Delaney, Roger D. Duke, 2020-09-23 What does Biblical spirituality look like What does it mean to be spiritual What priorities and practices inspire one to live the Christian life well While there are a multitude of answers to these questions very rarely are they both clear and profound As a result Christians can be left feeling lost and confused In *The Spirit of Holiness* Terry Delaney and Roger Duke have collected a variety of reflections on spirituality that are shaped by the Bible theology and the voices and examples of those who have come before us With authors like Al Mohler Michael Haykin and Steve Lawson covering topics such as perseverance depression friendship choice and faith *The Spirit of Holiness* encourages and directs Christians to a healthy biblical spirituality informed by their forebears of the faith **Great Spoil** Stephen Yuille, 2019-07-31 Much of evangelicalism has forsaken a Word based approach to Christian spirituality so to help us recover a model of biblical piety J Stephen Yuille examines Thomas Manton's sermons on Psalm 119 Following a brief account of Manton as a leading Puritan committed to the ministry of the Word Yuille leads us on a careful investigation of

Manton's understanding of blessedness the instrumentality of God's Word and the practice of spiritual duties At the foundation stands the conviction that as we love and obey God's Word the blessed God communes with us by His Spirit conveying sweet influences on our soul through His Word Manton's spirituality of the Word is a timely remedy for the subjective mysticism that expects God to speak through inner urgings apart from His Word Let us learn from Manton how to listen to the Bible as if we heard God speaking to us from heaven rejoicing like those who find great spoil Ps 119 162

Intimacy with God John Caldwell, 2009-06 INTIMACY WITH GOD will help you develop balance in your Christian life Dr Caldwell directs us toward a greater emphasis on the spiritual development of the inner man that we might in turn be involved in Spirit motivated Spirit empowered ministry If you have struggled with such disciplines as Bible study prayer fasting journaling or personal worship this is the book to help you make progress in those areas Well balanced interestingly written with provocative thought questions and practical assignments and augmented by an outstanding list of resources this book will be immensely useful for not only pastors but for all people who are hungering for the deeper things of God Christian you were born again to grow The Lord wants you to grow This book can help you establish that intimacy with God that He desires John Caldwell has four earned degrees including his doctor of ministry and has served as Senior Pastor of Kingsway Christian Church in Avon Indiana for thirty six years leading that congregation from infancy to the thriving mega church that it is today He also has a busy national and international speaking ministry He and his wife Jan are the parents of two grown children and grandparents of two *Hunger* Jon L Dybdahl, 2015-12-16 Human hunger for God is intense and universal Even if suppressed or denied it cries out silently from the depths Such hunger is not a wish to know about God but rather a quest to encounter Him People want to touch experience and feel the divine not just discover facets about God Dr Jon L Dybdahl Humans have tried since the beginning of their creation to fill the hunger or empty space inside of themselves with all that they can find on their own The desire for money homes cars and various material possessions continues to fill our credit cards without filling our longing for something Dr Jon Dybdahl brings his passion for teaching into this second edition of his successful book *Hunger Satisfying the Longing of your Soul* Whether you are a seminary professor a small group leader with 3-12 students or someone who seeks to move closer in your relationship to God your Savior and Creator you will find entrees which are biblically grounded to study and that are savory and healthy for your spiritual body The Christian Educator's Handbook on Adult Education Kenneth O. Gangel, James C. Wilhoit, 1998-02-01 Get historical insight and practical help for your adult Christian education needs Soul Recreation Tom Schwanda, 2012-04-11 Spiritually there is a great hunger today for contemplative and more satisfying experiences with God Puritanism might seem to be an unlikely source for this yet few groups in the history of Christian spirituality have written more extensively or wisely on the subject Isaac Ambrose 1604-64 a relatively forgotten English Puritan developed a theological foundation for the spiritual life based upon the Christian's intimate union with Christ which the Puritans often called spiritual marriage Schwanda demonstrates

that this vibrant relationship of union and communion with Jesus inspired by the Holy Spirit was manifested in a deep contemplative piety of gazing lovingly and gratefully upon God At the same time Ambrose did not neglect loving his neighbors This study reveals how heavenly meditation was one of the significant practices engaged by Ambrose to cultivate spiritual intimacy and enjoyment of God Further his experiential reading of Scripture in particular the Song of Songs provided him with a language of ravishment and delight in God This book provides a distinctively Protestant foundation for recovering the contemplative life while recognizing the significant contributions of the Western Catholic tradition

Hearing God's Words Peter Adam,2004-02-11 Many discussions of Christian spirituality draw on a range of traditions and disciplines but little attention is given to the Bible itself Drawing on the Old and New Testaments John Calvin and the Puritans Peter Adam expounds a biblical model of spirituality in this New Studies in Biblical Theology volume Spiritual Theology Simon Chan,2025-10-14 Academy of Parish Clergy Top Ten Book Theology is the doctrine of living unto God wrote the Puritan theologian William Ames Unfortunately post Enlightenment theology has tended to divorce doctrine from living unto God And to the degree that this split has been deepened and perpetuated both theology and spirituality have been impoverished Spiritual Theology is a rare book In it Simon Chan surveys the little explored landscape where systematic theology and godly praxis meet highlighting the connections between Christian doctrine and Christian living and drawing out the spiritual implications of particular aspects of systematic theology Allowing rational formulations to drop into the background he brings the mystery of the faith to the fore Chan begins with the principal doctrines of God sin salvation and the church He then progresses to a reflective consideration of the practice of the spiritual life from prayer to spiritual direction Unabashedly evangelical and truly ecumenical Chan grounds his exploration in the sources of the Protestant Catholic and Orthodox traditions His work is well abreast of contemporary theological currents and crossculturally conversant from an Asian perspective Spiritual Theology is a book for those who care deeply about theology and spirituality and strive to integrate the two It is well worth careful reflection and prayerful reading Puritan Spirituality J. Stephen Yuille,2008-04-15 Without minimizing the validity of the social political and ecclesiastical approaches to this field of study Yuille affirms that the essence of Puritanism is found in its spirituality He demonstrates this by turning to a relatively unknown Puritan George Swinnock 1627 1673 At the root of Swinnock s spirituality was his concept of fear of God as the proper ordering of the soul s faculties after the image of God This concept is pivotal to Swinnock s spirituality because he viewed it as the Christian s true principles of practice Yuille shows the prevalence of this paradigm among Swinnock s fellow Puritans and sets it in a historical tradition extending back to Augustine through Calvin The Digital Puritan - Vol.V, No.2 Hugh Binning,George Whitefield,Francis Roberts,Thomas Boston,Thomas Watson,Joel Beeke,Mark Jones,2015-10-29 The Digital Puritan is a biannual digest of carefully selected Puritan works providing a steady diet of sound Puritan teaching The language has been gently modernised to render it more readable while still retaining much of the flavour and character of

the original text Hundreds of helpful notes and Scripture references in the English Standard Version are included as end notes no internet connection is needed The following articles appear in this autumn winter 2015 special edition The Word of God 1 The Authority and Utility of the Scriptures Hugh Binning The necessity of learning and practising what the Bible teaches is shown from 2 Timothy 3 16 17 2 The Duty of Searching the Scriptures George Whitefield In which Whitefield illustrates the two great messages of the Scripture our fallen nature and the grace of God and gives directions on how to make time spent in Scripture most profitable Based on John 5 39 3 The Great Worth of Scripture Knowledge Francis Roberts Roberts gives seven helpful directions on how to better read and understand the Word of God 4 How the Word is to be Read and Heard Thomas Boston From Luke 8 18 Take heed therefore how ye hear Boston teaches how to prepare our hearts for receiving the Word and how to apply it to our daily lives 5 How We May Read the Scriptures with Most Spiritual Profit Thomas Watson Watson s own collection of twenty four directions on how to read the Scripture for greatest benefit 6 The Puritan Practice of Meditation Drs Joel R Beeke and Mark Jones To read the Scripture is not enough it must permeate the mind and affect the heart The authors show how the Puritans used meditation this effect **Reformed Spirituality** Howard L. Rice,1991-01-01 Rice makes a concerted effort to point us toward new and exciting avenues of spiritual growth and development I find the book provocative stimulating and challenging Ben Campbell Johnson Peachtree Professor of Evangelism and Church Growth Columbia Theological Seminary Decatur Georgia **All Roads Lead to the Text** Dean Deppe,2011-11-10 In All Roads Lead to the Text Dean Deppe offers a user friendly guide to biblical exegesis and interpretation Far from a dry theoretical handbook this book s example based approach enlivens the exegetical task and offers immediate payoff by constantly applying concepts to specific texts Deppe focuses on eight methods that biblical scholars use from analyzing literary grammatical and structural elements to investigating historical and cultural backgrounds to exploring the history of interpretation Deppe explains each approach using several concrete examples from both Old and New Testament texts and every chapter concludes with practical text based questions for study and discussion *Spiritual Disciplines for the Christian Life* Donald S. Whitney (Professor),2014 Drawn from a rich heritage *Spiritual Disciplines for the Christian Life* will guide you through a carefully selected array of disciplines By illustrating why the disciplines are important showing how each one will help you grow in godliness and offering practical suggestions for cultivating them *Spiritual Disciplines for the Christian Life* will provide you with a refreshing opportunity to become more like Christ and grow in character and maturity Now updated and revised to equip a new generation of readers this anniversary edition features in depth discussions on each of the key disciplines *The Spiritual and Mental Transformation (Revised Edition)* Stanley Njoroge,2020-06-12 The purpose of writing this book is to create an awareness that life is a journey that has a starting point in life and an end Man in his finite mind need an infinite mind which helps in both spiritual and mental development This book is primarily intended to educate young Christians in faith to which steps to make toward spiritual and mental maturity

In other words simplicity of theology I trust that the chapters and pages in this book will revolutionize the reader to seek God's purpose in this earthly and heavenly life And you and I are of those people God want to impart his divine power so that we can live lives of abundance of knowledge and prosperity Knowing God intellectually is not enough until the soul and spirit become captives of divinity Spirit filled Christians in all circumstances and situations seek the Holy Spirit's guidance putting carnal mind into the subjective will of God Therefore spiritual and mental transformation is vital not reformation For spiritual and mental transformation leads to another image in the likeness of God Another feature of this book is of shaping the soul mind and spirit in order to live above the earthly distractions which enslaves us and subjects us to feel defeated in our endeavors Victory and success lie upon the obedience of the sound scriptures Study to shew thyself approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth 2 Tim 2 15 This book of the law shall not depart out of thy mouth but thou shalt meditate therein day and night that thy mayest observe to do according to all that is written therein for then thou shalt make thy way prosperous and then thou shalt have good success Josh 1 8 Obedience pleases God at all times and provokes his blessings to fall upon his faithful servants Therefore obedience is cardinal virtue from the regeneration to generation until the translation into heaven I would recommend this book to all those who seek Christian lifestyle

Celebration of Discipline Richard J. Foster, 1988-10-05 In the twenty years since its publication Celebration of Discipline has helped over a million seekers discover a richer spiritual life infused with joy peace and a deeper understanding of God For this special twentieth anniversary edition Richard J Foster has added an introduction in which he shares the story of how this beloved and enduring spiritual guidebook came to be Hailed by many as the best modern book on Christian spirituality Celebration of Discipline explores the classic Disciplines or central spiritual practices of the Christian faith Along the way Foster shows that it is only by and through these practices that the true path to spiritual growth can be found Dividing the Disciplines into three movements of the Spirit Foster shows how each of these areas contribute to a balanced spiritual life The inward Disciplines of meditation prayer fasting and study offer avenues of personal examination and change The outward Disciplines of simplicity solitude submission and service help prepare us to make the world a better place The corporate Disciplines of confession worship guidance and celebration bring us nearer to one another and to God Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities and how they can help us shed our superficial habits and bring the abundance of God into our lives He offers crucial new insights on simplicity demonstrating how the biblical view of simplicity properly understood and applied brings joy and balance to our inward and outward lives and sets us free to enjoy the provision of God as a gift that can be shared with others The discussion of celebration often the most neglected of the Disciplines shows its critical importance for it stands at the heart of the way to Christ Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth

The Inner Sanctum of Puritan Piety Stephen Yuille, 2021-09-16 In The Inner Sanctum of Puritan Piety J

Stephen Yuille demonstrates how the doctrine of the believer's union with Christ lies at the heart of the Puritan pursuit of godliness. He analyzes the whole corpus of Flavel's writings showing how this mystical union is set upon the backdrop of God's covenant of redemption and established on the basis of the person and work of Jesus Christ. Chapters on the nature and acts of this union help readers gain a better understanding of what this union is, while chapters on the blessings, fruit, suffering, evidence, joy, practice, and hope associated with this union show more fully the experiential direction of Flavel's approach to theology.

Loving God and Disturbing Men Donald A. Leggett, 2003

Loving God and Disturbing Men is an excellent resource for preachers and teachers that provides a balance between technical scholarly commentaries and popular devotional works. Its unique strength lies in the author's ability to show the relevance of the prophets for the contemporary church and its ministry. Readers will appreciate the detailed scholarly treatment of the prophetic literature the author provides. But equally important, the author demonstrates that what the prophets said about God, evil, repentance, history, social justice, and eschatology has the ring of immediacy for us. Moreover, the study is helpful in treating the lives of the prophets as models of spirituality in prayer, suffering, and preaching. While the book is primarily for those who preach from the prophets, it is suitable for a much wider audience. A book on preaching from the prophets is desperately needed today by the Christian audience if we are to be faithful in declaring the whole counsel of God to our contemporary generation.

Professor Donald Leggett is to be commended on his desire to aid the Christian community and its proclaimers in advancing this cause. It is a pleasure to commend this work.

Walter C. Kaiser Jr. Here is a pump primer and launch pad for preachers. Dr. Leggett's aim is to show us the wisdom of the prophets in a way that will excite us and enable us to share what we have seen. I appreciate this book for I think it will do its job. And the job is an important one.
