Michelle J. Morris, Timothy Merrill, Clara K. Welch, 2022-10-11 Study the Bible daily for a closer relationship with God Daily Bible Study is a great companion to the quarterly Adult Bible Studies or as a stand alone study for those wanting to study the bible daily It is presented in quarterly segments Bible based and Christ focused it coordinates with the lesson themes of Adult Bible Studies Each daily reading includes a one page Bible study for each day of the quarter along with introductory reflection questions and commentary on the daily Scripture passage life application and a concluding prayer Additional information about Daily Bible Study Winter 2022 2023 Theme Power and Love This winter Daily Bible Study presents a series of readings supporting the theme Power and Love Readings come from the Old and New Testament texts These daily readings which prepare us for the 13 lessons in Adult Bible Studies are written by Michelle Morris Tim Merrill and Clara Welch Unit 1 Power and Vulnerability God's incarnation was into a poor family from a village of no consequence vulnerable to the whims and machinations of the mighty Roman Empire While some readers can relate to this poverty and obscurity most are citizens of a great world power Some people know from experience that power can be abused even against a government's own citizens but others have known only the protection and benefits of that power These readings invite us to hear the Nativity accounts from the vantage point of the victims of empire Scriptures Judges 9 1 15 Matthew 1 1 25 Matthew 2 1 12 Matthew 2 13 15 Spiritual Practice Acts of Mercy Unit 2 Power and Belonging The readings in this unit follow the trajectory of biblical imagery for faith development from adoption through baptism and infancy in faith into youthful excitement and exuberance and then to a mature faith that struggles challenges and questions They move us to examine our faith and encourage us to plant ourselves firmly on the path toward maturity Scriptures Galatians 3 23 4 7 Luke 15 11 32 John 17 1 24 and Ephesians 4 14 Colossians 3 12 17 Matthew 22 1 14 Spiritual Practice Rule of Life Unit 3 The Power of Love One of the distinct traits of biblical theology is the emphasis on God's hesed lovingkindness and Jesus selfless love While the Bible uses different words for different kinds of love agape philia and eros the lines are actually blurred between agape and philia The greater emphasis is on relationships While we should enact our love without thoughts of personal gain the ultimate goal of loving our enemies is becoming their friend These readings encourage us toward that end Scriptures 1 John 4 7 21 and Ruth 4 1 Kings 3 16 28 1 Samuel 18 1 4 19 1 7 20 Matthew 16 21 28 Spiritual Practice Spiritual Friendship **Animal Theologians** Andrew Linzey, Clair Linzey, 2023 Many people who have thought about God have not thought about animals or about the relationship between the two But among those who have are some of the most celebrated religious thinkers including Michel de Montaigne Thomas Tryon John Wesley John Ruskin Leo Tolstoy Mohandas K Gandhi Albert Schweitzer and Paul Tillich This volume comprises 24 scholarly studies that detail challenges to the dominant anthropocentrism of most religious traditions The editors have brought together Jewish Unitarian Christian transcendentalist Muslim Hindu Dissenting

deist and Quaker voices each offering a unique theological perspective that counters the neglect of the nonhuman Animal Theologians is divided into three parts starting with the pioneers who first saw a relationship between animals and divinity those who contributed to the expansion of social sensibility to animals and ending with the work of contemporary theologians The essays in this volume use contextual and historical background to describe what led animal theologians to their beliefs and then pave way for further developments in this expanding field This volume is an act of reclaiming different religious traditions for animals by recovering lost voices *The Annals of the American Academy of Political and Social Science*, 1926

The Women of Rendezvous Jenny Shaw, 2024-12-03 *The Women of Rendezvous* is a dramatic transatlantic story about five women who birthed children by the same prominent Barbados politician and enslaver Two of the women were his wives two he enslaved and one was a servant in his household All were determined to make their way in a world that vastly and differentially circumscribed their life choices From a Barbados plantation to the center of England's empire in London Hester Tomkyns Frances Knights Susannah Mingo Elizabeth Ashcroft and Dorothy Spendlove built remarkable lives for themselves and their children in spite of not because of the man who linked them together Mining seventeenth and eighteenth century court records deeds wills church registers and estate inventories Jenny Shaw centers the experiences of the women and their children intertwining the microlevel relationships of family and the macrolevel political machinations of empire to show how white supremacy and racism developed in England and the colonies Shaw also explores England's first slave society in North America provides a glimpse into Black Britain long before the Windrush generation of the twentieth century and demonstrates that England itself was a society with slaves in the early modern era *Friends and Strangers* John Smolenski, 2011-12-30 In its early years William Penn's Peaceable Kingdom was anything but Pennsylvania's governing institutions were faced with daunting challenges Native Americans proved far less docile than Penn had hoped the colony's non-English settlers were loath to accept Quaker authority and Friends themselves were divided by grievous factional struggles Yet out of this chaos emerged a colony hailed by contemporary and modern observers alike as the most liberal tolerant and harmonious in British America In *Friends and Strangers* John Smolenski argues that Pennsylvania's early history can best be understood through the lens of creolization the process by which Old World habits values and practices were transformed in a New World setting Unable simply to transplant English political and legal traditions across the Atlantic Quaker leaders gradually forged a creole civic culture that secured Quaker authority in an increasingly diverse colony By mythologizing the colony's early settlement and casting Friends as the ideal guardians of its uniquely free and peaceful society they succeeded in establishing a shared civic culture in which Quaker dominance seemed natural and just The first history of Pennsylvania's founding in more than forty years *Friends and Strangers* offers a provocative new look at the transfer of English culture to North America Setting Pennsylvania in the context of the broader Atlantic phenomenon of creolization Smolenski's account of the Quaker colony's origins reveals the vital role this process played in creating early

American society Spectacular Suffering Ramesh Mallipeddi, 2016-04-29 Spectacular Suffering focuses on commodification and discipline two key dimensions of Atlantic slavery through which black bodies were turned into things in the marketplace and persons into property on plantations Mallipeddi approaches the problem of slavery as a problem of embodiment in this nuanced account of how melancholy sentiment mediated colonial relations between English citizens and Caribbean slaves The book's first chapters consider how slave distress emerged as a topic of emotional concern and political intervention in the writings of Aphra Behn Richard Steele and Laurence Sterne As Mallipeddi shows sentimentalism allowed metropolitan authors to fashion themselves as melancholy witnesses to racial slavery by counterposing the singular body to the abstract commodity and by taking affective property in slaves against the legal proprietorship of slaveholders Spectacular Suffering then turns to the practices of the enslaved tracing how they contended with the effects of chattel slavery The author attends not only to the work of African British writers and archival textual materials but also to economic and social activities including slaves petty production recreational forms and commemorative rituals In examining the slaves embodied agency the book moves away from spectacular images of suffering to concentrate on slow incremental acts of regeneration by the enslaved One of the foremost contributions of this study is its exploration of the ways in which the ostensible objects of sentimental compassion African slaves negotiated the forces of capitalist abstraction and produced a melancholic counterdiscourse on slavery Throughout Mallipeddi's keen reading of primary texts alongside historical and critical work produce fresh and persuasive insights Spectacular Suffering is an important book that will alter conceptions of slave agency and of sentimentalism across the long eighteenth century **Strategies and Tools for Corporate Blogging** Gene John Cass, 2007 Showing how to transform public relations and search marketing through consumer generated media RSS feeds and comment interaction strategies this book provides tools for companies to interact with customers through blogging communities and to use resources effectively as well as strategies for writing articles A New World of Labor Simon P. Newman, 2013-05-28 The small and remote island of Barbados seems an unlikely location for the epochal change in labor that overwhelmed it and much of British America in the seventeenth and eighteenth centuries However by 1650 it had become the greatest wealth producing area in the English speaking world the center of an exchange of people and goods between the British Isles the Gold Coast of West Africa and the New World By the early seventeenth century more than half a million enslaved men women and children had been transported to the island In A New World of Labor Simon P Newman argues that this exchange stimulated an entirely new system of bound labor Free and bound labor were defined and experienced by Britons and Africans across the British Atlantic world in quite different ways Connecting social developments in seventeenth century Britain with the British experience of slavery on the West African coast Newman demonstrates that the brutal white servant regime rather than the West African institution of slavery provided the most significant foundation for the violent system of racialized black slavery that developed in Barbados Class as much as race informed the creation of

plantation slavery in Barbados and throughout British America Enslaved Africans in Barbados were deployed in radically new ways in order to cultivate process and manufacture sugar on single integrated plantations This Barbadian system informed the development of racial slavery on Jamaica and other Caribbean islands as well as in South Carolina and then the Deep South of mainland British North America Drawing on British and West African precedents and then radically reshaping them Barbados planters invented a new world of labor *Strikes and Racketeering in the Kansas City Area* United States.
