## **Friendly Divorce Guidebook For New York:**

*Friendly Divorce Guidebook for New York* Susan Wendall Whicher, Steven L. Abel, M. Arden Hauer, 1997-02-01 A great how to book for people who want a fair divorce without all the hurt animosity and misconceptions usually associated with divorce proceedings Friendly Divorce Guidebook for New York will help you understand your options and emotions This book will help you through the decision making process the legal system negotiations separation finances paperwork and dealing with issues such as children homes and taxes Inside you will find checklists things to gather and do examples ways to divide your property tax information how to save money sample wording to create your Separation Agreement sample New York Court Forms And Instructions plus a complete set of Blumberg forms to file with the court All the things you need to plan a better future     Searching the Law - The States Francis R Doyle, 2022-11-14 This revised two volume set reproduces the easy to use logically organized format of Searching the Law for each of the 50 U S states Arranged by state and by topic within each state it features a complete list of all the legal research materials available for each state jurisdiction thousands of citations to the legal literature of each state materials applicable to more than one topic listed under each topic repeated listings under each state and topic where they apply and author title publisher format and the latest known supplement for each citation Searching the Law The States is the companion text to Searching the Law Together the sets form one of the most comprehensive logical legal reference sources available Published under the Transnational Publishers imprint The print edition is available as a set of two volumes 9781571052872     **Splitting Up** Alvin Pam, Judith Pearson, 1998-08-06 From the characterological struggle that leads to the breakup through the difficult adjustments that come after the marriage is over this volume examines the emotional process of divorce Illustrated throughout with evocative case examples this book explores why marriages fail the feelings and reactions of both the rejecting and the rejected partners the psychodynamics of jealousy the possibility of reconciliation and the impact of divorce on children     In The Best Interest Of The Child, A Manual for Divorcing Parents Baksh Nadir Psy. D., Laurie Elizabeth Murphy, 2013-02 This book is a manual for parents who are divorcing Written by a licensed clinical forensic psychologist and a Ph D nurse counselor its purpose is to help parents save their children unnecessary anguish throughout the divorce process The advice and direction contained here are eminently practical detailing what adults can expect from a custody battle what they will encounter in themselves and in their children emotionally physically mentally during divorce helping parents to make sense out of their children s questions offering guidance in making decisions for themselves and their kids and explaining the ultimate importance of putting the child s needs first What makes this book different and invaluable is that the authors refuse to take a sugar coated or willy nilly approach They have witnessed firsthand too much pain and suffering in families during divorce to hold back their strong direct words and warnings We are not afraid to take a stand they declare up front In fact we believe it is our duty to underscore the needs of your children so they don t get lost or disappear underneath legal paperwork While they fully

understand that adults do not set out to cause damage to their children they also know that any divorce if not handled properly will absolutely cause serious problems to children Such proper handling must include a strategically planned blueprint that maps out a child s need for emotional health and well being In *The Best Interest Of The Child* guides the divorcing adults in the drafting of such a blueprint Without it they plead your children s lives will quickly stagnate or suffocate in the mire and muck created by spousal mud slinging and attorney posturing The tone of the book while uncompromising also generates strong credibility for the author s words and easily inspires confidence in their readers Years of experience as therapists and family counselors allow the authors to present their material with authority sanity and genuine wisdom Topics covered include what to expect when you are divorcing the stress and fear that children take on the need for extra vigilance and care toward children softening or preventing the custody battle the hidden needs of children and dealing with an uncooperative spouse      *Handbook Of Family Therapy* Alan S.
