The Friendly Road: New Adventures in Contentment David Grayson, 2019-12-20 In *The Friendly Road New Adventures in Contentment* David Grayson embarks on a poignant journey exploring the theme of personal fulfillment and contentment in the face of modern life's complexities. Blending elements of memoir with philosophy, Grayson employs a lyrical prose style that evokes the pastoral beauty of his surroundings. The narrative is rich with observations on nature, human connections, and the search for deeper meaning, situating it within the early 20th-century movement that sought to counter urban industrialization with a return to simpler, more fulfilling lifestyles. David Grayson, the pen name of Ray Stannard Baker, was an influential American writer and journalist deeply invested in the themes of community and self-sufficiency. His experiences with the natural world and interactions with everyday people informed his perspective, which emphasizes the importance of genuine relationships and an authentic life. Grayson's background in journalism and his progressive ideas resonate throughout the text, offering readers a blend of insight and inspiration. This book is highly recommended for anyone seeking a tranquil, reflective read that encourages self-discovery and appreciation of life's simple pleasures. Grayson's thought-provoking narrative serves as both a guide and a comfort, reminding us of the richness found in everyday encounters and the importance of contentment in our chaotic world.

The Friendly Road. New Adventures in Contentment David Grayson, 1914 **The Friendly Road** Ray Stannard Baker, 1932 **The Friendly Road** David Grayson, 2015-05-01 It is eight o'clock of a sunny spring morning. I have been on the road for almost three hours. At five I left the town of Holt before six I had crossed the railroad at a place called Martin's Landing and an hour ago at seven I could see in the distance the spires of Nortontown. And all the morning as I came tramping along the fine country roads with my pack strap resting warmly on my shoulder and a song in my throat just nameless words to a nameless tune and all the birds singing and all the brooks bright under their little bridges I knew that I must soon step aside and put down if I could some faint impression of the feeling of this time and place I cannot hope to convey any adequate sense of it all of the feeling of lightness strength clearness I have as I sit here under this maple tree but I am going to write as long as ever I am happy at it and when I am no longer happy at it why here at my very hand lies the pleasant country road stretching away toward newer hills and richer scenes **Friendly Road** David Grayson, 1923 *The Friendly Road* David Grayson, 2017-11-23 Excerpt from *The Friendly Road New Adventures in Contentment* Until to day I have not really been quite clear in my own mind as to the step I have taken. My sober friend have you ever tried to do anything that the world at large considers not quite sensible not quite sane? Try it. It is easier to commit a thundering crime. A friend of mine delights in walking to town bareheaded and I fully believe the neighbourhood is more disquieted thereby than it would be if my friend came home drunken or failed to pay his debts.
