Something in the Walls Daisy Pearce, 2025-02-25 A Library Reads Pick Most Anticipated by Goodreads E News BookRiot and more Unbearably tense utterly propulsive and studded with folklore and horror *Something in the Walls* is perfect for anyone who loves *Midsommar* and *The Haunting of Hill House* Newly minted child psychologist Mina has little experience in a field where the first people called are experts she's been unable to get her feet wet Instead she aimlessly spends her days stuck in the stifling heat wave sweeping across Britain and anxiously contemplating her upcoming marriage to careful precise researcher Oscar The only reprieve from her small close world is attending the local bereavement group to mourn her brother's death from years ago That is until she meets journalist Sam Hunter at the grief group one day And he has a proposition for her Alice Webber is a thirteen year old girl who claims she's being haunted by a witch Living with her family in their crowded home in the remote village of Banathel Alice's symptoms are increasingly disturbing and money is tight Taking this job will give Mina some experience Sam will get the scoop of a lifetime and Alice will get better Mina is sure of it But instead of improving Alice's behavior becomes increasingly inexplicable and intense The town of Banathel has a deep history of superstition and witchcraft They believe there is evil in the world They believe there are ways of dealing with it And they don't expect outsiders to understand As Mina races to uncover the truth behind Alice's condition the dark cracks of Banathel begin to show Mina is desperate to understand how deep their sinister traditions go and how her own past may be the biggest threat of all Unexpected mesmerizing and totally original will keep you guessing until its wild end 1 International Bestselling author Darby Kane Harrowing and moving Pearce has written something magical There are scenes in this book I'll never forget Kristi DeMeester author of *Such a Pretty Smile* [Mascotte 2](#) ,2006 *Mascotte 2* delights in the fun and creative world of character design From the cute and funny to the weird and frankly disturbing see here what happens when you give a creative designer a pen and a few hours alone with their own imagination The results are sometimes beautiful sometimes entertaining and sometimes a little bit scary but all highly entertaining From America to France to Japan the latest in the weird and wonderful world of character design [Whitaker's Book List](#) ,1987 **The Missouri Home Guard** Petra DeWitt, 2022-12-26 Missouri was one of many states that established a defense organization to take over the duties of the National Guard that had been federalized for military service when the United States declared war on Germany in 1917 The tasks of this volunteer Home Guard included traditional National Guard responsibilities such as providing introductory military training for draftable men protecting crucial infrastructure from potential enemy activities and maintaining law and order during labor activism The Home Guard also functioned to preserve patriotism and reduce opposition to the war Service in the Guard was a way to show loyalty to one's country particularly for German Americans who were frequently under suspicion as untrustworthy Many German Americans in Missouri enthusiastically signed up to dispel any whispers of treason while others found themselves torn between the motherland and their new homeland Men too old or exempt from the draft

for other reasons found meaning in helping with the war effort through the Home Guard while also garnering respect from the community For similar reasons women attempted to join the organization as did African Americans some of whom formed units of a Negro Home Guard Informed by the dynamics of race gender and ethnicity DeWitt s consideration of this understudied but important organization examines the fluctuating definition of patriotism and the very real question of who did and who did not have the privilege of citizenship and acceptance in society *Whitaker's Cumulative Book List* ,1985 *Whitaker's Five-year Cumulative Book List* ,1968 **British Books in Print** ,1985 SMS Love n Laugh , Moore's *Rural New-Yorker* ,1911 **Scientific American** ,1846 Monthly magazine devoted to topics of general scientific interest **The Dial** Francis Fisher Browne,1903 **Spirit of the Times and the New York Sportsman** ,1864 **Life** John Ames Mitchell,1899 *National Petroleum News* ,1928 *Think Positively!* Erica Frydenberg,2010-03-03 Depression is experienced in epidemic proportions in many Western societies There is concern over the number of young people who are suffering sometimes to the extent of committing suicide This book will help prevent stress and depression by taking a positive approach to the promotion of health and wellbeing in young people giving them the skills to cope with the problems of everyday life Erica Frydenberg introduces the theory behind a cognitive behavioural approach to coping skills and offers a program of modules that can be used with young people to train them in coping skills The principle that underscores this program is that we can all do what we do better If we do not like how we cope in certain contexts we can learn new strategies It is possible to enhance one s coping if we have a framework within which to do so The program is universally applicable and can be taught in any group setting although instructors will be able to bring their own experience to adapt the sessions *The Christian Union* ,1871 **Popular Mechanics** ,1988-02 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle The Country Gentleman ,1905 *The Life of Samuel Johnson, LL.
