Frog Prince A Fairy Tale For Consenting Adults:

The Frog Prince Stephen Mitchell, 1999-08-26 *The Frog Prince* Stephen Mitchell, 1999 In this brilliant jewel of a book the best selling author of *Tao Te Ching A New English Version* expands and deepens the classic fairy tale in the most surprising and delightful ways giving new emphasis to its message of the transcendent power of love The *Frog Prince* tells the story of a meditative frog's love for a rebellious princess how she came to love him in spite of herself and how her refusal to compromise helped him become who he truly was This is a magical book that moves amphibiously from story to meditation and back from the outrageous to the philosophical to the silly to the sublime Profound touching written in prose as lively and unpredictable as a dream The *Frog Prince* tickles the mind opens the heart and holds up a mirror to the soul **Folktales Retold** Amie A. Dougherty, 2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with **Tales, Then and Now** Anna E. Altmann, Gail de Vos, 2001-10-15 Altmann and de Vos are back with more great ideas for exploring contemporary reworkings of classic folk and fairy tales that appeal to teen readers If you loved *New Tales for Old Libraries Unlimited* 1999 this new work will be sure to please Following the same format each story includes tale type numbers motifs and lists of reworkings arranged by genre and suggestions for classroom extensions **INSIDE Beauty and the Beast Jack and the Beanstalk Tam Lin Thomas the Rhymer and five fairy tales by Hans Christian Andersen** **Relentless Progress** Jack Zipes, 2013-02-01 Can fairy tales subvert consumerism Can fantasy and children's literature counter the homogenizing influence of globalization Can storytellers retain their authenticity in the age of consumerism These are some of the critical questions raised by Jack Zipes the celebrated scholar of fairy tales and children's literature In this book Zipes argues that despite a dangerous reconfiguration of children as consumers in the civilizing process children's literature fairy tales and storytelling possess a uniquely powerful even fantastic capacity to resist the relentless progress of negative trends in culture He also argues that these tales and stories may lose their power if they are too diluted by commercialism and merchandising Stories have been used for centuries as a way to teach children and adults how to see the world as well as their place within it In *Relentless Progress* Zipes looks at the surprising ways that stories have influenced people within contemporary culture

and vice versa Among the many topics explored here are the dumbing down of books for children the marketing of childhood the changing shape of feminist fairy tales and why American and British children aren't exposed to more non western fairy tales From picture books to graphic novels from children's films to video games from Grimm's fairy tales to the multimedia Harry Potter phenomenon Zipes demonstrates that while children's stories have changed greatly in recent years much about these stories have remained the same despite their contemporary high tech repackaging Relentless Progress offers remarkable insight into why classic folklore and fairy tales should remain an important part of the lives of children in today's digital culture

Why Fairy Tales Stick Jack Zipes, 2013-09-13 In his latest book fairy tales expert Jack Zipes explores the question of why some fairy tales work and others don't why the fairy tale is uniquely capable of getting under the skin of culture and staying there Why in other words fairy tales stick Long an advocate of the fairy tale as a serious genre with wide social and cultural ramifications Jack Zipes here makes his strongest case for the idea of the fairy tale not just as a collection of stories for children but a profoundly important genre Why Fairy Tales Stick contains two chapters on the history and theory of the genre followed by case studies of famous tales including Cinderella Snow White and Bluebeard followed by a summary chapter on the problematic nature of traditional storytelling in the twenty first century

Unwrapping Beloved's Gift, Co-Creating Soul's Song Isaura Barrera, 2019-04-10 I think the best way you could describe this text is as put it in the Introduction a meditative map I know for certain that I did not grasp everything and also that I could return to it over the years and read it again and again always finding something new or something that had before remained unseen due to my own place in my own unique spiritual journey Lauren Sapala writer blogger and coach One day unexpected and un hoped for the world we had thought irretrievably lost may be returned to us I Zaleski 2006 It began with reading John O Donohue's Anam Cara I remembered I had once known such a friend and reached out to reconnect Love opened the door hope kept it open and faith gave me the courage to walk through These words summarized my subsequent spiritual journey as I awakened to deep friendship with a human beloved as well as with Divine Beloved This book has two purposes to describe an inner spiritual journey inspired by deep friendship and to offer that description as a meditative map for others Isaura Barrera identifies five way stations that trace the path carved out by the song of love hope and faith evoked by her renewed friendship Each station is presented descriptively rather than prescriptively as an invitation to others on similar journeys Reflections at each station are linked to scriptural passages highlighting connections between deep friendship with a human beloved and deep friendship with Divine Beloved

Journal of Folklore Research ,2008-05 *The Erotic True Story of The Princess and The Frog* Cherie Wilde, Thorne moved toward the bed with predatory grace The candlelight played across the sculpted planes of his body casting dramatic shadows that emphasised every ridge of muscle every powerful line Lorelei's breath caught in her throat as he placed one knee on the silk sheets then the other the mattress dipping beneath his substantial weight His emerald eyes glowing with ancient hunger devoured the sight of her spread before him a royal feast

awaiting his pleasure Wider he commanded his voice a low rumble that seemed to vibrate through the very air His large hands settled on her inner thighs applying gentle but irresistible pressure Let me see what you ve prepared for me Lorelei obeyed without hesitation spreading her legs until the cool night air kissed her most intimate place The Erotic True Story of The Princess and the Frog is a sizzling no holds barred retelling of the classic fairy tale rewritten for those who crave their fantasy with a whole lot more heat When the beautiful and curious Princess Lorelei slips into a secluded forest pool for a naked swim she encounters Thorne a talking frog with a dark secret and a sinfully deep voice Intrigued Lorelei brings him back to her palace where she learns the shocking truth Thorne transforms into an impossibly handsome man each sunset And once the sun goes down Lorelei discovers just how powerful his appetites are and how eager she is to surrender to them Thorne is everything Lorelei has ever fantasised about dominant passionate and devastatingly well endowed Their forbidden trysts soon spiral into decadent nights of erotic debauchery joined by a pair of Lorelei s insatiable ladies in waiting But not all is pleasure and play Lorelei s jealous stepsister has her eye on Thorne and she s willing to do anything to steal him away This is not the bedtime story you remember The Erotic True Story of The Princess and the Frog is raw wicked and utterly unfiltered From Cherie Wilde author of The Erotic Adventures of Snow White The Erotic True Story of Beauty and the Beast and Pussy in Boots comes her most decadent fairy tale yet You ll never look at frogs or princesses the same way again
