Wolfe,1997 Folk Songs of Middle Tennessee is superior to most collections because Boswell cast a wide net in his collecting recording many items from people not usually thought of as folksingers and because unlike most collectors of his day he was equally skilled at music and lyric transcription W K McNeil The Ozark Folk Center This volume brings together for the first time more than one hundred traditional songs from Middle Tennessee a region that is synonymous in the popular mind with music but one that has been curiously neglected in folksong scholarship The songs presented here were originally collected in the late 1940s and early 1950s by George Boswell a distinguished scholar and field researcher who died in 1995 While living in Nashville Boswell scoured the city and surrounding counties for old ballads and folk songs Sometimes using a wire or tape recorder at other times employing a stenographer he visited numerous singers and transcribed the words and tunes to hundreds of songs Even after moving from Tennessee to assume a teaching position at the University of Mississippi Boswell continued to work on his collection annotating and comparing texts and publishing occasional samples In 1950 he noted that Tennessee virtually alone among southern states had no published collection of its folk songs That has remained the case until now The songs chosen for this book are presented with musical notation and extensive background notes including biographical data on the original informants many of whom were business and professional people and fascinating histories of each song A number of the songs are rare and previously uncollected others are local variants of long popular ballads The publication of this volume the first major collection of southern folk songs in many years is not only a testament to Boswell's scholarship but a marvelous contribution to our understanding of southern folk culture and Froggie Went A-courtin' ,1977 An animated version of the traditional folksong about a frog who marries a mouse **American Ballads and Folk Songs** Alan Lomax,1994-01-01 Music and lyrics for over 200 songs John Henry Goin Home Little Brown Jug Alabama Bound Ten Thousand Miles from Home Shack Bully Holler Black Betty The Hammer Song Bad Man Ballad Jesse James Down in the Valley The Bear in the Hill Shortenin Bread The Ballad of Davy Crockett and many more *Favorite Old-Time American Songs for Ukulele* Mark "Kailana" Nelson,2016-07-19 This book features over 100 traditional American folk songs newly arranged for the ukulele with chord diagrams and melody lines in tablature and standard notation This extensive collection makes Favorite Old Time American Songs for Ukulele a treasury of the best songs from the American tradition Nothing in this book is out of range for novice ukulele players The songs are in keys that are both easy to sing and that fit the melodic range of the ukulele Of course not every voice sings comfortably in every key so information on transposition and a short discussion for players of the baritone ukulele are included Although you do not need to read music or tablature to use this book short introductions to each are included In putting together this collection the author was inspired by the old American practice of making a sampler an endearing needlework design showing off various stitches and techniques The book presents a sampling of the
