Conventionally absolutism in early modern Europe has suggested unfettered autocracy and despotism the erosion of rights the centralisation of decision making the loss of liberty Everything in a word that was un British but characteristic of ancien regime France Recently historians have questioned such comfortably simplistic views This lively investigation of absolutism in action continent wide but centred on a detailed comparison of France and England dissolves the traditional picture to reveal a much more complex reality and in so doing illuminates the varied ways in which early modern Europe was governed      *From Absolutism to Revolution, 1648-1848. **Monsoon Revolution** Abdel Razzaq Takriti, 2013-08-15 The Dhufar revolution in Oman 1965 1976 was the longest running major armed struggle in the history of the Arabian Peninsula Britain's last classic colonial war in the region and one of the highlights of the Cold War in the Middle East Monsoon Revolution retrieves the political social and cultural history of that remarkable process Relying upon a wide range of untapped Arab and British archival and oral sources it revises the modern history of Oman by revealing the centrality of popular movements in shaping events and outcomes The ties that bound transnational anti colonial networks are explored and Dhufar is revealed to be an ideal vantage point from which to
