## **From Cobb To Catfish 128 Illustrated Stories From Baseball Digest:**

From Cobb to "Catfish" John Kuenster,1975-01-01      **501 Baseball Books Fans Must Read Before They Die** Ron Kaplan,2018-08-01 Propounding his small ball theory of sports literature George Plimpton proposed that the smaller the ball the more formidable the literature Of course he had the relatively small baseball in mind because its literature is formidable vast and varied instructive often wildly entertaining and occasionally brilliant From this bewildering array of baseball books Ron Kaplan has chosen 501 of the best making it easier for fans to find just the books to suit them or to know what they're missing From biography history fiction and instruction to books about ballparks business and rules anyone who loves to read about baseball will find in this book a companionable guide far more fun than a reference work has any right to be      *Our Team* Luke Epplin,2021-03-30 The riveting story of four men Larry Doby Bill Veeck Bob Feller and Satchel Paige whose improbable union on the Cleveland Indians in the late 1940s would shape the immediate postwar era of Major League Baseball and beyond In July 1947 not even three months after Jackie Robinson debuted on the Brooklyn Dodgers snapping the color line that had segregated Major League Baseball Larry Doby would follow in his footsteps on the Cleveland Indians Though Doby as the second Black player in the majors would struggle during his first summer in Cleveland his subsequent turnaround in 1948 from benchwarmer to superstar sparked one of the wildest and most meaningful seasons in baseball history In intimate absorbing detail Luke Epplin's *Our Team* traces the story of the integration of the Cleveland Indians and their quest for a World Series title through four key participants Bill Veeck an eccentric and visionary owner adept at exploding fireworks on and off the field Larry Doby a soft spoken hard hitting pioneer whose major league breakthrough shattered stereotypes that so much of white America held about Black ballplayers Bob Feller a pitching prodigy from the Iowa cornfields who set the template for the athlete as businessman and Satchel Paige a legendary pitcher from the Negro Leagues whose belated entry into the majors whipped baseball fans across the country into a frenzy Together as the backbone of a team that epitomized the postwar American spirit in all its hopes and contradictions these four men would captivate the nation by storming to the World Series all the while rewriting the rules of what was possible in sports      **The Fix Is In** Daniel E. Ginsburg,2004-03-22 On September 27 1865 gambler Kane McLoughlin paid William Wansley 100 to ensure that the Brooklyn Eckfords would beat the Mutuels of New York Wansley bribed Mutuels shortstop Tom Devyr and third baseman Ed Duffy to join the plot The result was a 23 11 win by the Eckfords in a game marked by passed balls and muffed easy flies Baseball was faced with its first gambling scandal This is a comprehensive account of gambling and game fixing scandals that have gripped the nation Attention is rightly focused on the best known incidents e.g. the Black Sox scandal and the Pete Rose case but the lesser known scandals are covered in depth as well Included are two chapters on game fixing scandals in the minor leagues      **Big Hair and Plastic Grass** Dan Epstein,2010-05-19 A wild pop culture history of baseball's most colorful and controversial decade the 70s A trove of nuggets many of us either never knew or

forgot The New York Times The Major Leagues witnessed more dramatic stories and changes in the 1970s than in any other era The American popular culture and counterculture collided head on with the national pastime rocking the once conservative sport to its very foundations Outspoken players embraced free agency openly advocated drug use and even swapped wives Controversial owners such as Charlie Finley Bill Veeck and Ted Turner introduced AstroTurf prime time World Series garish polyester uniforms and outlandish promotions such as Disco Demolition Night Hank Aaron and Lou Brock set new heights in power and speed while Reggie Jackson and Carlton Fisk emerged as October heroes and All Star characters like Mark The Bird Fidrych became pop icons For the millions of fans who grew up during this time and especially those who cared just as much about Oscar Gamble's afro as they did about his average Dan Epstein's Big Hair serves up a delicious Technicolor trip down memory lane

**Modern Coliseum** Benjamin D. Lisle, 2017-05-31 From the legendary Ebbets Field in the heart of Brooklyn to the amenity packed Houston Astrodome to the retro Oriole Park at Camden Yards stadiums have taken many shapes and served different purposes throughout the history of American sports culture In the early twentieth century a new generation of stadiums arrived located in the city center easily accessible to the public and offering affordable tickets that drew mixed crowds of men and women from different backgrounds But in the successive decades planners and architects turned sharply away from this approach In *Modern Coliseum* Benjamin D Lisle tracks changes in stadium design and culture since World War II These engineered marvels channeled postwar national ambitions while replacing aging ballparks typically embedded in dense urban settings They were stadiums designed for the affluent society brightly colored technologically expressive and geared to the car driving consumerist suburbanite The modern stadium thus redefined one of the city's more rambunctious and diverse public spaces *Modern Coliseum* offers a cultural history of this iconic but overlooked architectural form Lisle grounds his analysis in extensive research among the archives of teams owners architects and cities examining how design construction and operational choices were made Through this approach we see modernism on the ground as it was imagined designed built and experienced as both an architectural and a social phenomenon With Lisle's compelling analysis supplemented by over seventy five images documenting the transformation of the American stadium over time *Modern Coliseum* will be of interest to a variety of readers from urban and architectural historians to sports fans

*West Coast Review of Books*, 1974

*American Sportswriters and Writers on Sport* Richard Orodnenker, 2001 Focuses on nineteenth century sportswriters and certain writers born after 1930 Discusses the styles of sportswriting employed in the nineteenth and twentieth centuries Includes information on twentieth century authors who crossed over from serious literature to sportswriting as well as the history of sportswriting

*Bibliographie du sport* Ingrid Draayer, 1982-12

*American Book Publishing Record*, 1975

**Baseball Nicknames** James K. Skipper, 1992 The nicknames for over 3 600 players umpires managers owners broadcasters writers executives other officials and fans are included in this comprehensive reference work Each entry provides the given name of the individual nickname position years

played or associated with the game for nonplayers and origin of the nickname A separate section compiled by Brenda S Wilson lists players and nicknames for the All American Girls Baseball League An extensive name index completes the work

*Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1977      **National Union Catalog**,1973 Includes entries for maps and atlases      **The Publishers Weekly** ,1975      **Senior High School Library Catalog** Gary L.
