Knecht, 2023-05-31 The reputation of Francis I king of France 1515-47 has fluctuated over the centuries Acclaimed as noble and great in the sixteenth century he came to be unfairly denigrated under the Bourbon kings and the republic But in the twentieth century research based on archival material has restored his standing as one of the most important rulers of his age The present volume brings together seventeen articles by Robert Knecht published over several decades on particular aspects of the reign with three specially translated from French into English They examine the period in more depth than was possible in the author's 1994 biography of Francis I and include studies of the Concordat of 1516 with the papacy the Field of Cloth of Gold in 1520 the lit de justice of 1527 and the visit to France of the Emperor Charles V in 1540 Other articles consider the king's attitude to the Reformation his court his relations with Paris and visits to Aquitaine his patronage of architecture as demonstrated by his building of the chateau of Fontainebleau and his relations with his mother Louise of Savoy and sister Marguerite d'Angoulême The king's love of books and the political advice he received from scholars are also considered as well as the extent of his absolutism Two articles compare the English and French Reformations and the nobilities of the two countries The volume is intended as a contribution to the celebration of the 500th anniversary of Francis I's accession **Essays in Renaissance Thought and Letters**, 2015-07-14 *Essays in Renaissance Thought and Letters* is a volume dedicated to John Monfasani renowned scholar of Latin and Greek rhetoric and philosophy These essays range from Antiquity to the Enlightenment in genre from learned notes to editions

Moore,Andrew T. Walker,2016-06-01 Christian s should be known by what they are for not simply what they are against The Bible is unambiguously clear about marriage s definition and purpose So Christians are for marriage The Bible s witness on marriage doesn t allow for same sex marriage not because

the Bible gives attention to same sex marriage but because the biblical narrative on marriage doesn't conceive of same sex marriage as within the realm of possibility Yet many Christians live among neighbors and under law makers who disagree So what now Editors Russell Moore and Andrew T Walker of the Ethics and Religious Liberty Commission ERLC assemble leading voices to frame the issues with a gospel centered perspective The Gospel for Life series gives every believer a biblically saturated understanding of the most urgent issues facing our culture today because the gospel is for all of life **A**
