A Quality Of Light Richard Wagamese, 2011-02-11 My life as a Kane was lit in the Indigos Aquamarines and Magentas of a home built on quiet faith and prayer But Johnny changed all that Where I had stood transfixed by the gloss on the surface of living he called me forward from the pages of the books away from the blinders that faith can surreptitiously place upon your eyes and out into a world populated by those who live their lives in the shadow of necessary fictions *The Time and the Place* Naguib Mahfouz, 2016-06-15 Selected and translated by the distinguished scholar Denys Johnson Daivies these stories have all the celebrated and distinctive characters and qualities found in Mahfouz's novels The denizens of the dark narrow alleyways of Cairo who struggle to survive the poverty melancholy ruminations on death experiments with the supernatural and witty excursions into Cairene middle class life *Choose Grace* Loretta Engelhardt, 2013-05-02 What if a child given away at birth discovers that this very act would set her on the track for a grace filled life What if her journey was filled with discovery passion and a will to share the startling realization that we can move beyond Karma Now with her book *Choose Grace Why Now Is the Time* Loretta invites you to experience your own grace filled life and with her stories and insights she will show you the way She will show you how to move beyond the Law of Karma or the Cause and Effect paradigm to a life filled with love and productivity within the Laws of Grace You can experience this gift by recognizing and enforcing the Grace that is already present in your life and invoking grace and adopting the intentions and behaviors that uplift you to live within the higher organization of grace Living within the Laws of Grace Loretta knows is to experience love joy clarity power to manifest dimensionality synchronicity and freedom Grace is our birthright and choosing grace opens us to the challenge of living peaceful and purposeful love filled lives *Do You Hear in the Mountains... and Other Stories* Maïssa Bey, 2018-09-19 This new translation brings together two of Algerian author Maïssa Bey's important works for the first time in English *Do You Hear in the Mountains* is a compelling piece of autofiction in which three destinies meet dramatically on a train moving through France We meet an Algerian refugee whom we recognize as Bey herself She has escaped the civil war and cannot forget her father's commitment to independence nor his death under the torture of the French soldiers Sitting near her is a retired doctor whose military service in Algeria coincidentally took him to the same area at the time of that tragedy Their neighbor is a girl who would like to understand this past that is so painful to discuss The eleven diverse tales that follow presented under the title *Under the Jasmin at Night* exemplify some of Bey's recurring themes the Franco Algerian colonial legacy and the feminine condition Together these works provide an unforgettable picture of a turbulent history that reaches across generations and continents CARAF Caribbean and African Literature Translated from French **The Evolution of Mom** Alyce Manzo - Geanopulos, 2017-07-21 In a book that offers insight inspiration and wisdom to women in their journeys through motherhood Alyce Manzo Geanopulos utilizes personal stories that are both entertaining and anecdotal She embraces the idea that all mothers need to be loved accepted and encouraged

by each other The Evolution of Mom is a call to mothers to be grateful and realize their full potential *Power Speaking* Achim Nowak,2011-10-10 Integrating key concepts and ideas about public speaking into a clear step by step transformational method Power Speaking teaches emerging speakers how to grow the necessary skills and unleash their inner power Divided into proficiency levels mastering the basics making the connection and polishing the core this guide allows speakers to conquer public speaking systematically Readers start with the use of voice and body movements then move on to learn the use of personal stories intent listening and positioning or reframing a topic Allworth Press an imprint of Skyhorse Publishing publishes a broad range of books on the visual and performing arts with emphasis on the business of art Our titles cover subjects such as graphic design theater branding fine art photography interior design writing acting film how to start careers business and legal forms business practices and more While we don't aspire to publish a New York Times bestseller or a national bestseller we are deeply committed to quality books that help creative professionals succeed and thrive We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers

Boyd,2021-05-03 We call attention to the harsh reality that we are living in troubled times We are especially conscious of
climate change and COVID 19 We underline that these challenges impact all people In light of this reality we use ten primary
questions that all human beings ask consciously or unconsciously and then amplify each of the ten primary questions with
nine additional sub questions We then draw upon one of the great teachers of spiritual wisdom Buddha Moses Jesus
Muhammad etc with a brief quote and then write a short wisdom response to the question By wisdom we mean a body of
accumulated reflection about the character and meaning of life Spiritual wisdom suggests an outlook or attitude that enables
us to cope a deeper way of knowing and learning the art of living in rhythm with the soul We use the life experience of three
authors coming from different religious and cultural outlooks
