Reading Diversity through Canadian Picture Books Ingrid Johnston, Joyce Bainbridge, 2014-01-31 What is the value of picture books in educating a diverse society This collection of original essays explores how preservice teachers from faculties of education across Canada engage with issues of diversity and national identity as represented in children s picture books Based on research drawn from education courses and student teaching experiences the book illustrates new and culturally relevant approaches to curricula that meet the needs of increasingly diverse student bodies The volume focuses on picture books as a central body of texts drawing on recent reading theory and exploring the implications of bringing the works into school classrooms Together the essays offer a unique cross Canada perspective on how picture books can help students and teachers explore identities uncover personal and national histories and locate a sense of place

Home Words Mavis Reimer, 2008-03-18 The essays in Home Words explore the complexity of the idea of home through various theoretical lenses and groupings of texts One focus of this collection is the relation between the discourses of nation which often represent the nation as home and the discourses of home in children s literature which variously picture home as a dwelling family town or region psychological comfort and a place to start from and return to These essays consider the myriad ways in which discourses of home underwrite both children s and national literatures Home Words reconfigures the field of Canadian children s literature as it is usually represented by setting the study of English and French language texts side by side and by paying sustained attention to the diversity of work by Canadian writers for children including both Aboriginal peoples and racialized Canadians It builds on the literary histories bibliographical essays and biographical criticism that have dominated the scholarship to date and sets out to determine and establish new directions for the study of Canadian children s literature

Challenging Stories Anne Burke, Ingrid Johnston, Angela Ward, 2017-07-31 How can Canadian educators begin to instill cultural sensitivity and social awareness in elementary and secondary school students This vital text attempts to answer that question by bringing together literacy scholars and practicing teachers in a unique cross Canadian exploration of children s literature and social justice Through reflection on the experience of teaching with various Canadian texts including picture books novels and graphic novels the contributors behind Challenging Stories create a pedagogy of discomfort that will encourage both educators and their students to develop critical literacy skills The compelling contributions to this collection

highlight the complexities of teaching with texts that address issues of discrimination historical marginalization colonialism racial and gender intolerance sexual orientation language and cultural diversity The authors offer first hand insight into the possibilities and challenges of implementing curricular and pedagogical changes to promote equity and social justice in the classroom Featuring the stories of participating teachers and an annotated bibliography of children s literature this invaluable resource will prove to be essential reading for current and future educators **Canadian Books in Print 2002**
