A Little Book of Eternal Wisdom Henry Suso, **Four Views on Eternal Security** Zondervan, 2011-10-11 Does the Bible support the concept of once saved always saved or can a person lose his or her salvation Among the most hotly debated topics in the history of Christian theology has been the perseverance of the saints How do the Scriptures portray the complex interplay between grace and free will These and related questions are explored from different angles in this thought provoking

Eternal Security Proved! Phillip Evans,2008-04-30 Clear proof from the Bible that once you are saved by placing trust in Christ as your Savior you can never be lost again Difficult passages from Scripture are tackled head on and explained with clarity Do you sometimes doubt your salvation If you do then know that this is not a product of living by faith This is why the fear that you can lose your salvation is a hindrance to your Christian walk If the doctrine of unconditional security is true then to disbelieve it is to disbelieve God God has given us the truth in His Word It is up to us to know it and apply it so that we can live the victorious Christian life as our Lord and Savior Jesus Christ intends us to

Theologica, Volume 1 St Thomas Aquinas, 2013-01-01 The Summa Theologica is the best known work of Italian philosopher scholar and Dominican friar SAINT THOMAS AQUINAS 1225 1274 widely considered the Catholic Church's greatest theologian Famously consulted immediately after the Bible on religious questions at the Council of Trent Aquinas's masterpiece has been considered a summary of official Church philosophy ever since Aquinas considers approximately 10 000 questions on Church doctrine covering the roles and nature of God man and Jesus then lays out objections to Church teachings and systematically confronts each using Biblical verses theologians and philosophers to bolster his arguments In Volume I Aquinas addresses the existence and perfection of God the justice and mercy of God predestination the cause of evil the union of body and soul free will and fate and much more This massive work of scholarship spanning five volumes addresses just about every possible query or argument that any believer or atheist could have and remains essential more than seven hundred years after it was written for clergy religious historians and serious students of Catholic thought *The Catechism Explained* Francis Spirago, 1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man's high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord's teaching and may be called a guide book for the Christian on the road to heaven Preface *Ancient Texts And Mormonsim Discovering the Roots of the Eternal Gospel in Ancient Israel and the Primitive Church Volume 1 Third Revised and Enlarged Edition* Dr. Eugene Seaich, 2016-10-19 Showing that Mormonism is a genuine restoration of Primitive Christianity To demonstrate to Latter Day Saints that Mormonism is what it exactly what it claims to be a genuine restoration of the Gospel Mormonism is an genuine restoration of the Gospel as it was taught by disciples of the Primitive Church This is important because through out the world Mormonism is labeled as a non scriptural non Christian cult which departs in alarming in alarming ways from the traditional concepts of the bible The claim that Mormonism is a cult and not a Christian religion is based on the fact that Mormonism accepts none of the traditional creeds of orthodoxy The chief difficulty with this assessment is that so called orthodoxy never existed before the fourth or fifth centuries until the Church's original teachings had been radically altered by Greek informed metaphysical concepts bearing little relationship to the thought of the earliest Christians An Exposition Upon the Epistle of Jude William Jenkyn, 1863 **The Works of Saint Augustine: v. 1.
