Women, Work and Trade Unions Anne Munro, 2018-10-24 This study focuses on working class women catering and cleaning workers and the way their interests were presented in trade unions It argues that there is an institutional bias within trade unions which precludes the full representation of women s interests Based on empirical research into two trade unions in the National Health Service the book stresses the importance of how women s work is structured in order to investigate the role of trade unions in challenging or reproducing inequalities

Classes, Power and Conflict Anthony

Giddens, David Held, 1982-05-13 In recent years a remarkable range of new work has been produced dealing with class inequalities the division of labor and the state In these writings scholars previously working in isolation from one another in sociology economics political science and history have found common ground Much of this work has been influenced by Marxist theory but at the same time it has involved critiques of established Marxist views and incorporated ideas drawn from other sources These developments have until now not been reflected in existing course texts which are often diffusely concerned with social stratification and lack reference to contemporary theory *Classes Power and Conflict* breaks new ground in providing a comprehensive introduction to current debates and contemporary research In also connects these to the classical sources concentrating particularly on Marx Lenin and Weber The book therefore offers a comprehensive coverage of materials for students who have little or no prior acquaintance with the field Each section of the book contains a substantial introduction explaining and expanding on the themes of the selections contained within that section *Classes Power and Conflict* can be expected to become the standard text for courses in sociology and political science

Focal community profiles for Barotse Hub, Zambia Dierksmeier, B., Cole, S.M., Teoh, S.J., 2015-04-24 Baader-Meinhof and the Novel J. Preece, 2012-04-14 The Baader Meinhof Group and other violent underground organizations have provided material to many novels by leading German and international writers This book is the first to examine this rich literary corpus treating it as a political unconscious which expresses submerged anxieties and moral blind spots in Europe's most powerful country

Geography and Gender Women and Geography Study Group of the IBG, 2024-11-01 In the 1980s feminist geography offered a stimulating new approach to the subject providing fresh perspectives on traditional areas of the discipline Originally published in 1984 the authors of *Geography and Gender* members of the Women and Geography Study Group of the Institute of British Geographers compiled an introductory text with an accessible concise and jargon free style which engaged the reader's interest It challenged the current thinking about geographic research and teaching at the time and suggested important new directions The book opens with an introduction to feminist geography It then demonstrates how a feminist approach changes and improves our understanding of geographic processes and patterns Urban development and structure industrial location and spatial variations in employment access to facilities and processes of the developing world are re-examined from a feminist perspective Finally it discusses how a feminist approach can change the ways in which both teaching and research in geography are carried out Interest and research in feminist geography had been growing both in Britain and elsewhere but until now no introductory text had been available It will also be useful to anyone wanting a concise and authoritative introduction to feminist ideas and their application in the area of geography and planning Each chapter includes an annotated further reading list and topics for discussion Suggestions for individual or group project work keyed to topics discussed in the text are given in the final section

Exploring the Real World Industrial Organisation Annavajhula J C Bose, 2018-05-30 Showing familiarity with the enormous literature on subcontracting in manufacturing both

within and outside India and displaying ability to critically evaluate the literature this study does a commendable job in managing to collect very useful data for the study of a lead or parent firm and its ancillary units in the 1980s and thereby give a concrete flavor of the subcontracting relationship On the basis of the case study it is highlighted that the subcontracting relationship between the large parent firm and small ancillary firms is symbiotic for the takers of subcontracts and beneficial to the parent firm

Of Marriage and the Market Kate Young,Carol Wolkowitz,Roslyn McCullagh,2023-07-05 Despite the vast difference between first and third world societies the subordination of women to men seems to be a universal fact Originally published in 1984 the chapters in this book look specifically at the marital bond contract and locate the subordination of women in terms of that contract Others examine the development and expansion of market relations and show how that affects marital relations husbands control over wives men s over women

International Labour and the Third World Rosalind E. Boyd,Robin Cohen,Peter C. W. Gutkind,2023-08-11 Originally published in 1987 this book focusses on the debate around the international role of the working class and other dominated classes such as the rural and urban poor The contributions discuss whether Marx s original version of the revolutionary role of workers can still be sustained They examine the response of workers to the globalisation of production to structural unemployment in the industrialized world and to the changing composition of the workforce in the industrialising periphery The volume questions the historic starting points in the theorization of international labour
