time All of the victims were killed in public yet the killer does not show up on any security feed And each victim has a string of numbers tattooed on their wrist Hidden in the numbers is a code and the closer the Naturals come to unraveling the mystery the more perilous the case becomes In *Bad Blood* Cassie is reeling with the truth about her mother's murder Everything Cassie thought she knew about what happened that night her mother was killed been called into question Her mother is alive and the people holding her captive are more powerful and dangerous than anything the Naturals have faced so far As Cassie and the team work to uncover the secrets of a group that has been killing in secret for generations they find themselves racing a ticking clock And when the bodies begin piling up it soon becomes apparent that this time the Naturals aren't just hunting serial killers They're being hunted In the novella *Twelve* Cassie is now twenty three years old and she and her fellow Naturals have taken over running the program that taught them everything they know As a unit they're responsible for identifying new Naturals and solving particularly impossible cases When their latest case brings back a ghost from their past Cassie and the other Naturals find themselves racing against the clock and reliving their own childhood traumas In a small coastal town in Maine there has been a rash of teen suicides or at least that's what the police believe Enter the Naturals

**Barely: A Stepbrother Story** Aflyingwhale, 2025-02-09 I can feel it he said with his back still turned to me What You eye rap ng me he chuckled and turned around Don't you own a shirt I rolled my eyes at him trying to keep my cool And why are you calling me out here for Ryder smirked He cleaned his hands with a towel and tossed it off somewhere To pick up where we left off he said as he stalked towards me What happens when a girl falls in love with the one person she's not supposed to You and me and never us a complicated series of almost interactions It's the summer before college and Kara is forced to spend the holidays with her new family Little does she know a lot can happen in one hot summer The moment Kara lays her eyes on Ryder she knows she's a goner She has never met anyone as sexy fun and liberating But she's made a promise that she won't give herself away before marriage The moment Ryder lays his eyes on Kara he knows his life wouldn't be the same again He has never met a girl so pure and genuine He's made it his life mission to be with her for better or for worse If God is love you're my religion Sometimes we can't choose who we fall in love with Kara and Ryder's love for one another is the kind of love that only comes once in a blue moon but unfortunately they can never be anything more than a brother and sister All that love yet it is barely anything at all
