From A Tramps Wallet A Life Of Douglas William Freshfield:

From a Tramp's Wallet Hervey Fisher, 2001 The Lost Men Kelly Tyler-Lewis, 2007-03-27 The untold story of the last odyssey of the heroic age of Antarctic exploration Sir Ernest Shackleton's 1914 Antarctic endeavor is legend but for sheer heroism and tragic nobility nothing compares to the saga of the Ross Sea party This crew of explorers landed on the opposite side of Antarctica from the Endurance with a mission to build supply depots for Shackleton's planned crossing of the continent But their ship disappeared in a gale leaving ten inexperienced ill equipped men to trek 1 356 miles in the harshest environment on earth Drawing on the men's own journals and photographs *The Lost Men* is a masterpiece of historical adventure a book destined to be a classic in the vein of *Into Thin Air* *The Correspondence and Journals of the Thackeray Family Vol 4* John Aplin, 2024-10-28 Marking the bicentenary of the birth of William Makepeace Thackeray in 1811 this five volume set presents a collection of materials relating to the novelist and to his gifted family *The Correspondence and Journals of the Thackeray Family Vol 3* John Aplin, 2024-08-07 Marking the bicentenary of the birth of William Makepeace Thackeray in 1811 this five volume set presents a collection of materials relating to the novelist and to his gifted family

"The Inheritance of Genius, (Thackeray Vol 1)" John Aplin, 2010-07-29 This book the first of two volumes anticipating the bicentenary of the birth of William Makepeace Thackeray in 1811 details not only the author's life but also the cosmopolitan and literary worlds inhabited by his two daughters Minny and Annie When Thackeray died in 1863 the two sisters were forced to find their own way forward Minny would marry Leslie Stephen later father of Virginia Woolf and die at only thirty five Annie encouraged in early years by her father would herself emerge as a successful novelist though one always living albeit willingly within her father's shadow Drawing continuously on the letters diaries journals and notebooks of the Thackerays and their circle Aplin sheds light on this remarkable man's family and the effect that his life death and legacy had on those closest to him The book will appeal not just to those interested in Thackeray and the Victorians but also to readers of biography women's studies and memoirs and to followers of Virginia Woolf and Bloomsbury Memory and Legacy (Thackeray Vol 2) John Aplin, 2011-01-27 This is a domestic biography of the Thackeray family placing the writer in the context of his home life The story continues long after his death to trace the later lives of his two daughters Anne Isabella and Harriet Marian and their marriages His elder daughter Annie in particular took responsibility for guarding and shaping her father's legacy The source material is not Thackeray's books so much as his own more intimate papers his letters and the correspondence and journals of his mother and daughters The book will appeal not just to those interested in Thackeray and the Victorians but to the general reader of biography to those interested in women's studies life writing and to followers of the family of Virginia Woolf **Let Our Fame Be Great** Oliver Bullough, 2010-08-03 The jagged peaks of the Caucasus Mountains have hosted a rich history of diverse nations valuable trade and incessant warfare But today the region is best known for atrocities in Chechnya and the 2008 war between Russia and Georgia In *Let Our Fame Be Great* journalist and

Russian expert Oliver Bullough explores the fascinating cultural crossroads of the Caucasus where Europe Asia and the Middle East intersect Traveling through its history Bullough tracks down the nations dispersed by the region s last two hundred years of brutal warfare Filled with a compelling mix of archival research and oral history Let Our Fame Be Great recounts the tenacious survival of peoples who have been relentlessly invaded and persecuted and yet woefully overlooked

Liberal Worlds H. S. Jones,2025-11-18 The intellectual biography of a Victorian Liberal polymath James Bryce 1838 1922 was a leading figure in Britain s Liberal Party and a distinguished historian a versatile scholar politician who moved seamlessly between academia and politics He was among many other things a cabinet minister and a popular ambassador an expert on American politics and on Roman law an advocate for the Armenian people and an architect of the League of Nations a world traveller and a climber of Mount Ararat In Liberal Worlds Stuart Jones offers an intellectual biography of Bryce tracing a Scots Ulster Presbyterian s assimilation to the increasingly multiconfessional Victorian state and a late Victorian Liberal s encounter with the wider world Jones shows how a polymathic intelligence grappled with a dizzyingly wide range of concerns and issues including the challenges of democracy and race relations the rise of modern universities and the reconstruction of the international order after World War I In mapping the evolution of Bryce s thought Liberal Worlds illuminates the international intellectual networks and the many places across the globe that shaped his thinking Jones considers for example why a man who had a lifelong revulsion against slavery seemed to accept racial segregation in the American South how a vigorous activist for girls and women s education became a tenacious parliamentary critic of women s suffrage and why over the objections of his Ulster Presbyterian family he backed Irish home rule Above all Jones rescues Bryce immensely influential in his time now little remembered from being consigned to a historical pigeonhole restoring him to the centre of late nineteenth and early twentieth century debates over the nature of democratic politics

Well Met! Friends and Travelling Companions of Rev. Thomas Bowles David Kennedy,2023-05-04 This volume follows Rev Thomas Bowles on his travels from Sri Lanka to Egypt and the Levant His travel journals record the places seen and the often harsh travel conditions Bowles notes are amplified by chapters offering additional context and biographies for the broad cross section of fascinating people encountered along the way **Oxford Dictionary of National Biography:**

Flattisbury-Freston Henry Colin Gray Matthew,Brian Harrison,2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002 The Dictionary of Nineteenth-century British

Scientists Bernard V. Lightman,2004 **Annual Bibliography of British and Irish History** ,2002 **Current contents Arts and Humanities** ,2002 **General Catalogue of Printed Books** British Museum. Department of Printed Books,1961

General Catalogue of Printed Books British Museum. Dept. of Printed Books,1961 **Geographers** Geoffrey Martin,2015-12-14 Geographers is an annual collection of studies on individuals who have made major contributions to the development of geography and geographical thought Subjects are drawn from all periods and from all parts of the world and

include famous names as well as those less well known including explorers independent thinkers and scholars Each paper describes the geographer s education life and work and discusses their influence and spread of academic ideas Each study includes a select bibliography and a brief chronology The work includes a general index and a cumulative index of geographers listed in volumes published to date Published under the auspices of the International Geographical Union

The British National Bibliography Arthur James Wells,2002 **Appalachia** ,1935 **Mountaineering and Its Literature** Jill Neate,1980 Few areas of human endeavor and adventure have such an extensive literature as does mountaineering perhaps because the activity itself is so diverse ranging from gymnastic feats of modern rock climbers through alpinism to Himalayan conquests and exploration Even before Edward Whymper climbed the Matterhorn in 1865 and wrote the celebrated Scrambles in the Alps mountaineers had felt compelled to record their adventures and their sense of wonder at the mountain world In recent years the literature has expanded considerably to account for the phenomenal growth of mountain activities Expeditions are now commonplace and the great mountain ranges are no longer beyond the reach of the average climber This extensive bibliography describes works on mountaineering published in the English language since 1744 But it s far more than a dry catalog of books as author Neate gives notes which help the reader assess as book s reliability and significance An indispensable reference for the active climber would be explorer and bibliophile alike

The Times Index ,2002 Indexes the Times and its supplements

When somebody should go to the ebook stores, search creation by shop, shelf by shelf, it is in point of fact problematic. This is why we present the book compilations in this website.
