Colonial American Farmers

From British Peasants To Colonial American Farmers

Paul B. Moyer

From British Peasants To Colonial American Farmers:

From British Peasants to Colonial American Farmers Allan Kulikoff, 2000 With this book Allan Kulikoff offers a sweeping new interpretation of the origins and development of the small farm economy in Britain's mainland American colonies

Examining the lives of farmers and their families he tells the story of immigration to t **From British Peasants to Colonial American Farmers** Allan Kulikoff, 2014-02-01 With this book Allan Kulikoff offers a sweeping new interpretation of the origins and development of the small farm economy in Britain's mainland American colonies Examining the lives of farmers and their families he tells the story of immigration to the colonies traces patterns of settlement analyzes the growth of markets and assesses the impact of the Revolution on small farm society Beginning with the dispossession of the peasantry in early modern England Kulikoff follows the immigrants across the Atlantic to explore how they reacted to a hostile new environment and its Indian inhabitants He discusses how colonists secured land built farms and bequeathed those farms to their children Emphasizing commodity markets in early America Kulikoff shows that without British demand for the colonists' crops settlement could not have begun at all Most important he explores the destruction caused during the American Revolution showing how the war thrust farmers into subsistence production and how they only gradually regained their prewar prosperity

The American Farmer in the Eighteenth Century Richard L. Bushman, 2018-05-22 An illuminating study of America's agricultural society during the Colonial Revolutionary and Founding eras In the eighteenth century three quarters of Americans made their living from farms This authoritative history explores the lives cultures and societies of America's farmers from colonial times through the founding of the nation Noted historian Richard Bushman explains how all farmers sought to provision themselves while still actively engaged in trade making both subsistence and commerce vital to farm economies of all sizes The book describes the tragic effects on the native population of farmers' efforts to provide farms for their children and examines how climate created the divide between the free North and the slave South Bushman also traces midcentury rural violence back to the century's population explosion An engaging work of historical scholarship the book draws on a wealth of diaries letters and other writings including the farm papers of Thomas Jefferson and George Washington to open a window on the men women and children who worked the land in early America **A**

Post-Exceptionalist Perspective on Early American History Carroll P. Kakel III, 2019-08-16 This book argues that early American history is best understood as the story of a settler colonial supplanting society a society intent on a vast land grab of American Indian space and driven by a logic of elimination and a genocidal imperative to rid the new white settler living space of its existing Indigenous inhabitants Challenging the still strongly held notion of American history as somehow exceptional or unique it locates the history of the United States and its colonial antecedents as a central part of rather than an exception to the emerging global histories of imperialism colonialism and genocide It also explores early American history in an imperial transnational and global frame showing how the precedent of the North American West and its colonial trope

of Indian wars were used by like minded American and European expansionists to inspire and legitimate other imperial colonial adventures from the late nineteenth through the mid twentieth centuries

The American West and the Nazi East C. Kakel, 2011-07-12 By employing new optics and a comparative approach this book helps us recognize the unexpected and unsettling connections between America's western empire and Nazi Germany's eastern empire linking histories previously thought of as totally unrelated and leading readers towards a deep revisioning of the American West and the Nazi East

The Atlantic World Willem Klooster, Alfred Padula, 2018-09-03 *The Atlantic World* Essays on Slavery Migration and Imagination brings together ten original essays that explore the many connections between the Old and New Worlds in the early modern period Divided into five sets of paired essays it examines the role of specific port cities in Atlantic history aspects of European migration the African dimension and the ways in which the Atlantic world has been imagined This second edition has been updated and expanded to contain two new chapters on revolutions and abolition which discuss the ways in which two of the main pillars of the Atlantic world empire and slavery met their end Both essays underscore the importance of the Caribbean in the profound transformation of the Atlantic world in the late eighteenth and early nineteenth centuries This edition also includes a revised introduction that incorporates recent literature providing students with references to the key historiographical debates and pointers of where the field is moving to inspire their own research Supported further by a range of maps and illustrations *The Atlantic World* Essays on Slavery Migration and Imagination is the ideal book for students of Atlantic History

The British Gentry, the Southern Planter, and the Northern Family Farmer James L. Huston, 2015-05-04 JAMES L. HUSTON is professor of history at Oklahoma State University and the author of *The Panic of 1857* and *The Coming of the Civil War* *Securing the Fruits of Labor* *The American Concept of Wealth Distribution 1765-1900* *Calculating the Value of the Union* *Slavery Property Rights and the Economic Origins of the Civil War* and *Stephen A. Douglas and the Dilemmas of Democratic Equality*

The Way of Improvement Leads Home John Fea, 2013-04-18 *The Way of Improvement Leads Home* traces the short but fascinating life of Philip Vickers Fithian one of the most prolific diarists in early America Born to Presbyterian grain growers in rural New Jersey he was never quite satisfied with the agricultural life he seemed destined to inherit Fithian longed for something more to improve himself in a revolutionary world that was making upward mobility possible While Fithian is best known for the diary that he wrote in 1773-74 while working as a tutor at Nomini Hall the Virginia plantation of Robert Carter this first full biography moves beyond his experience in the Old Dominion to examine his inner life his experience in the early American backcountry his love affair with Elizabeth Beatty and his role as a Revolutionary War chaplain From the villages of New Jersey Fithian was able to participate indirectly in the eighteenth century republic of letters a transatlantic intellectual community sustained through sociability print and the pursuit of mutual improvement The republic of letters was above all else a rational republic with little tolerance for those unable to rid themselves of parochial passions Participation required a commitment to self improvement that demanded a

belief in the Enlightenment values of human potential and social progress Although Fithian was deeply committed to these values he constantly struggled to reconcile his quest for a cosmopolitan life with his love of home As John Fea argues it was the people the religious culture and the very landscape of his native sod that continued to hold Fithian s affections and enabled him to live a life worthy of a man of letters

Consumers in the Bush Douglas McCalla,2015-03-01 General stores are essential to the image of a colonial village Many historians however still base their stories of settlement on the notion of rural self sufficiency begging the question if general stores were so common who were their customers To answer this Consumers in the Bush draws on the account books of country stores rich evidence that has rarely been used Douglas McCalla considers more than 30 000 transactions on the accounts of 750 families at seven Upper Canadian stores between 1808 and 1861 These customers were typical of rural society farmers artisans labourers and often women At village stores they found a wide variety of products most imported from Britain a few from the United States and a surprising number that were produced locally Three chapters focus on the major product categories of dry goods groceries and hardware a fourth considers local products and a fifth addresses a variety of items from household goods to footwear to school books In telling us about the goods colonists bought this book explores what they were used for and the stories they allow us to tell about rural lives and experience By seeing rural Upper Canadians as consumers Consumers in the Bush reveals them as full participants in the rapidly changing nineteenth century global world of goods

Beyond the Farm J. M. Opal,2013-04-19 During the first half century of American independence a fundamental change in the meaning and morality of ambition emerged in American culture Long stigmatized as a dangerous passion that led people to pursue fame at the expense of duty ambition also raised concerns among American Revolutionaries who espoused self sacrifice After the ratification of the U S Constitution and the creation of the federal republic in 1789 however a new ethos of nation making took hold in which ambition properly cultivated could rescue talent and virtue from the parochial needs of the family farm Rather than an apology for an emerging market culture of material desire and commercial dealing ambition became a civic project a concerted reply to the localism of provincial life By thus attaching itself to the national self image during the early years of the Republic before the wrenching upheavals of the Industrial Revolution ambitious striving achieved a cultural dominance that future generations took for granted Beyond the Farm not only describes this transformation as a national effort but also explores it as a personal journey Centered on the lives of six aspiring men from the New England countryside the book follows them from youthful days full of hope and unrest to eventual careers marked by surprising success and crushing failure Along the way J M Opal recovers such intimate dramas as a young man s abandonment by his self made parents a village printer s dreams of small town fame and a headstrong boy s efforts to both surpass and honor his family By relating the vast abstractions of nation and ambition to the everyday milieus of home work and school Beyond the Farm reconsiders the roots of American individualism in vivid detail and moral complexity

Hard Neighbors Colin G Calloway,John Kimble

Jr 1943 Professor of History and Professor of Native American and Indigenous Studies Colin G Calloway,2024-12-02 Colin Calloway offers an intricate portrait of the early American settlers who came to be known as Scotch Irish from their origins on borderlands on one side of the Atlantic to their crucial part in conquering borderlands on the other Hard neighbors as they were called the Scotch Irish were the tip of the spear of white colonial expansion into Indian lands earning a reputation first as Indian killers and then as embodiments of the American pioneer spirit Selling America Christina A. Ziegler-McPherson,2017-02-16 An in depth look at the motivations behind immigration to America from 1607 to 1914 including what attracted people to America who was trying to attract them and why Between 1820 and 1920 more than 33 million Europeans immigrated to the United States seeking the American Dream an image of America as a land of opportunity and upward mobility sold to them by state governments railroads religious and philanthropic groups and other boosters But Christina A Ziegler McPherson shows that the desire to make and keep America a white man s country meant that only Northern Europeans would be recruited as settlers and future citizens while Africans Asians and other non whites would either be grudgingly tolerated as slaves or guest workers or be excluded entirely This book reframes immigration policy as an extension of American labor policy and connects the removal of American Indians from their lands to the settlement of European immigrants across the North American continent Ziegler McPherson contends that western and midwestern states with large American Indian Asian or Mexican populations developed aggressive policies to promote immigration from Europe to help displace those peoples while Southern states sought to reduce their dependency upon Black labor by doing the same Chapters highlight the promotional policies and migration demographics for each region of the United States **Wild Yankees** Paul B. Moyer,2011-05-02 Northeast Pennsylvania s Wyoming Valley was truly a dark and bloody ground the site of murders massacres and pitched battles The valley s turbulent history was the product of a bitter contest over property and power known as the Wyoming controversy This dispute which raged between the mid eighteenth and early nineteenth centuries intersected with conflicts between whites and native peoples over land a jurisdictional contest between Pennsylvania and Connecticut violent contention over property among settlers and land speculators and the social tumult of the American Revolution In its later stages the controversy pitted Pennsylvania and its settlers and speculators against Wild Yankees frontier insurgents from New England who contested the state s authority and soil rights In Wild Yankees Paul B Moyer argues that a struggle for personal independence waged by thousands of ordinary settlers lay at the root of conflict in northeast Pennsylvania and across the revolutionary era frontier The concept and pursuit of independence was not limited to actual war or high politics it also resonated with ordinary people such as the Wild Yankees who pursued their own struggles for autonomy This battle for independence drew settlers into contention with native peoples wealthy speculators governments and each other over land the shape of America s postindependence social order and the meaning of the Revolution With vivid descriptions of the various levels of this conflict Moyer shows that the Wyoming controversy

illuminates settlement the daily lives of settlers and agrarian unrest along the early American frontier **Why We Left** Joanna Brooks, 2013-05-01 A grounded tender and mournful reckoning with the catastrophes that launched poor white Anglos into their role as itinerant foot soldiers for modern imperialism now in paperback with a new preface Joanna Brooks's ancestors were among the early waves of emigrants to leave England for North America For generations they lived hardscrabble lives eking out subsistence in one place after another as they continually moved west in search of a better life Why Brooks wondered did her people and countless other poor English subjects abandon their homeland for such unrelenting hardship The question leads her on a journey through an obscure dimension of American history Why We Left reveals the violence and dislocation that propelled seventeenth and eighteenth century working class English emigration presenting a powerful restorying of how we arrived at our present moment of precarity and rootlessness Following American folk ballads back across the Atlantic to find histories of economic displacement environmental destruction and social betrayal at the heart of the early Anglo American migrant experience Brooks offers a scholarly and personal account of the intergenerational traumas that shape the history of white Anglos on Turtle Island She shares folk ballads such as Edward which reveals the influence of deforestation on the dislocation of early Anglo American peasant immigrants and The House Carpenter's Wife which emphasizes the impact of economic instability and the colonial enterprise on women From these ballads tragic and heartrending Brooks uncovers an archaeology of the worldviews of America's earliest immigrants This tenth anniversary edition includes a new preface and develops a haunting historical perspective on the ancestors we thought we knew **Encyclopedia of U.S. Political History** Andrew Whitmore Robertson, 2010 Annotation st1 behavior url ieooui Unparalleled coverage of U S political development through a unique chronological framework Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader's understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader's guide for easy topic searching across volumes Maps photographs and tables enhance

VOLUME 3 Expansion Division and Reconstruction 1841 1877

Volume Editor William Shade Lehigh University emeritus This volume examines three decades in the middle of the nineteenth century which witnessed the emergence of the debate over slavery in the territories which eventually led to the Civil War the military conflict itself from 1861 until 1865 and the process of Reconstruction which ended with the readmission of all of the former Confederate States to the Union and the withdrawal of the last occupying federal troops from those states in 1877

VOLUME 4 From the Gilded Age through the Age of Reform 1878 1920 Volume Editor Robert Johnston University of Illinois at Chicago With the withdrawal of federal soldiers from Southern states the previous year 1878 marked a new focus in American politics and it became recognizably modern within the next 40 years This volume focuses on race and politics economics labor and capitalism agrarian politics and populism national politics progressivism foreign affairs World War I and the end of the progressive era

VOLUME 5 Prosperity Depression and War 1921 1945 Volume Editor Robert Zieger University of Florida Between 1921 and 1945 the U S political system exhibited significant patterns of both continuity and change in a turbulent time marked by racist conflicts the Great Depression and World War II The main topics covered in this volume are declining party identification the Roosevelt Coalition evolving party organization congressional inertia in the 1920s the New Deal Congress during World War II the growth of the federal government Franklin D Roosevelt s presidency the Supreme Court s conservative traditions and a new judicial outlook

VOLUME 6 Postwar Consensus to Social Unrest 1946 1975 Volume Editor Thomas Langston Tulane University This volume examines the postwar era with the consolidation of the New Deal the onset of the Cold War and the Korean War It then moves into the 1950s and early 1960s and discusses the Vietnam war the era of John F Kennedy the Cuban Missile Crisis the Civil Rights Act Martin Luther King and the Voting Rights Act antiwar movements The War Powers Act environmental policy the Equal Rights Amendment Roe v Wade Watergate and the end of the Vietnam War

VOLUME 7 The Clash of Conservatism and Liberalism 1976 to present Volume Editor Richard Valelly Swarthmore College The troubled Carter Administration 1977 1980 proved to be the political gateway for the resurgence of a more ideologically conservative Republican party led by a popular president Ronald Reagan The last volume of the Encyclopedia covers politics and national institutions in a polarized era of nationally competitive party politics and programmatic debates about taxes social policy and the size of national government It also considers the mixed blessing of the change in superpower international competition associated with the end of the Cold War Stateless terrorism symbolized by the 9 11 attacks the continuing American tradition of civil liberties and the broad change in social diversity wrought by immigration and the impact in this period of the rights revolutions are also covered

World of Toil and Strife
Peter N. Moore, 2007 A case study in Upcountry community development in the colonial and early republic era *Slavery in the Development of the Americas* David Eltis, Frank D. Lewis, Kenneth L. Sokoloff, 2004-03-29 Slavery in the Development of the Americas brings together work from leading historians and economic historians of slavery The essays cover various aspects of slavery and the role of slavery in the development of the southern United States Brazil Cuba the French and Dutch

Caribbean and elsewhere in the Americas Some essays explore the emergence of the slave system and others provide important insights about the operation of specific slave economics There are reviews of slave markets and prices and discussions of the efficiency and distributional aspects of slavery Perspectives are brought on the transition from slavery and subsequent adjustments and the volume contains the work of prominent scholars many of whom have been pioneers in the study of slavery in the Americas

The Brave New World Peter Charles Hoffer, 2007-01-19 The distinguished historian does a remarkable job with this lively and comprehensive textbook now in a new expanded edition Daniel P Kotzin Teaching History The Brave New World covers the span of early American history from 30 000 years before Europeans ever landed on North American shores to creation of the new nation With its exploration of the places and peoples of early America this volume brings together the most recent scholarship on the colonial and revolutionary eras Native Americans slavery politics war and the daily lives of ordinary people The revised enlarged edition includes a new chapter carrying the story through the American Revolution the War for Independence and the creation of the Confederation Additional material on the frontier the Southwest and the Caribbean the slave trade religion science and technology and ecology broadens the text and maps drawn especially for this edition will enable readers to follow the story more closely The bibliographical essay one of the most admired features of the first edition has been expanded and brought up to date Peter Charles Hoffer combines the Atlantic Rim scholarship with a Continental perspective illuminating early America from all angles from its first settlers to the Spanish Century from African slavery to the Salem witchcraft cases from prayer and drinking practices to the development of complex economies from the colonies fight for freedom to an infant nation s struggle for political and economic legitimacy Wide ranging in scope inclusive in content the revised edition of The Brave New World continues to provide professors students and historians with an engaging and accessible history of early North America

Instrumental in War Steven Walton, 2005-05-01 Scientific research and instrumentation are crucial for military action today but they have not always been so This collection investigates 500 years of the relationship between warfare research and instruments both physical and intellectual to understand this interaction With U S English and French examples contributors provide examples from army and naval history to show how governments and individuals made warfare scientific developing instruments stations and organizations that furthered the cause Some developments directly aided war efforts others were parts of normal science in peacetime and others were relatively ineffective in directly bringing about military change These developmental histories shed light on the origins of modern scientific warfare Contributors Steven A Walton William A Lynch Jamel Ostwald Seymour H Mauskopf James R Fleming Gerard P Scharfenberger William M McBride David Alan Grier Sebastien Soubiran Kenton Kroker Deborah J Warner Peter Galison

From British Peasants To Colonial American Farmers Introduction

In the digital age, access to information has become easier than ever before. The ability to download From British Peasants To Colonial American Farmers has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download From British Peasants To Colonial American Farmers has opened up a world of possibilities. Downloading From British Peasants To Colonial American Farmers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading From British Peasants To Colonial American Farmers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download From British Peasants To Colonial American Farmers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading From British Peasants To Colonial American Farmers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading From British Peasants To Colonial American Farmers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download From British Peasants To Colonial American Farmers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About From British Peasants To Colonial American Farmers Books
