Make Someone Happy Hank Fielder,2016-10-26 Massage therapist Joe Wells is in a little over his head with his first job at the posh Magic Touch Sports Spa He s also secretly falling for his friendly sexy coworker the top notch masseur Andre Swift All the clients clamor for Andre and so far none have taken to Joe On the verge of being fired Joe saves the life of a mysterious kitten belonging to a white witch who grants him a wish a magic touch that could save his job and maybe even win him Andre s love and respect As Joe s stock at the spa rises to crazy and barely manageable levels of success demand for Andre s services drops off Will Joe lose Andre to an out of control spell Or worse Andre s love might prove to be only a result of the magic just like Joe s sudden talent

Happy Valley College Dick Carlsen,2007-07-25 Happy Valley College will resonate with baby boomers that attended college during the Vietnam War and that dealt with the angst uncertainties and challenges emanating from that crazy period in time It is at once a feel good story about college life in the 60 s ala Animal House and some of the cynicism of The Catcher in the Rye but with a strong undercurrent of the Vietnam War and the emotions of a college student dealing with the military draft College adventures are juxtaposed with war horrors of death and amputation The reader will remember Dave Pedersen for his wealth and breadth of

college and growing up experiences and for the pain frustration and anxiety while wrestling with options to meet his military service obligation in a way that preserves his relationship with a fellow college coed Happy Valley College takes the reader on a journey of transition from the early carefree years of college to the realities of the Vietnam War and military draft The story takes place at a small state college in northern California far from the urban centers and large university hotbeds of anti war activity While unintended the story also brings to light many similarities between the Vietnam War and the War in Iraq Younger readers will gain an understanding and appreciation of the military draft system in place in the 1960 s while baby boomers will experience a mix of refreshing nostalgia and quiet reflection *Happy Days and Wonder Years* Daniel Marcus,2004-03-19 In the twenty first century why do we keep talking about the Fifties and the Sixties The stark contrast between these decades their concurrence with the childhood and youth of the baby boomers and the emergence of television and rock and roll help to explain their symbolic power In *Happy Days and Wonder Years* Daniel Marcus reveals how interpretations of these decades have figured in the cultural politics of the United States since 1970 From Ronald Reagan s image as a Fifties Cold Warrior to Bill Clinton s fandom for Elvis Presley and John F Kennedy politicians have invoked the Fifties and the Sixties to connect to their public Marcus shows how films television music and memoirs have responded to the political nostalgia of today and why our entertainment remains immersed in reruns revivals and references to earlier times This book offers a new understanding of how politics and popular culture have influenced our notions of the past and how events from long ago continue to shape our understanding of the present day **Bob Ross Happy Little 18-Month**
