

# DREAM THEORY

A surreal, dreamlike landscape featuring floating islands with lush greenery and small structures. In the center, a glowing, multi-layered portal or archway emits a bright light. The sky is filled with various celestial bodies, including a large crescent moon, several smaller moons, and a vibrant nebula. The entire scene is reflected in a calm body of water at the bottom, creating a symmetrical effect. The overall color palette is dominated by blues, purples, and greens, with a warm glow from the central portal.
