

I Love To Think Of Jesus

by Caleb Davis Bradlee

I love to think of that dear one
Who walked in Judah's land,
And called himself God's only Son,
Led by the Father's hand.

I love to dream of that clear eye
That gazed at human woe,
And with a grace from God on high,
Did holy joy bestow.

I love to speak of words he spoke,
So gentle and so great,
Which the slumbering echoes woke
Of our right royal state.

I love to muse on deeds he did,
So mighty and so grand, -
As he healed the sick, raised the dead,
All through the Holy Land.

I love to say, he is here now,
Blessing us each and all
Ready to catch the faintest vow,
Always within our call.

I love to feel he waits above,
That when our breath shall cease,
He may receive us to his love,
And crown us with his peace!

Untitled Ismael Fortunado, 2016-01-18 We are given one life and we must live to one standard Some are given a family and some are not Family is a beautiful blessing of God We must take care of it We must have a good upbringing Orphans consider others to be their mother father and siblings Those who have a family must share what is it to have a family This is a dream of each person to have a good family God is the center of each family It is written that Jesus Christ serves as a sword in the family We never forget that He is in our family to uphold each one He tests each member of the family The head of the family is a loving father He is blessed with understanding The light of the family is the mother She sees the need of the family Children serve as the happiness of the family A brother or a sister serves as an equal The baby serves as the laughter of the family A foundation of a person is his family He draws strength from his family Pickles, Poems, and Prayers Shawn Cook, 2015-05-28 I remember when you Were my only friend The thought the feeling That all was lost Until I knelt down And touched that cross At one time in his life Shawn Cook became angry with God lost all hope and subsequently embarked on a journey of self destruction that led him down paths he never could have imagined With the intent of illustrating to others that there is always hope no matter how dire the circumstances Cook shares his first compilation of poetry that offers a glimpse into his twenty plus year quest for peace acceptance and love Cooks verse touches on many issues that highlight his internal struggles as he attempted to find happiness and fill the void within him Through honest sometimes heartbreaking reflections Cook divulges how when he was lost broken and at his wits end he finally found his completeness in Jesus Christ Pickles Poems and Prayers shares one mans poetic journey of self discovery as he climbs out of the darkness of despair to embrace hope faith love and a new beginning **The Columbia Granger's Index to African-American Poetry** Nicholas Frankovich, David Larzelere, 1999 Responding to the enormous interest in African American literature Columbia University Press is publishing a Granger s R index devoted exclusively to poetry by African Americans To compile the Index to African American Poetry a team of consultants indentified the best most widely available anthologies and volumes of collected and selected works The result this new index includes more than 11 000 poems by 659 poets *A World Of Poetry* Sciantel Crista, 2017-05-22 Here is a collection of my poems and artwork I started writing poetry when I was 16 It started shortly after my brother s death The poems just came pouring out In the last days the Spirit of God would be poured out upon man Well I was one of them It came suddenly I have been published in The national Library Of Poetry but God sent me elsewhere from there So sit back with some Kleenex **Massive Pissed Love** Richard Hell, 2015-10-01 A seminal collection of ruminations on art books and music by one of the sharpest minds and sensibilities in both punk rock and literature Richard Hell may best be known as a punk icon a founding member of seminal bands Television the Heartbreakers and The Voidoids but for decades he s been a prominent voice in American letters Through his novels Go Now and Godlike and his critically acclaimed autobiography I Dreamed I Was a Very Clean Tramp Hell has proven himself as a talented and insightful writer across many

genres in many forms But one might argue that Richard s true genius lies in shorter form as a writer on culture Love comes in spurts Hell once sang and that could well describe the intensity of his penetrating and wickedly droll criticism Massive Pissed Love is a collection of Hell s ruminations on art literature and music among other things that s like a candy box of reading treats a bag of shiny marbles a cabinet of mementos and uncanny fetishes However one thinks of it s a joy to read from start to finish and a deeply necessary addition to the oeuvre of one of the sharpest minds and sensibilities at work today

Connor,2021-10-29 Life is a God given gift Given with love Our bodies crave his presence The love we have has been given to share Let us smile with others and share their joy And when at times their sad and blue Let us weep with them And share a tear or two The hand that reaches out in love is given and shared with God above Remember when you see someone you know is needing a kind word or a comforting smile Remember this you will never know how much you ve helped that person And so be ready to reach out to listen to help to share And to show others that you really care Synopsis This book is a collection of Poems by my Mum Kitty these poems are all that has survived of her writing a lifetime s work They were written on scraps of paper in notebooks and on the back of envelopes These poems reveal the character of the woman a warm loving person with a strong faith and determination never to give in The poems illustrate a life of ups and downs The joys of family The family Tree how important it was to her She reflects on her life her family and friends You can feel the hurt she suffered when her mother died whilst she was a young child The two men in her life one she fell in love with and the other she grew to love who came together because of a promise made on the death bed of his good friend and husband of Kitty In later life The generation gap is a poignant comment on getting old and feeling worthless The final extract is all that remains of an episode in her early life the exact details of which are now known but not included in the book I will leave you to draw your own conclusions As you read this book of poems I hope you will experience as I did the love joy hope pain and heartache that together reflect the person that was my Mum This book contains a wonderful collection of poems that cant fail to move you

Jailhouse Journals Mike Mahy,2020-11-24 Incarceration Pain Change Miracles Spending time in jail isn t easy for anyone who has been forced to have that experience Spending time in jail for what you deserve is God s and humankind s justice Spending time in jail out of God s mercy is something completely different This is what I want to share about in Jailhouse Journals It was because of God s justice that I got the sentence I deserved for the crimes I committed but in his mercy the experience in jail was more than what I had ever expected To get the help I needed while in jail gave me hope not only for me but also for those who may be reading this to get help from the trap of sexual addiction The purpose of these journals is to inspire them that God is not only real but he is also a loving God and will help them change if they are willing to do so and that there is actually a system of incarceration called right living community as a rehabilitation approach to serving a sentence rather than just doing hard time I am hoping that maybe just maybe that anyone reading this can be averted from

committing a senseless sexual crime against another because they now have hope and can work up the courage to get the help they need Finally this book is also for any victim of sexual offences committed against them so that they can receive inner healing and possibly even work up the ability to forgive their perpetrator for their horrendous acts I have discovered that forgiveness sets the one doing the forgiving free emotionally mentally and spiritually more so than the one being forgiven These journals also show that there is a road map to getting specific help the fact that proper counseling good cognitive behavior therapy CBT courses support groups such as AA NA SAA and Celebrate Recovery and even taking an amazing course developed by my chaplain that is called Spiritual Perspective on Sexuality as a means to receiving better emotional wholeness and well being making better decisions and developing better thinking patterns Be set free Receive healing Experience transformation Watch miracles flow *Re-Beginnings (Poetry from 2006 & 2007)* Marisa Sachiko Keona Gasper,2013-06-07 This book contains the complete poetry collection by Marisa Sachiko Keona Gasper from the year of 2006 when she re began writing poems through 2007 This poetry is not intended for children Just in Case Yvette N.
