Flickering Shadows A Lifetime In Film:

Flickering Shadows John Mitchell, 1997 The autobiography of British born John Mitchell who entered the film industry in 1933 Over the next sixty years he rose to become a top ranking sound man twice Oscar nominated and Emmy award winner with 150 major feature films to his credit *Beyond the Epic* Gene Phillips, 2006-11-24 Two time Academy Award winner Sir David Lean 1908 1991 was one of the most prominent directors of the twentieth century responsible for the classics *The Bridge on the River Kwai* 1957 *Lawrence of Arabia* 1962 and *Doctor Zhivago* 1965 British born Lean asserted himself in Hollywood as a major filmmaker with his epic storytelling and panoramic visions of history but he started out as a talented film editor and director in Great Britain As a result he brought an art house mentality to blockbuster films Combining elements of biography and film criticism *Beyond the Epic* The Life and Films of David Lean uses screenplays and production histories to assess Lean's body of work Author Gene D Phillips interviews actors who worked with Lean and directors who knew him and their comments reveal new details about the director's life and career Phillips also explores Lean's lesser studied films such as *The Passionate Friends* 1949 *Hobson's Choice* 1954 and *Summertime* 1955 The result is an in depth examination of the director in cultural historical and cinematic contexts Lean's approach to filmmaking was far different than that of many of his contemporaries He chose his films carefully and as a result directed only sixteen films in a period of more than forty years Those films however have become some of the landmarks of motion picture history Lean is best known for his epics but Phillips also focuses on Lean's successful adaptations of famous works of literature including retellings of plays such as *Brief Encounter* 1945 and novels such as *Great Expectations* 1946 *Oliver Twist* 1948 and *A Passage to India* 1984 From expansive studies of war and strife to some of literature's greatest high comedies and domestic dramas Lean imbued all of his films with his unique creative vision Few directors can match Lean's ability to combine narrative sweep and psychological detail and Phillips goes beyond Lean's epics to reveal this unifying characteristic in the director's body of work *Beyond the Epic* is a vital assessment of a great director's artistic process and his place in the film industry *The Man Who Got Carter* Andrew Spicer, A.T. McKenna, A. T. McKenna, 2013-10-24 Michael Klinger was the most successful independent producer in the British film industry over a 20 year period from 1960 to 1980 responsible for 32 films including classics such as *Repulsion* 1965 and *Get Carter* 1971 Despite working with many famous figures including actors Michael Caine Peter Finch Lee Marvin Roger Moore Mickey Rooney and Susannah York directors Claude Chabrol Mike Hodges and Roman Polanski and author Wilbur Smith Klinger's contribution to British cinema has been almost largely ignored This definitive book on Michael Klinger largely based on his previously unseen personal papers examines his origins in Sixties Soho sexploitation cinema and shockumentaries through to major international productions including *Gold* 1974 and *Shout at the Devil* 1976 It reveals how Klinger deftly combined commercial product the hugely popular *Confessions* series 1974-78 with artistic experimental cinema that nurtured young talent including Polanski and Hodges Peter Colinson Alastair Reid Linda

Hayden and Moshe Mizrahi the Israeli director of Rachel's Man 1975 Klinger's career is contextualised through a reassessment of the British film industry during a period of unprecedented change and volatility as well as highlighting the importance of his Jewishness The Man Who Got Carter offers a detailed analysis of the essential but often misunderstood role played by the producer

Quota Quickies Steve Chibnall, 2019-07-25 This book the first of two volumes will provide a major new history of the British B film tracing the development of the low budget supporting feature from the 1927 Films Act which introduced a quota system for the distribution and exhibition of indigenous product to the age of television when B film producers channelled their energies into making TV programmes Along the way the authors will address leading producers and studios B film stars distributors the genres and themes that tended to dominate B film production comedy horror crime and fantasy Quota Quickies will include a case study of the B films of Michael Powell The authors argument is that the B film was hugely important in British cinema history in offering an opportunity for British actors and technicians to develop their careers and that the films themselves provided an outlet for the exploration of peculiarly British cultural concerns in an industry traditionally dominated by Hollywood output They also contend that some of the films stand up well to contemporary viewing and are deserving of critical re evaluation

When Marilyn Met the Queen Michelle Morgan, 2022-05-03 In July 1956 Marilyn Monroe arrived in London on honeymoon with her husband Arthur Miller to make The Prince and the Showgirl with Sir Laurence Olivier It was meant to be a happy time I am dying to walk bare headed in the rain I think England sounds adorable Marilyn Monroe Marilyn would work during the day at Pinewood Studios in Iver Heath while Arthur would write Then in the evening the couple would be able to relax together in their private English country cottage But the cottage was a mansion in Englefield Green and Marilyn used to living in tiny hotel rooms and apartments felt herself being watched She was by several of owner Lord Drogheda's servants who were selling stories to the papers And when filming began all did not go as hoped Over time Marilyn grew to hate Olivier the feeling was mutual Marilyn found herself a curiosity for the frequently hostile British press She took solace in bike rides in Windsor Great Park in small acts of kindness from members of the public and in a growing fascination with Queen Elizabeth whom she longed to meet and eventually did

Historical Dictionary of British Cinema Alan Burton, Steve Chibnall, 2013-07-11 British cinema has been around from the very birth of motion pictures from black and white to color from talkies to sound and now 3D it has been making a major contribution to world cinema Many of its actors and directors have stayed at home but others ventured abroad like Charlie Chaplin and Alfred Hitchcock Today it is still going strong the only real competition to Hollywood turning out films which appeal not only to Brits just think of Bridget Jones while busily adding to franchises like James Bond and Harry Potter So this Historical Dictionary of British Cinema has a lot of ground to cover This it does with over 300 dictionary entries informing us about significant actors producers and directors outstanding films and serials organizations and studios different films genres from comedy to horror and memorable films among other things Two appendixes provide lists of award winners Meanwhile the chronology covers over a century of history These parts provide the details countless details while the introduction offers the big story And the extensive bibliography points toward other sources of information **Bad Film Histories** Katherine Groo, 2019-02-26 A daring deep investigation into ethnographic cinema that challenges standard ways of writing film history and breaks important new ground in understanding archives Bad Film Histories is a vital work that unsettles the authority of the archive Katherine Groo daringly takes readers to the margins of the film record addressing the undertheorization of film history and offering a rigorous corrective Taking ethnographic cinema as a crucial case study Groo challenges standard ways of thinking and writing about film history and questions widespread assumptions about what film artifacts are and what makes them meaningful Rather than filling holes Groo endeavors to understand the imprecisions and absences that define film history and its archives Bad Film Histories draws on numerous works of ethnographic cinema from Edward S Curtis's In the Land of the Head Hunters to a Citroën sponsored croisière across Africa to the extensive archives of

the Maison Lumi re and the Mus e Albert Kahn to dozens of expedition films from the 1910s and 1920s The project is deeply grounded in poststructural approaches to history and throughout Groo draws on these frameworks to offer innovative and accessible readings that explain ethnographic cinema s destabilizing energies As Groo describes ethnographic works are mostly untitled unauthored seemingly infinite in number and largely unrestored even in their digital afterlives Her examination of ethnographic cinema provides necessary new thought for both film scholars and those who are thrilled by cinema s boundless possibilities In so doing she boldly reexamines what early ethnographic cinema is and how these films produce meaning challenging the foundations of film history and prevailing approaches to the archive **Film** ,1997 Die schönsten Zitate aus James-Bond-Filmen Siegfried Tesche,2005 **Das große James Bond-Lexikon** Siegfried Tesche,2013-10-08 Aktualisierte und erweiterte Neuauflage zum Kinostart von Spectre Wussten Sie schon dass James Bond im Eurotunnel Helmut Kohl gerettet hat dass er einmal im Zug von Berlin Richtung Ruhrgebiet an Hannover vorbeigefahren ist dort eine Frau geliebt hat und sich mit zwei Killern herumschlagen musste Wissen Sie wie der Wodka Martini zubereitet wird den 007 so gerne trinkt und was aus den anderen Doppel Null Agenten so geworden ist Wussten Sie schon dass Bond pro Film etwa sieben Mordanschl gen entgeht im Durchschnitt acht Gegner t tet aber nur mit zwei Frauen schl ft Alle Filme alle B cher alle Namen alle Parodien alles Wissenswerte um den ber hmtesten Agenten im Dienste Ihrer Majest t Mit ber 00700 Eintr gen Statistiken Listings Daten und Kuriosit ten ist Das gro e James Bond Lexikon weltweit einzigartig Und es hat mehr als 007 Monate gedauert um es zu recherchieren Aber das wussten Sie sicher **Die besten Zitate aus James-Bond-Filmen** Siegfried Tesche,2009 *Drunk in the Warm Glow* D.W.
