**The Flight of Jesse Leroy Brown** Theodore Taylor, 2022-08-30 This biography of America's first African American naval aviator is a compelling portrait of a quiet hero and the racial climate between 1926 and 1959 Booklist In the late 1940s when every aspiring black pilot had heard of the army's Tuskegee program Jesse Leroy Brown set his sights on becoming a navy aviator An outstanding student and top athlete the 17 year old's ambition was met with a combination of incredulity and resistance Yet at a time when Jim Crow laws were rampant Brown managed to break the color barrier to become the first black U S Navy pilot Taylor puts his considerable narrative skills to good use in tracing Brown's path from his youth in poverty stricken Palmer's Crossing Miss to his eventual induction into the heady and dangerous world of carrier aviation Taylor based much of his research on interviews with those who knew Brown and on personal letters from more than a half century ago and doesn't skimp on the indignities Brown suffered An engaging and intimate glimpse of a young pioneer who desperately wanted to earn his aviator's wings Publishers Weekly More than a biography this is a thrilling story of naval aviation and combat School Library Journal

On Desperate Ground Hampton Sides, 2019-10-29 From the New York Times bestselling author of *Blood and Thunder* and *Ghost Soldiers* a chronicle of the extraordinary feats of heroism by Marines called on to do the impossible during the greatest battle of the Korean War Superb A masterpiece of thorough research deft pacing and arresting detail This war story the fight to break out of a frozen hell near the Chosin Reservoir has been told many times before But Sides tells it exceedingly well with fresh research gritty scenes and cinematic sweep The Washington Post On October 15 1950 General Douglas MacArthur Supreme Commander of UN troops in Korea convinced President Harry Truman that the Communist forces of Kim Il sung would be utterly defeated by Thanksgiving The Chinese he said with near certainty would not intervene in the war As he was speaking 300 000 Red Chinese soldiers began secretly crossing the Manchurian border Led by some 20 000 men of the First Marine Division the Americans moved deep into the snowy mountains of North Korea toward the trap Mao had set for the vainglorious MacArthur along the frozen shores of the Chosin Reservoir What followed was one of the most heroic and harrowing operations in American military history and one of the classic battles of all time Faced with probable annihilation and temperatures plunging to 20 degrees below zero the surrounded and hugely outnumbered Marines fought through the enemy forces with ferocity ingenuity and nearly unimaginable courage as they marched their way to the sea Hampton Sides superb account of this epic clash relies on years of archival research unpublished letters declassified documents and interviews with scores of Marines and Koreans who survived the siege While expertly detailing the follies of the American leaders *On Desperate Ground* is an immediate grunt's eye view of history enthralling in its narrative pace and powerful in its portrayal of what ordinary men are capable of in the most extreme circumstances Hampton Sides has been hailed by critics as one of the best nonfiction writers of his generation As the Miami Herald wrote Sides has a novelist's eye for the propulsive elements that lend momentum and dramatic pace to

the best nonfiction narratives      **The Harvard Guide to African-American History** Evelyn Brooks Higginbotham, 2001

Martin, 2014-05-12 Detailed profiles bring stories of African American heroism in the U S armed forces to life from the American Revolution through the conflict in Afghanistan African American war heroes remain largely unsung their courage and valor relegated to the less traveled corners of history This work seeks out those heroes soldiers sailors flyers and marines who earned their nation s highest medals in defense of freedom and equality Some of these men and women died on the battlefield Others returned to civilian life in a segregated country What they share across time and circumstance is devotion to duty and to the country they defended even in the face of personal and racial prejudice Entries profile decorated African Americans from all of the U S conflicts since the Revolutionary War In addition to providing basic biographical data each profile offers a detailed account of the individual s heroic actions The book also offers sidebars on events and topics relevant to African Americans in the U S armed forces such as histories of the 54th Massachusetts and the Tuskegee Army      **International Who's Who of Authors and Writers 2004** Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who's Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters      **Africana** Anthony Appiah, Henry Louis Gates (Jr.), 2005 Ninety years after W E B Du Bois first articulated the need for the equivalent of a black Encyclopedia Britannica Kwame Anthony Appiah and Henry Louis Gates Jr realized his vision by publishing Africana The Encyclopedia of the African and African American Experience in 1999 This new greatly expanded edition of the original work broadens the foundation provided by Africana Including more than one million new words Africana has been completely updated and revised New entries on African kingdoms have been added bibliographies now accompany most articles and the encyclopedia s coverage of the African diaspora in Latin America and the Caribbean has been expanded transforming the set into the most authoritative research and scholarly reference set on the African experience ever created More than 4 000 articles cover prominent individuals events trends places political movements art forms business and trade religion ethnic groups organizations and countries on both sides of the Atlantic African American history and culture in the present day United

States receive a strong emphasis but African American history and culture throughout the rest of the Americas and their origins in Africa itself have an equally strong presence. The articles that make up *Africana* cover subjects ranging from affirmative action to zydeco and span over four million years from the earliest known hominids to Sean Diddy Combs. With entries ranging from the African ethnic groups to members of the Congressional Black Caucus, *Africana* Second Edition conveys the history and scope of cultural expression of people of African descent with unprecedented depth.

*Beyond Glory: Medal of Honor Heroes in Their Own Words* Larry Smith, 2004-05-17 This first oral history of living Medal of Honor winners evokes *Flags of Our Fathers* with stirring accounts of patriotic valor. This New York Times best-selling account of battlefield courage celebrates the larger than life sacrifices of those awarded the nation's highest honor for valor in combat. Exclusive interviews with these twenty-four men, firsthand accounts of battlefield sacrifice from the greatest generation to Vietnam, along with before and after stories form the core of this classic work. The recipients as portrayed here represent a cross section as diverse as America itself: officers and enlisted men, African Americans, Hispanics, and Caucasians, men who went on to become famous (Daniel Inouye, James Stockdale, Bob Kerrey) and others who returned proudly to small towns. *Beyond Glory* in the voices of these heroes is a testament to the courage of the American nation.

**Such Men As These** David Sears, 2010-05 In 1951 James Michener went to Korea to report on a little-known aspect of America's stalemated war: navy aviators. His research inspired novel about these pilots became an overnight bestseller and perhaps the most widely read book ever written about aerial combat. Using Michener's notes, author David Sears tracked down the actual pilots to tell their riveting true life stories. From the icy windswept decks of aircraft carriers they penetrated treacherous mountain terrain to strike heavily defended dams, bridges, and tunnels where well-entrenched Communist anti-aircraft gunners waited to shoot them down. Many of these men became air combat legends, and one, Neil Armstrong, the first astronaut to walk on the moon. *Such Men As These* brims with action-packed accounts of combat and unforgettable portraits of the pilots whose skill and sacrifice made epic history.

**The African American National Biography** Henry Louis Gates, Evelyn Brooks Higginbotham, 2008 An 8-volume reference set containing over 4,000 entries written by distinguished scholars. *The African American National Biography* is the most significant and expansive compilation of black lives in print today.

*Fly Navy* Alvin Townley, 2011-04-26 *Top Gun* was only part of the story. *Fly Navy* delves beyond the Hollywood image to reveal the true mettle and genuine story of the elite men and women of naval aviation. For one hundred years the U.S. Navy's aviators and crews have made the difference on military and peacetime missions around the world. Their unparalleled skill, preparation, and everyday dedication have paid off when it matters most when lives are on the line. Together, these men and women, officers and enlisted personnel, past and present, have protected freedom, served their country, and forged a legacy of valor like no other. In this landmark book, Alvin Townley takes readers on an adventure around the world and across generations as he goes behind the scenes of naval aviation. From the skies over the Arabian Sea to the jungles of Southeast Asia to carriers

patrolling the vast Pacific he uncovers incredible stories of service members who survived weeks adrift at sea made midnight rescues in deadly storms crash landed behind enemy lines and found themselves in situations where their exceptional training and focus were the only things standing between life and death Filled with inspiring personal accounts of courage camaraderie and sheer perseverance Fly Navy pays tribute to the extraordinary individuals who have built naval aviation into the revered force it is today and will remain tomorrow *Fighter Pilot Parent* Brick Conners, 2019-08-20 Lead your most important team your kids with integrity honor and love There are no bad teams i.e. kids There are only less than perfect leaders i.e. parents So says former fighter pilot and parent of four retired US Navy Captain Brick Conners Conners believes good leadership drives every successful outcome and good parenting is no different As a Navy Strike Fighter Pilot Brick amassed over 4500 hours and over 1000 carrier landings during multiple combat deployments So he understands all too well the critical importance of leadership in enabling those under his command to take off and return safely Every parent wants the same to have our children take off into the world and its adventures but to return home safely at the end of the day Conners links thrilling life and death experiences in leadership adversity and performance to practices and takeaways that will guide parents grandparents coaches military personnel and anyone else who wants to raise develop and lead children and young people Through tools gleaned from his own experience as a pilot parent and coach Conners shows how we can redefine our own leadership skills and develop the same in children so that they are equipped to deal with the unavoidable hazards of growing up As parents if we're not happy with how we've handled parenting challenges in the past we will find ways to reevaluate and alter our course if we have acted on values and beliefs that were not always ideal we will learn how to take a different approach one that can lead our children to extraordinary trajectories increased success and lifelong happiness *Aviation Law: Cases, Laws and Related Sources* Paul B. Larsen, John Gillick, Joseph Sweeney, 2012-06-07

**Young Adults)** Adam Makos,2022-05-24 A young adult adaptation of the national bestseller that details the true story of two Navy pilots from divergent racial and economic backgrounds who forge a deep friendship during the Korean War as they face extraordinary circumstances Soon to be major motion picture starring Jonathan Majors and Glen Powell with a supporting cast including Joe Jonas Lieutenant Tom Hudner and Ensign Jesse Brown both Navy pilots during the Korean War in 1950 come from different backgrounds Hudner is a white New Englander a son of privilege Brown is an African American son of a sharecropper from Mississippi When the two men join forces in Fighter Squadron 32 they forge a deep friendship at a time when racial inequality was prevalent in America An unwavering commitment binds Tom and Jesse to each other as well as to their comrades The two fly to save a division of US Marines cornered during the battle at Chosin Reservoir but catastrophe strikes when one of them is shot down behind enemy lines and trapped in the wreckage of his plane The other will face an unthinkable choice watch their friend die or attempt one of history's most audacious one man rescue missions What transpires is harrowing and heartbreaking an inspirational story for all time *African Americans in the Military* Catherine Reef,2014-05-14 Throughout much of the United States's history **African American Lives** Henry Louis Gates Jr.,Evelyn Brooks Higginbotham,2004-04-29 African American Lives offers up to date authoritative biographies of some 600 noteworthy African Americans These 1 000 3 000 word biographies selected from over five thousand entries in the forthcoming eight volume African American National Biography illuminate African American history through the immediacy of individual experience From Esteban the earliest known African to set foot in North America in 1528 right up to the continuing careers of Venus and Serena Williams these stories of the renowned and the near forgotten give us a new view of American history Our past is revealed from personal perspectives that in turn inspire move entertain and even infuriate the reader Subjects include slaves and abolitionists writers politicians and business people musicians and dancers artists and athletes victims of injustice and the lawyers journalists and civil rights leaders who gave them a voice Their experiences and accomplishments combine to expose the complexity of race as an overriding issue in America's past and present African American Lives features frequent cross references among related entries over 300 illustrations and a general index supplemented by indexes organized by chronology occupation or area of renown and winners of particular honors such as the Spingarn Medal Nobel Prize and Pulitzer Prize The U.S. Navy in the Korean War Edward Marolda,2013-09-15 This remarkable collection of works by some of the most authoritative naval historians in the United States draws on many formerly classified sources to shed new light on the U S Navy's role in the three year struggle to preserve the independence of the Republic of Korea Several of the essays concentrate on fleet operations during the first critical year of the war and later years when United Nations forces fought a static war Others focus on the leadership of Admirals Forrest P Sherman C Turner Joy James H Doyle and Arleigh A Burke and on carrier based and ground based naval air operations as well as the contributions of African American Sailors As a whole this book documents how the Navy's domination of the seas around Korea enabled Allied forces

to project combat power ashore the length and breadth of the Korean peninsula It also shows how the powerful presence of U S and Allied naval forces discouraged China and the Soviet Union from launching other military adventures in the Far East thus keeping the first limited war of the Cold War era confined to Korea But far from being an aberration unlikely to be replicated the Korean War proved to be only the first in a long line of twentieth century and early twenty first century conflicts involving U S naval forces confronting Communist and nontraditional adversaries and a full understanding of the Korean War experience as provided in this book helps define the role of sea power in today s world     *That's Me! That's You! That's Us!.* ,2002
