### **Flights Of Fancy Two Novellas Charitable Contributions And A Slow Boat To Lubbock:**

**Flights of Fancy** Ron D. Drain, 2001-01-19 Flights of Fancy is a combination of two novellas each a large slice of life and written solely for the purposes of entertainment and the reader's enjoyment. Actually a rather refreshing twist in this era of innuendo, subtle lessons, and high tech methodology. No hidden agendas, barely even a hint of violence, and only the slightest suggestion of gratuitous sex. Definitely an uniquely odd formula when compared to recent trends in modern mainstream literature. Relationships are explored, Heart strings are tugged, Funny bones are tickled, And imaginations tweaked. Real world characters facing real world circumstances of personal growth and interaction. The first work, Charitable Contributions, takes a wide angle snapshot of a suburban neighborhood and introduces the reader to a few of the families who reside there. Each household has its own distinct problems and personal battles to fight to win or to lose. An interesting common denominator between the characters provides a highly entertaining and humorous foundation. The second portion, A Slow Boat To Lubbock, leads the reader off the beaten path and along the rural farm roads of a barren stretch of Texas landscape. Eccentric characters and convoluted family trees makes this one a great read and a virtual delight for the imagination. Makes you wonder what really hides behind all those city limit signs belonging to the small towns that are scattered across the nation's roadmaps like so many fly specks.
