Fiske,1976      **Report Upon the Condition and Progress of the U.S. National Museum During the Year Ending June 30 ...** United States National Museum,1959      *Material Culture in America* Helen Sheumaker, Shirley Wajda,2007-11-07 The first encyclopedia to look at the study of material culture objects images spaces technology production and consumption and what it reveals about historical and contemporary life in the United States Reaching back 400 years *Material Life in America An Encyclopedia* is the first reference showing what the study of material culture reveals about American society revelations not accessible through traditional sources and methods In nearly 200 entries the encyclopedia traces the history of artifacts concepts and ideas industries peoples and cultures cultural productions historical forces periods and styles religious and secular rituals and traditions and much more Everyone from researchers and curators to students and general readers will find example after example of how the objects and environments created or altered by humans reveal as much about American life as diaries documents and texts      **A**

**History Of Textiles** Kax Wilson,2021-11-28 Originally published in 1979 this volume acts as a reference for the history textiles It asks questions on the effect of technology on textiles how did particular historical periods and locations expand or limit the possibilities for the manufacture of fabrics and how the textile history related to politics and economics sociology and psychology art and engineering anthropology and archaeology chemistry and physics Addressing these questions the author surveys the development of the technical components of fabrics and discusses the textiles of selected places and times She uses prose drawings and more than 130 photographs to show how each era of textile production reflects its age This book is designed to serve as a college text and as a reference work for museum researchers With sections including

illustrations and diagrams key terminology spinning wool spinning and raw materials single ply and cord and fabric construction Annual Report United States National Museum, 1958 *Monthly Catalog of United States Government Publications* United States. Superintendent of Documents, 1967-07 *American Cabinetmaker and Upholsterer*, 1928

**Monthly Catalog of United States Government Publications, Cumulative Index** United States. Superintendent of Documents, 1970 Encyclopedia of Interior Design Joanna Banham, 1997-05 First published in 1997 Routledge is an imprint of Taylor Francis an informa company **American Coverlets and Their Weavers** Clarita Anderson, 2002 This lavishly illustrated guide to one of the premier collections of woven coverlets in the United States is an essential reference for collectors historians specialists in material culture and all those who are interested in American textiles Information about the lives and professional careers of more than seven hundred weavers is included In depth discussions explore fifty coverlets that are depicted in detail The Marketplace of Revolution T. H. Breen, 2004-02-26 The Marketplace of Revolution offers a boldly innovative interpretation of the mobilization of ordinary Americans on the eve of independence Breen explores how colonists who came from very different ethnic and religious backgrounds managed to overcome difference and create a common cause capable of galvanizing resistance In a richly interdisciplinary narrative that weaves insights into a changing material culture with analysis of popular political protests Breen shows how virtual strangers managed to communicate a sense of trust that effectively united men and women long before they had established a nation of their own The Marketplace of Revolution argues that the colonists shared experience as consumers in a new imperial economy afforded them the cultural resources that they needed to develop a radical strategy of political protest the consumer boycott Never before had a mass political movement organized itself around disruption of the marketplace As Breen demonstrates often through anecdotes about obscure Americans communal rituals of shared sacrifice provided an effective means to educate and energize a dispersed populace The boycott movement the signature of American resistance invited colonists traditionally excluded from formal political processes to voice their opinions about liberty and rights within a revolutionary marketplace an open raucous public forum that defined itself around subscription lists passed door to door voluntary associations street protests destruction of imported British goods and incendiary newspaper exchanges Within these exchanges was born a new form of politics in which ordinary man and women precisely the people most often overlooked in traditional accounts of revolution experienced an exhilarating surge of empowerment Breen recreates an empire of goods that transformed everyday life during the mid eighteenth century Imported manufactured items flooded into the homes of colonists from New Hampshire to Georgia The Marketplace of Revolution explains how at a moment of political crisis Americans gave political meaning to the pursuit of happiness and learned how to make goods speak to power

Old-House Journal, 1988-03 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every

age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice *The Warp and Weft of Islam* Jere L. Bacharach, Irene A. Bierman, 1978 **Old House Interiors**, 2001-09 National architectural magazine now in its fifteenth year covering period inspired design 1700 1950 Commissioned photographs show real homes inspired by the past but livable Historical and interpretive rooms are included new construction additions and new kitchens and baths take their place along with restoration work A feature on furniture appears in every issue Product coverage is extensive Experts offer advice for homeowners and designers on finishing decorating and furnishing period homes of every era A garden feature essays archival material events and exhibitions and book reviews round out the editorial Many readers claim the beautiful advertising all of it design related no lifestyle ads is as important to them as the articles **The Refinement of America** Richard Lyman Bushman, 2011-09-21 This lively and authoritative volume makes clear that the quest for taste and manners in America has been essential to the serious pursuit of a democratic culture Spanning the material world from mansions and silverware to etiquette books city planning and sentimental novels Richard L Bushman shows how a set of values originating in aristocratic court culture gradually permeated almost every stratum of American society and served to prevent the hardening of class consciousness A work of immense and richly nuanced learning *The Refinement of America* newly illuminates every facet of both our artifacts and our values **Carpet Capital** Randall L. Patton, 1999 The book summarizes the development of the American carpet industry from the early nineteenth century through the 1930s In describing the tufted carpet boom it focuses on Barwick Mills Galaxy Mills and Shaw Industries as representative of various phases in the industry s history It tells how owners coordinated efforts to keep carpet mills unorganized despite efforts of the Textile Workers Union of America by promoting a vision of the future based on individual ambition rather than collective security
