Duval turns purple, with shade of blue

At Our Lady of the Sea Church in Ponte Vedra Beach, Erica Connor waved a giant photo of gubernatorial candidate Andrew Gillum on one corner (left). On another, John and Claire Clegg waved signs for opponent Ron DeSantis. (PHOTO BY JACOB DICKER/FLORIDA TIMES-UNION)

Gillum, Nelson outperform past Democrats in county
By Andrew Paulard
apaulard@jacksonville.com

Duval just turned a tinge more blue.

Duval, hardly the state's bellweather county, is usually to the right of the rest of the state, voting Republican in presidential and governor's

elections. Other than Sen. Bill Nelson, no Democratic statewide or federal candidate has won the county in two decades. During that time, only once did a Democrat win a major race.

Yet Tuesday told a different story. Andrew Gillum and Nelson far overperformed past Democrats in Duval.

While Democrats in deep-ballot races weren't able to ride Gillum's and Nelson's

Note to readers

Complete results of some of Tuesday's races may not be available at press time. For the latest election information, visit jacksonville.com.

coattails to success, they, too, saw a change in the county's electorate.

In a state house district

that voted for President Trump over Hillary Clinton by a percentage points and for Mitt Romney over former President Barack Obama by 12 points, the Democrat fell by just two percentage points.

In other, even more Republican districts, voters saw the first Democrats run in those races since the districts were first drawn in 2010.

As usual, Florida down to the wire

The Associated Press

TALLAHASSEE — Voters were deciding Tuesday whether to keep Florida under Republican control with a close Trump ally or elect its first Democratic governor since 1904 — and the first African-American — after a campaign marked by a deadly hurricane and gun violence.

Former Republican U.S. Rep. Ron DeSantis surged to ride President Donald Trump's backing to victory in the governor's race Tuesday, while Democratic Tallahassee Mayor Andrew Gillum sought to energize his party's voters as an unabashed liberal.

The race remained tight into the final hours of campaigning.

Democratic Sen. Bill Nelson and Gov. Rick Scott were also neck-and-neck in partial returns as Nelson seeks won a fourth term.

Uncertainty clouds high-stakes elections

Democrats, Republicans fighting for control of House, Senate
The Associated Press

WASHINGTON — Votes were being counted across the country Tuesday evening, as the Democratic resistance faced off against President

Donald Trump's GOP in a fight for control of Congress and statehouses across the nation.

Fundraising, polls and history were not on the president's side. But two years after an election that proved polls and projections wrong, an air of uncertainty — and stormy weather across parts of the country — clouded the

outcome of high-stakes elections from Florida to Alaska and everywhere in between.

Sens. Bernie Sanders of Vermont and Elizabeth Warren of Massachusetts easily won re-election as they consider bids for the Democratic presidential nomination. Other 2020 prospects on the ballot included New York Sen.

Kirsten Gillibrand and New York Gov. Andrew Cuomo.

Republicans privately expressed confidence in their narrow Senate majority but feared the House was slipping away. The GOP's grip on high-profile governorships in Florida, Georgia and Wisconsin was at risk as well.

"Everything we have

achieved is at stake," Trump declared in his final day of campaigning.

Long lines and malfunctioning machines marred the first hours of voting in some precincts, including in Georgia, where some voters reported waiting up to three hours to

Florida Paper:

Florida Paper Money Ronald J. Benice, 2011-03-30 Tying together the history and economic development of the state this catalog of Florida paper money covers Colonial days through the Great Depression 765 notes in all The book includes currency issued by governments such as the Territory of Florida and the state of Florida scrip issued by cities and counties and notes issued by banks railroads insurance companies merchants and individuals Entries provide information on the paper money s issuers and engravers as well as an estimate of rarity using the familiar Sheldon scale Whenever possible the author has identified portraits of real and mythological characters or allegorical representations on the notes **American State Papers** United States. Congress, 1861 Class I Foreign relations 6 v 1st Cong 20th Cong 1st sess April 30 1789 May 24 1828 class II Indian affairs 2 v 1st Cong 19th Cong May 25 1789 March 1 1827 class III Finance 5 v 1st Cong 20th Cong 1st sess April 11 1789 May 16 1828 class IV Commerce and navigation 2 v 1st Cong 17th Cong April 13 1789 Feb 25 1823 Class V Military affairs 7 v 1st Cong 25th Cong 2d sess Aug 10 1789 March 1 1838 class VI Naval affairs 4 v 3d Cong 24th Cong 1st sess Jan 20 1794 June 15 1836 class VII Post Office department 1 v 1st Cong 2d sess 22d Cong Jan 22 1790 Feb 21 1883 class VIII Public lands 8 v 1st Cong 24th Cong July 1 1790 Feb 28 1837 class IX Claims 1 v 1st Cong 2d sess 17th Cong Feb 5 1790 March 3 1823 class X Miscellaneous 2 v 1st Cong 17th Cong April 17 1789 March 3 1823 *The Art and Archaeology of Florida's Wetlands* Barbara A. Purdy, 2017-12-06 Waterlogged archaeological sites in Florida contain tools art objects dietary items human skeletal remains and glimpses of past environments that do not survive the ravages of time at typical terrestrial sites Unfortunately archaeological wet sites are invisible since their preservation depends upon their entombment in oxygen free organic deposits As a result they are often destroyed accidentally during draining dredging and development projects These sites and the objects they contain are an important part of Florida s heritage They provide an opportunity to learn how the state s earliest residents used available resources to make their lives more comfortable and how they expressed themselves artistically Without the wood carvings from water saturated sites it would be easy to think of early Floridians as culturally impoverished because Florida does not have stone suitable for creating sculptures This book compiles in one volume detailed accounts of such famous sites as Key Marco Little Salt Spring Windover Ft Center and others The book discusses wet site environments and explains the kinds of physical chemical and structural components required to ensure that the proper conditions for site formation are present and prevail through time The book also talks about how to preserve artifacts that have been entombed in anaerobic deposits and the importance of classes of objects such as wooden carvings dietary items human skeletal remains to our better understanding of past cultures Until now this information has been scattered in obscure documents and articles thus diminishing its importance Our ancestors may not have been Indians but they contributed to the state s heritage for more than 10 000 years Once disturbed by ambitious dredging and draining projects their story is gone forever it cannot be transplanted to another location **American State Papers** USA, 1861

New Histories of Pre-Columbian Florida Neill J. Wallis, Asa R. Randall, 2014-04-29 This volume aims to bring the archaeological study of Florida's Pre-Columbian past up to date using new techniques, technologies and data to reveal that the Pre-Columbian natives were not isolated and environmentally segregated as was previously thought **The Book**

Lover's Guide to Florida Kevin M. McCarthy, 1992 Here is the book lover's literary tour of Florida an exhaustive survey of writers, books and literary sites in every part of the state The state is divided into ten areas and each one is described from a literary point of view You will learn what authors lived in or wrote about a place which books describe the place what important movies were made there even the literary trivia which the true Florida book lover will want to know You can use the book as a travel guide to a new way to see the state as an armchair guide to a better understanding of our literary heritage or as a guide to what to read next time you head to a bookstore or library Publisher **The Territorial Papers of the United States** Clarence Edwin Carter, John Porter Bloom, 1934 *How the New Deal Built Florida Tourism* David J. Nelson, 2023-11-14 Countering the conventional narrative that Florida's tourism industry suffered during the Great Depression this book shows that the 1930s were in reality the starting point for much that characterizes modern Florida's tourism David Nelson argues that state and federal government programs designed to reboot the economy during this decade are crucial to understanding the state today **Directory of Florida Manufacturers** Florida Chamber of Commerce, 1996 Confederate Money Paul Varnes, 2013-04-01 In 1861 as this story opens with the Yankee raid on the salt works at Cedar Key Florida a Confederate dollar is worth 90 cents in gold or silver The Yankee soldiers in their zeal to destroy the important Confederate salt works kill young Henry Ferns step pa who has brought Henry to the Gulf Coast town on his first train ride From that moment on Henry's mind is locked on revenge His goal to find the Yankee killers leads him throughout the South and much of the North as the war spreads He studies medicine and offers aid to whichever side he needs to move through at the time Through shrewd dealings he manages to amass 40 000 in Confederate paper money Henry realizes that the Yankees are going to win the war or at best the South will end it a draw In either case the Confederate money will not be worth as much as silver or gold so he sets out to change it into specie Henry's adventures take him into both sides of the Battles of Shiloh, Church, Chickamauga and Olustee With his charismatic personality and keen judgment Henry manages to thrive even as the war rages persisting in changing his paper fortune into silver and gold He is as generous with his family, friends and those he perceives to be in need as he is ruthless with those he knows to be his enemies By the time Sherman marches through Atlanta in late 1864 the Confederate dollar has declined to 28 for one in silver or gold When Sherman reaches Savannah its worth is 45 to one When Lee surrenders the next April its worth is 80 to one One month later it has fallen to 1 000 to one Shortly after this Henry undertakes a daring raid on the hidden Confederate treasury to bring him to his financial goal *Monthly Catalogue, United States Public Documents*, 1970 **Utility Corporations** United States. Federal Trade Commission, 1935 Corporatocracy Ciara Torres-Spelliscy, 2024-11-05 Reveals how corporate

greed led to scandal corruption and the January 6th insurrection and how we can stop it from happening again Donald Trump's false claims of election fraud and the violence of the Capitol riot have made it unavoidably clear that the future of American democracy is in peril Unseen political actors and untraceable dark money influence our elections while anti democratic rhetoric threatens a tilt towards authoritarianism In *Corporatocracy* Ciara Torres Spelliscy reveals the role corporations play in this dire state of political affairs and explains why and how they should be held accountable by the courts their shareholders and citizens themselves Drawing on key Supreme Court cases Torres Spelliscy explores how corporations have more often than not been on the wrong side of history by working to undermine democratic norms practices and laws From bankrolling regressive politicians to funding ghost candidates with dark money she shows us how corporations subvert the will of the American people and how courts struggle to hold them and corrupt politicians accountable Corporations have existed far longer than democracies have If voters consumers and investors are not careful corporations may well outlive democracy Corporatocracy brings all of these shadowy tactics to light and offers meaningful legal reforms that can strengthen and protect American democracy

Cache River Basin Project ,1974 **Strategic Sport Communication**

The Top Books of the Year Florida Paper The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. Florida Paper : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Florida Paper : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
