

Floridas Politics And Government

Michael Gannon

Floridas Politics And Government:

Florida's Politics and Government Manning Julian Dauer, 1984 Government in the Sunshine State David R. Colburn, Lance DeHaven-Smith, 1999 David Colburn and Lance deHaven Smith have long been two of Florida's most respected and insightful political commentators so it comes as no surprise that they have authored such an interesting and eminently readable analysis of the Sunshine State's dynamic political history and culture They powerfully demonstrate how Florida's eclectic mix of people ideas economic activities and environmental treasures gives us a preview of the challenges and opportunities that the United States will confront in the 21st century Bob Graham U S Senator From the foreword I strongly encourage all citizens to read this important book so that they will understand how Florida's history has shaped its current political environment and helped determine the issues that are crucial to the state's development This wonderful book provides a starting point for Floridians to recommit themselves to the American experiment Governor Reubin O D Askew The general public will join Florida historians in welcoming this succinct and artfully told story of Florida's state county and municipal governments since statehood in 1845 The authors who are among the most accomplished scholars in their field have taken a complex historical chronology and organized it into easy to grasp central themes As a result the reader readily understands that this is not a fact and date ridden textbook but an attractive fast moving narrative garnished with pithy insights unusual juxtapositions and unexpected wit The amount of information here is impressive but political science in Florida has rarely been rendered so palatable Savor it Michael Gannon author of *Florida A Short History* Whether new to Florida or a rare native you probably find the state's government confusing if not downright mystifying the role of southern politics in a state that seems so unsouthern bewilders more than a few newcomers In this lively introduction to Florida's political history David Colburn and Lance deHaven Smith explain the evolution of Florida's government and the forces that affected that evolution from 1845 to the present Florida's heritage has been shaped by Native American and Spanish roots colonial ties to Great Britain a Deep South culture marked by racial strife and the Civil War and most recently economic and immigration dynamics that link it to the Sunbelt States the Caribbean and South America These richly diverse ethnic racial and regional influences combine to make Florida politics complex contradictory occasionally bizarre but seldom dull Addressing how all this diversity has shaped government and what it means for the 21st century the authors offer a concise readable history of Florida's political development over the last 150 years and of the issues facing the state today information essential to all Floridians including new voters new residents and newly elected officials as well as seasoned political observers David R Colburn is professor of history and director of the Reubin O D Askew Institute on Politics and Society at the University of Florida He is the coeditor of *The African American Heritage of Florida* UPF 1995 author of *Racial Change and Community Crisis* St Augustine Florida 1877 1980 UPF 1991 and coauthor of *Florida's Gubernatorial Politics in the Twentieth Century* UPF 1981 He writes regularly on state and national politics in the Orlando Sentinel Lance deHaven

Smith is professor of public administration and associate director of the Florida Institute of Government at Florida State University. He is the author, coauthor, or editor of ten books including *Environmental Concern in Florida* and *The Nation UPF 1991 The Florida Voter and Almanac of Florida Politics*. He and David Colburn coedited *Amid Political Cultural and Civic Diversity: Building a Sense of Statewide Community in Florida*.

Florida's Government: Power, Purpose, and People Heather E. Schwartz, 2016-10-30. Bring the history of Florida to life through intriguing primary source documents. Florida's Government: Power, Purpose, and People is a nonfiction reader focusing on Florida's branches of government. Based on state standards, this resource builds literacy skills and vocabulary as it covers history, civics, and other social studies topics. Used in the classroom or at home, this informational text contains important text features including an index, captions, bold text, and a glossary.

Florida's Minority Trailblazers Susan MacManus, 2016-11-21. Saves a piece of Florida political history by narrating the personal stories of the state's minority trailblazers from the Civil Rights Movement to the present day. Richard E. Foglesong, author of *Immigrant Prince* and *Mel Martinez and the American Dream*, captures Florida's ongoing political transition from a yellow dog/lily white state to one where diversity is beginning to make an impact on politics. Doug Lyons, former senior editorial writer for the *South Florida Sun Sentinel*, Florida experienced a population surge during the 1960s that diversified the state and transformed it into a microcosm of the nation, but discrimination remained pervasive. With the passage of the Civil Rights Act of 1964 and the Voting Rights Act of 1965, along with later rulings on redistricting and term limits, the opportunity to participate in government became more and more possible for previously silenced voices. Drawing primarily from personal interviews, Susan MacManus recounts the stories of the first minority men and women, both Democrat and Republican, who were elected or appointed to state legislative, executive, and judicial offices and to the U.S. Congress since the 1960s. She reveals what drove these leaders to enter office, how they ran their campaigns, what kinds of discrimination they encountered, what rewards each found during their terms, and what advice they would share with aspiring politicians. In addition to the words of the officeholders themselves, MacManus provides helpful timelines, photos, biographical sketches of each politician, and election results from path-breaking victories. The book also includes comprehensive rosters of minority individuals who have held state offices and those who have gone on to represent Florida in the federal government. Full of inspiring stories and informative statistics, *Florida's Minority Trailblazers* is an in-depth rendering of personal struggles guided by opportunity, ambition, and idealism that have made Florida the vibrant, diverse state it is today.

Susan A. MacManus is Distinguished University Professor in the Department of Government and International Affairs at the University of South Florida and the coauthor of *Politics in Florida* and *Politics in States and Communities*, a volume in the series *Florida Government and Politics* edited by David R. Colburn and Susan A. MacManus.

Florida's Politics Kevin A. Hill, Susan A. MacManus, Dario Marengo, 2004.

Civic Pedagogies: Teaching Civic Engagement in an Era of Divisive Politics Lauren C. Bell, Allison Rank, Carah Ong Whaley, 2024. This book comes at a crucial time as the USA and countries around the world

wrestle with an ongoing period of democratic backsliding that shows little sign of abating Alarmingly study after study shows that younger people are not convinced that democracy will endure and that a sizable number are no longer convinced that it should Especially as changing educational and political landscapes make efforts to educate for democracy both more necessary and more fraught contributors to this book offer innovative pedagogies and praxis grounded in political and civic theories aimed at strengthening democratic norms practices and institutions *Florida* Michael Gannon,2003-07-01 As if Ponce de Le n who happened on the peninsula in 1513 returned today to demand a quick reckoning Tell me what happened after I was there but leave out the boring parts Michael Gannon recounts the longest recorded history of any state in the nation in twenty seven brisk fully illustrated chapters From indigenous tribes who lived along spring fed streams to environmentalists who labor to Save Our Rivers from the first conquistadors whose broad black ships astonished the natives to the 123 000 refugees whose unexpected immigration stunned South Floridians in 1980 the story of the state is as rich and distinctive as the story of America And it s older than most people think As Gannon writes By the time the Pilgrims came ashore at Plymouth St Augustine was up for urban renewal It was a town with fort church seminary six bed hospital fish market and about 120 shops and houses Because La Florida stretched north from the Keys to Newfoundland and west to Texas St Augustine could claim to be the capital of much of what is now the United States Gannon tells his fast marching saga in chronological fashion Starting with the wilderness of the ancient earth he fills the landscape with Indians colonists pioneers entrepreneurs politicians and the panorama of Florida today the broad superhighways that wind past horse farms retirement communities international airports launch pads futuristic attractions and come to rest finally amidst the gleaming towers of Oz like cities This revised edition concludes with a look into the twenty first century including in migration restoration of the Everglades education the work force and the infamous 2000 presidential election **Florida's Other Courts** Robert M. Jarvis,2018-02-12 This book is designed to acquaint readers with eight Florida courts that do not fit the standard federal state court paradigm **Government and Politics in Florida** J. Edwin Benton,2008 For more than fifteen years *Government and Politics in Florida* has been the only book to offer authoritative information on the operations of government and nuances of politics in the Sunshine State Published in two editions 1991 and 1998 under the editorship of Robert Huckshorn the book has consistently featured contributions by Florida s most well known and respected political scientists Now edited by Edwin Benton the third edition retains all of the chapters from the previous edition though all have been revised and many rewritten by new authors There are also entirely new chapters on the critical policy areas of education public welfare and health care and one on intergovernmental relations A chapter in the second edition on public opinion and interest groups has been divided into two chapters one focusing on political culture and political attitudes the other focusing on interest groups A final concluding chapter ties together the volume and speculates about the future of government and politics in Florida From executive branch to legislature from the court system to political parties there is no

other book that serves as a better introductory text for courses on Florida government *The Supreme Court of Florida* Neil Skene, 2017-08-08 A fascinating judicial study The importance of the modern high court s docket is so thoroughly and expertly chronicled in this book reapportionment courtroom cameras personal injury family law environmental law capital punishment criminal justice and equal justice under law Thomas E Baker coauthor of Appellate Courts Structures Functions Processes and Personnel A highly readable portrait of a crucial time in the history of the state high court It brings to life the jurists and lawyers who contributed so much to contemporary Florida law Mary Ziegler author of After Roe The Lost History of the Abortion Debate A richly sourced thoroughly researched and entertaining account of one of the most significant eras in the history of what is arguably the most important and least reported branch of Florida government Tells not only how the court s decisions impact people s lives but also how the personalities and life experience of new justices lead to evolutions in the law Martin A Dyckman author of A Most Disorderly Court Scandal and Reform in the Florida Judiciary Necessary reading for anyone interested in law and politics in Florida Makes historical figures come alive Jon L Mills author of Privacy in the New Media Age This third volume in the history of the Florida Supreme Court describes the court during its most tumultuous years Amid the upheaval of the civil rights movement the Vietnam War and Watergate the story begins with reform in the Florida court system It includes the court s first black justice Joseph Hatchett Governor Reubin Askew s new system for merit selection of justices and revision of Article V the section of the state constitution dealing with the judiciary Neil Skene details landmark court decisions the introduction of cameras in court changes to media law personal injury law and family and divorce law privacy rights gay rights death penalty cases and the appointment of the first female justice Rosemary Barkett Shining a light on the often invisible work that informs the law Skene recognizes lawyers and lower court judges whose arguments and opinions have shaped court rulings He integrates firsthand stories from justices with documents articles and cases The result is an absorbing portrayal of a judicial institution adapting to a turbulent time of deep political and social change County Governments in Florida Frank Sherwood, 2008-02 The counties of Florida play a special role because of the settlement patterns of the state Nearly half the population lives outside a city and many others reside in a small municipality For many citizens the local government they know and on which they depend is one of 67 counties These units cover every inch of Florida and so every citizen is a county resident The quality of life then depends very much on the functioning of these counties They must be organized managed and financed so as to provide a huge variety of services to a society that is heavily urbanized This book seeks to make the reader well aware of these obligations and it introduces a companion principle home rule The counties must have the operating freedom and the resources to meet their responsibilities and that flexibility must be provided by higher levels of government particularly the State The finances of counties as well as other local governments were being publicly debated in 2007 2008 Two chapters of this book provide important perspectives on the issues involved **Florida** Derek Miller, Debra Hess, Lori P. Wiesenfeld, 2018-12-15 Known

around the country and the world for its oranges beautiful beaches and attractions like Walt Disney World the Sunshine State is an exciting place to visit and to live Readers are presented with a detailed look at the history economy government and people of Florida This book contains the latest information about the state and is sure to draw in readers with full color photographs and interesting Fast Facts *Governments of Florida 2019* Greg Michels,2018-01-01 Annual finance and employment comparisons of local taxing authorities **Politics in Florida 5th Edition** Susan MacManus,Aubrey Jewett,Thomas Dye,2019-08-27 **From Yellow Dog Democrats to Red State Republicans** David R. Colburn,2013-09-17 Likely to raise hackles among Democrats and Republicans alike this dynamic history of modern Florida argues that the Sunshine State has become the political and demographic future of the nation David Colburn reveals how Florida gradually abandoned the traditions of race and personality that linked it to the Democratic Party The book focuses particularly on the population growth and chaotic gubernatorial politics that altered the state from 1940 when it was a sleepy impoverished southern outpost to the present and the emergence of a dominant Republican Party *Library of Congress Subject Headings* Library of Congress,1998 **A Survey Report on the Impact of Federal Grants-in-aid on the Structure and Functions of State and Local Governments** Governmental Affairs Institute (U.S.),1955 **Florida in the Spanish-American War** Joe Knetsch,Nick Wynne,2011-02-11 Florida began as a Spanish colony with governing headquarters in Havana Cuba It is fitting then that the state played such a large role in the Spanish American War As a base of training and combat operations Floridas involvement was crucial to the war effort Join trusted historians Joe Knetsch and Nick Wynne as they log a fascinating chapter in Floridas historya time when Roosevelts Rough Riders prepared for battle at Tampa bases when battleships departed from south Florida ports to avenge the sunken USS Maine and when a nation looked to the Sunshine State to help unite America around a common cause even as the nation still struggled to come to terms with the Civil War and Reconstruction **Florida** Max Linn,2006-09 [University Record of the University of Florida](#) University of Florida,1912

Adopting the Tune of Appearance: An Psychological Symphony within **Floridas Politics And Government**

In some sort of consumed by screens and the ceaseless chatter of fast connection, the melodic splendor and psychological symphony produced by the published word frequently fade in to the backdrop, eclipsed by the persistent sound and disturbances that permeate our lives. But, set within the pages of **Floridas Politics And Government** a charming fictional prize brimming with raw feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that charming masterpiece conducts readers on a mental journey, skillfully unraveling the concealed melodies and profound affect resonating within each carefully crafted phrase. Within the depths of this poignant examination, we can investigate the book is central harmonies, analyze its enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
