**Fairies I Have Met and Airy Fairy Lilian** Maud Margaret Key Stawell,Margaret Wolfe Hungerford,2011-01-01 Little Agatha lived in the days when castles were as common in the land as cottages are now and when there were plenty of magicians always ready to help people out of difficulties One of the castles was Agatha s home It stood on a hill and was surrounded by a dark wood Agatha was a lonely little girl she had no sisters or brothers to play with She used to stand at the narrow window in the castle tower and look out into the wood and long to run about with other little girls If you had seen her you would have thought her a very funny figure in her long gown reaching nearly to the ground and a close cap over her curls In the evening Agatha could see very little when she stood at the window but still she stood there and looked at the dark wood It was then that the nightingale the Bird of Shadows sang to her and this was what she liked better than anything else She thought the nightingale s voice was lovely to hear and she wondered why it was so sad Evening after evening the lonely little girl looked out through the tower window listening to the nightingale till she felt that he was her friend Sometimes she spoke to him How much I should like to fly out of the window and be a nightingale too she said Then we would play together in the wood and I should have a voice like yours ever so sweet and ever so sad Sometimes she tried to sing but she found her voice was not in the least like the nightingale s Every day she became more anxious to be a nightingale until at last she thought about it always and yet seemed no nearer to her wish She hoped sometimes that her curls might turn into feathers but after several weeks of wishing she saw that the curls were still made of yellow hair She began to be afraid she would never be anything but a little girl One day she heard some of the maids talking together They were speaking of the Wise Man the Magician who lived in the dark cave on the side of the hill and could do the most wonderful things In fact they said there was hardly anything he couldn t do you had only to tell him what you wanted most and he could manage it for you Perhaps he could turn me into a nightingale thought Agatha I ll go and ask him anyway So while the maids were still talking she slipped out of the castle and through the wood and down the hill till she came to the dark cave Her long frock caught on the brambles as she went and her hands were a good deal scratched and once she tripped and fell But of course she did not mind anything of that kind because she was thinking all the time about the nightingale Agatha walked into the cave without knocking and found the Magician at home I dare say you know that all good Magicians have kind faces and long white beards This one was a good Magician so he had a kind face and a long white beard Agatha was not in the least afraid of him She told him at once why she had come      *Lilian's Year, and the Lessons it Taught Her* Lilian,Author of *The chorister's rest*,1862      The Paying Guests Sarah Waters,2014-09-16 The New York Times bestselling novel that has been called a tour de force Wall Street Journal unputdownable The Washington Post a delicious
