Spirit is for our experience and enjoyment Without the experience of Christ as the life giving Spirit the Lord cannot have His Body If we never have any experience or enjoyment we will never grow There is always a spiritual war related to the growth in life If the enemy cannot stop the sowing of the seed then he will do everything he can with every believer to prevent the seed from growing to maturity However there is a fighting element in this seed The only way to enter into the coming kingdom is to grow into the kingdom Second Peter 1 5 11 reveals that our growth in life to maturity becomes an entrance into the kingdom richly supplied to us The law of the Spirit of life is the subject of Romans 8 God s life is the highest life and the law of this life is the highest law The law of the Spirit of life is not a thing but a person the processed and consummated Triune God embodied in Christ and realized as a living law in our spirit This law of life is the spontaneous power the natural characteristic and the innate automatic function of the divine life While we remain in touch with the Lord staying in contact with Him the law of the Spirit of life works automatically spontaneously and effortlessly to dispense God as life into our being and to overcome the law of sin and of death vv 10 6 11 We activate the law of the Spirit of life by remaining in touch with the Lord We need to cooperate with the indwelling installed automatic and inner operating God by prayer and by having a spirit of dependence thus maintaining our fellowship with the Lord of life and the Lord of work Romans 8 reveals that the processed Triune God as the law of the Spirit of life gives the divine life to the believers for their living There are four laws in Romans 7 and 8 One law is outside of us and the other three correspond to the three lives that are within us as regenerated persons Outside of us is the law of God the law of moral commandments which is a portrait of God Within us is the law of sin and of death in our flesh the law of good in our soul and the law of the Spirit of life in our spirit The only way we can match and become the living portrait of God is by living according to the law of the Spirit of life in our spirit God s desire and goal are that we live by the divine life and minister life to others for the building up of the church The all inclusive indwelling Spirit is constantly transmitting this life into each one of us to build up the church edify the saints and minister the riches of Christ to everyone who contacts us In Romans 8 we also see that the desire of God s heart is to have many sons for His corporate expression v 29 The Father sent His Son who was born under the law and born through a woman to redeem us out from under the law Having redeemed us He sent forth the Spirit of His Son into our hearts crying Abba Father Gal 4 6 Now our spirit has become a spirit of sonship As the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn Son of God We are to be conformed to the image of God s firstborn Son Christ as the first God man that we may be a group of God men who are exactly like Him Paul s Epistle to the Romans reveals God s complete salvation in two aspects God s judicial redemption is the procedure of God s complete salvation for the believers to participate in God s organic salvation as the purpose of the complete salvation of God Redemption entails the forgiveness of all our sins reconciliation positional sanctification and justification God s organic salvation is the organic aspect of God s complete salvation through the life of God Rom 1 17b Acts 11 18 Rom 5 10b 17b 18b 21b as the purpose of God s salvation

accomplishing all that God wants to achieve in the believers in His economy through His divine life Gen 2 9 Rev 22 14 Organic salvation entails regeneration with God s life sanctification with God s holy nature renewing with God s element transformation with God s being conformation into God s image and glorification which is our full sonship Glorification sonizes our whole being from spirit to soul to body All the items of God s organic salvation are carried out by Christ as the life giving Spirit in His heavenly ministry organically and subjectively Being saved in His life is actually the process of resurrection with the resurrection life of Christ as the element increasingly taking place in our inner being so that we are sanctified which is to be saturated with God s holy nature It is in resurrection that we are renewed we walk in newness of life and we serve in newness of spirit Rom 6 4 7 6 The experience of God s organic salvation equals reigning in Christ s life The issue of our reigning in life living under the ruling of the divine life is the real and practical Body life expressed in the church life 12 1 4 9 12 15 18 The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

*The Flesh and the Word* Floyd C. Watkins, 1971      **The Heavenly Arcana which are Contained in the Holy Scriptures or Word of the Lord Unfolded, Beginning with the Book of Genesis** Emanuel Swedenborg, 2024-08-25 Reprint of the original first published in 1840      The Word, 1912      **Witness to the Word** Karl Barth, 2003-06-03 Karl Barth s lectures on the first chapter of the Gospel of John delivered at Muenster in 1925 26 and at Bonn in 1933 came at an important time in his life when he was turning his attention more fully to dogmatics Theological interpretation was thus his primary concern especially the relation between revelation and the witness to revelation which helped to shape his formulation of the role of the written and spoken word vis a vis the incarnate Word The text is divided into three sections John 1 1 18 19 34 35 51 with the largest share of the book devoted to the first section Each section begins with Barth s own translation followed by verse by verse and phrase by phrase commentary on the Greek text Although Barth s interpretation is decidedly theological he does take up questions of philology and textual criticism more thoroughly than in his other works Much has happened in Johannine scholarship since these lectures were first delivered yet they remain valuable today 100 years after Barth s birth both for their insights into the gospel and into Karl Barth      Life and Building in the Gospel of John Witness Lee, 2024-03-25 The Gospel of John occupies a special place in the Bible because it focuses on life Its writer the apostle John had a specific burden related to life and building and his ministry was fully focused on these two matters His Gospel reveals that God is manifested as the Word and becomes the Spirit to enter into us in order to be our life but this marvelous fact is not the goal it is a procedure to achieve an ultimate goal The Gospel of John says that the Word who is God became flesh and tabernacled among us Life is the procedure and the tabernacle is the goal God came to be our life so that He might tabernacle in us and among us that we might receive Him as life for the building up of the house of God      **From Nicaea to Chalcedon** Frances M. Young, 2013-01-26 Created as a companion guide to a Patristics textbook From Nicaea to Chalcedon surveys a variety of

writings to have occurred during one of the most significant periods in the formation of the Church from 265-466. It does not aim to cover the subject as a textbook would but aims to delve deeper into some of the characters who were involved with the Church or the Councils during this period. Beginning with Eusebius of Caesarea and the first council of the Church at Nicaea and ending with Theodoret of Cyrrhus who is thought to have changed his view of Christology after the watershed Council of Chalcedon, this unique text surveys some of the most influential characters to have shaped Church history and the formation of doctrine. Surveying a mixture of significant literary figures, laymen, bishops, and heretics, this book presents biographical, literary, critical, and theological information about each. They are chosen either because they are important to the history of doctrine or because new material about them has thrown light upon their work or because they will broaden the reader's understanding of the culture and history of the period or of live issues in the church at the time. Structured in five parts, each part deals with a period of time and a sequence of characters so the book is easily followed in chronological order. Added to this is the double bibliography which in this edition is fully updated. Bibliography A details those texts in English of the original texts of antiquity whilst Bibliography B provides details of publications in English, French, and German which have appeared since 1960-2004 on or about the characters discussed in the body of the text.
