**The Story of Your Life** James Lambie,2010 The intriguing story and turbulent history of a paper Charles Dickens praised for its range of information and profundity of knowledge and which Queen Elizabeth the Queen Mother simply endorsed with the remark Of course I read The Sporting Life It was the Queen Mother s love of horseracing that made her such an avid reader of the Life and coverage of that sport forms the core of this book but there is so much more to fascinate the reader including eyewitness accounts of the first fight for the heavyweight championship of the world and Captain Webb s heroic Channel swim of 1875 Highlights in the history of cricket football and rugby are also featured while chapters on coursing and greyhound racing rank alongside surreal reports on ratting contests and songbird singing competitions And for 30 years Tommy Wisdom made his motoring reports unique by competing against the best at Brooklands Le Mans and in many Monte Carlo rallies while Henry Longhurst s golfing column was simply the best The paper s strident campaigns for racing reforms are also chronicled along with its coverage of major news stories from Fred Archer s shocking suicide to its own untimely demise Its travails in the law courts are documented from its first year when it was forced to change its title to its last when it had to pay libel damages to the training team of Lynda and Jack Ramsden and their jockey Kieren Fallon A

Shannon, 1987-03-01 In the mystical tradition the dark or apophatic way has a long history It is the way of John of the Cross of Master Eckhart of Juliana of Norwich of the anonymous author of *The Cloud of Unknowing* and of Thomas Merton This dark path of contemplation that Merton followed wrote about extensively and considered the focal point of his life is the subject of William H Shannon's book *The Unitarian Jabez* Thomas Sunderland, Brooke Herford, Frederick B. *Avicenna and I* Manoucher Parvin, 2006 *Avicenna and I* is a love saga spanning here and the hereafter it is a journey of spirits toward immortality Together two lovers explore the city of Hamadan in north west of Iran one of the oldest residences of civilisation where the tomb of one of history's most remarkable thinkers Avicenna lies To ascend from what they are to what they dream to be the lovers seek and find the spirit of Avicenna From him the prince of medicine and the leading wise man they learn how to heal the body the mind the spirit and even love and how to tend to a wounded nature They discover the path to immortality *Avicenna and I* strips history naked of its pretensions and shatters the myth of the East as a place of unreason deserving to be subjugated by the West and establishes that the Italian Renaissance was merely a continuation of the Persian Renaissance which occurred in the Golden Era of Avicenna In this unforgettable novel the future and the past recreate one another and set the present afire with passion for immortal wisdom and immortal love and truth The reader is invited to view the mind and the universe intuition and reason science and faith and life and death with a profoundly new understanding The trials and tribulations of the characters even history on their transcendental journey are recounted with a pen searching for the beginning and the end of everything for the answers God never created So humans must invent the answers as we have invented many things God did not create This novel is a chapter in the book of answers **The Living**
