Beelzebub's Tales to His Grandson is the first volume of the All and Everything trilogy written by the mystic G I Gurdjieff. The All and Everything trilogy also includes Meetings with Remarkable Men and Life Is Real Only Then When I Am. This book was intended to be the main study tool for Gurdjieff's Fourth Way teachings. As Gurdjieff's idea of work is central to those teachings, Gurdjieff went to great lengths in order to increase the effort needed to read and understand it. The book covers many topics. Beelzebub's Tales is included in Martin Seymour Smith's 100 Most Influential Books Ever Written with the comment that it is the most convincing fusion of Eastern and Western thought that has yet been seen.

For thousands of years the passion between Alexander Archangel of Persia and Zanaya Queen of the Nile burned furious and bright seemingly without end. But to be an archangel is to be bound to power violent and demanding. It is only Zanaya's decision to Sleep that ends their love story. Eons later the Cascade of Death awakens them both. The passion between them a flame that yet burns Alexander and Zanaya stand together in one last battle against the ultimate darkness. But even a warrior archangel cannot win every war. Alexander's scream shatters the world as Zanaya falls broken and silent only to rise again in a miracle that may be a devastating curse. For is it truly the Queen of the Nile who has been resurrected? Only one thing is clear. This is the last beat of their passionate angry dance. The final song for Alexander and his Zani.

World's End Charlie Gere, 2022-03-29 A memoir and cultural history. The World's End a West London area once home to bohemian artists and punk rock and now an outpost of neoliberalism. Charlie Gere's account of growing up in the World's End area of West London during the Cold War combines local history cultural history memoir and a strong sense of the apocalyptic. Once a rundown part of Chelsea at the wrong end of the King's Road the World's End has long been a place for bohemian writers and artists including Turner Whistler Beckett Bacon and Bacon's muse Henrietta Moraes all of whom evinced an appropriate apocalyptic sensibility. After World War II in which the area suffered severe bombing it became a center of the counterculture that emerged from what Jeff Nuttall called Bomb Culture formed by the threat of nuclear annihilation. The famous boutique Granny Takes a Trip opened there in 1966 joined later on by Hung On You Puss Weber's Flying Dragon Tea Room and the commune Gandalf's Garden. The area also featured trepanning aristocrats and pet lions among other eccentricities. In the 1970s the World's End was the center of punk rock. Gere's parents arrived as part of a wave of gentrification and Gere born and brought up there witnessed its social and cultural evolution. As an adolescent he was traumatized by the prospect of nuclear war. He has lived long enough to see the World's End now bearing the marks of out of control neoliberalism and its grotesque accompanying inequality. But this too shall pass as worlds end.
