Flirtin With Jesus:

Flirtin' with Jesus Robert Paul Blumenstein, 2001-03-01 Flirtin with Jesus is the first book of The Ascension Trilogy Conrad LaGrone a middle aged divorc is one step from homelessness Plagued from a life of bad choices he meets the dynamic and loving Bonnie Adair who holds out a ray of hope to him that he might set his life on the right path However Detective Dietzel a dirty cop Barry Brantley a sinister crime boss and the Reverend Isaiah Bubba Brizelle a dubious evangelical preacher have designs to derail Conrad from obtaining his new lease on life The story is peppered with sex and violence as well as sacred institutions fraught with corruption which the reader may find unsettling though equally amusing The reader is riveted to the character of Conrad LaGrone at times commiserating with his failings and at other times cheering him on to success *Appalachia Inside Out: Conflict and change* Robert J. Higgs, Ambrose N. Manning, Jim Wayne Miller, 1995 An anthology of Appalachia writings **Dimestore** Lee Smith, 2017-04-04 A memoir that shines with a bright spirit a generous heart and an entertaining knack for celebrating absurdity The New York Times Book Review This is Smith at her finest Library Journal starred review Set deep in the mountains of Virginia the Grundy of Lee Smith s youth was a place of coal miners tent revivals mountain music drive in theaters and her daddy s dimestore When she was sent off to college to gain some culture she understood that perhaps the richest culture she would ever know was the one she was leaving Lee Smith s fiction has always lived and breathed with the rhythms and people of the Appalachian South But never before has she written her own story Dimestore s fifteen essays are crushingly honest wise and perceptive and superbly entertaining Together they create an inspiring story of the birth of a writer and a poignant look at a way of life that has all but vanished Flirt Club Cathleen Daly, 2011-01-04 Told entirely through notes passed in school diary entries and the occasional e mail Cathleen Daly s Flirt Club is a hilarious and touching tween novel about love and lust with a heart a brain and a whole lot more When two self professed middle school drama geeks Isabelle and Annie a k a Cisco and The Bean fail at their attempts in romance they start Flirt Club an after school support group for similarly afflicted friends who decide to take decisive and strategic action with hilarious and touching results **The Oxford Handbook of the Reception History of the Bible** Michael Lieb, Emma Mason, Jonathan Roberts, 2013-01-10 In recent decades reception history has become an increasingly important and controversial topic of discussion in biblical studies Rather than attempting to recover the original meaning of biblical texts reception history focuses on exploring the history of interpretation In doing so it locates the dominant historical critical scholarly paradigm within the history of interpretation rather than over and above it At the same time the breadth of material and hermeneutical issues that reception history engages with questions any narrow understanding of the history of the Bible and its effects on faith communities The challenge that reception history faces is to explore tradition without either reducing its meaning to what faith communities think is important or merely offering anthologies of interesting historical interpretations This major new handbook addresses these matters by presenting

reception history as an enterprise not a method that questions and understands tradition afresh The Oxford Handbook of the Reception History of the Bible consciously allows for the interplay of the traditional and the new through a two part structure Part I comprises a set of essays surveying the outline form and content of twelve key biblical books that have been influential in the history of interpretation Part II offers a series of in depth case studies of the interpretation of particular key biblical passages or books with due regard for the specificity of their social cultural or aesthetic context These case studies span two millennia of interpretation by readers with widely differing perspectives Some are at the level of a group response from Gnostic readings of Genesis to Post Holocaust Jewish interpretations of Job others examine individual approaches to texts such as Augustine and Pelagius on Romans or Gandhi on the Sermon on the Mount Several chapters examine historical moments such as the 1860 debate over Genesis and evolution while others look to wider themes such as non violence or millenarianism Further chapters study in detail the works of popular figures who have used the Bible to provide inspiration for their creativity from Dante and Handel to Bob Dylan and Dan Brown
