## **Flirts Tragedy Desire Without End In Victorian And Edwardian Fiction:**

Flirt's Tragedy: Desire Without End in Victorian & Edwardian Fiction , *The Flirt's Tragedy* , **The Flirt's Tragedy** Richard A. Kaye, 2002 Examining British French and American novels Kaye English Hunter College of the City U of New York argues that flirtatious eros in late 18th and early 19th century texts is a largely unexplored distinct realm of experience Flirtation in these novels suggests that the aim of desire is not the realization of desire by rather deferral itself Flirting represented a reckless adventurism that violates middle class aspirations and interests The lack of a thorough examination by critical theorists of this vital part of Victorian and Edwardian literature is blamed on a dominating methodology in the field based on the ideas of Michel Foucault Annotation copyrighted by Book News Inc Portland OR **The Ashgate Research Companion to Thomas Hardy** Dr Rosemarie Morgan, 2013-04-28 Bringing together eminent Hardy scholars The Ashgate Research Companion to Thomas Hardy offers an overview of Hardy scholarship and suggests new directions in Hardy studies While several collections have surveyed the Hardy landscape no previous volume has been composed specifically for scholars and advanced graduate students This companion is specially designed to aid original research on Hardy and serve as the critical basis for Hardy studies in the new millennium *Palgrave Advances in Oscar Wilde Studies* Frederick S. Roden, 2004-09-30 Palgrave Advances in Oscar Wilde Studies is a comprehensive guide to recent critical approaches Topics covered include Gay Studies Feminist Criticism Material Culture Religion Philosophy Performance Studies Aestheticism Biography Textual Studies and Postcolonial Theory The book is designed to acquaint readers of all levels with the history of scholarship in a range of fields and suggest ways that Wilde's work offer new areas for research The collection also provides a Chronology and detailed bibliography Victorian Fashion Accessories Ariel Beaujot, 2013-08-15 In Victorian England women's accessories were always much more than incidental finishing touches to their elaborate dress Accessories helped women to fashion their identities Victorian Fashion Accessories explores how women's use of gloves parasols fans and vanity sets revealed their class gender and colonial aspirations The colour and fit of a pair of gloves could help a middle class woman indicate her class aspirations The sun filtering through a rose colored parasol would provide a woman of a certain age with the glow of youth The use of a fan was a socially acceptable means of attracting interest and flirting Even the choice of vanity set on a woman's bedroom dresser reflected her complicity with colonial expansion By paying attention to the particular details of women's accessories we discover the beliefs embedded in these artefacts and enhance our understanding of the culture at large Beaujot's engaging prose illuminates the complex identities of the women who used accessories in the Victorian culture that created and consumed them Victorian Fashion Accessories is essential reading for students and scholars of history gender studies cultural studies material culture and fashion studies as well as anyone interested in the history of dress Ambiguous Aggression in German Realism and Beyond Barbara N. Nagel, 2019-10-17 Our main words defining emotional states suggest that we have clarity about them expressions like love hatred anxiety or

sorrow seem clear enough The reality however tends to be more complicated We are often faced with gestures and utterances that are difficult to interpret we thus find ourselves wondering about the affective force of what has just been said Was that an insult Flirtation Aggression Ambiguous Aggression in German Realism and Beyond looks at three interlocking forms of social violence flirtation passive aggression and domestic violence In order to understand their circulation it traces their literary historical genealogy in German realism and modernism in scenes from Annette von Droste Hülshoff Adalbert Stifter Theodor Storm Theodor Fontane Robert Walser and Franz Kafka covering a historical period from the middle of the 19th century to the early decades of the 20th century Reading realist and modernist literature through 21st century affect theory and vice versa the analyses collected in this book show the deep literary history of our current cultural predicaments and predilections

**Postal Pleasures** Kate Thomas, 2012 In 1889 uniformed post boys were discovered moonlighting in a West End brothel frequented by men of the upper classes The Cleveland Street Scandal erupted and Victorian Britain faced the possibility that the Post Office a bureaucratic backbone of nation and empire was inspiring and servicing subversive sexual behavior However the unlikely alliance between sex and the postal service was not exactly the news the sensational press made it out to be Postal Pleasures explores the relationship between illicit sex and the Royal Mail from reforms initiated in 1840 up to the imperial end of the nineteenth century With a combination of historical details and literary analyses Kate Thomas illustrates how the postal network its uniformed employees and its material trappings envelopes postmarks stamps were used to signal and circulate sexual intrigue For many the idea of an envelope promiscuously jostling its neighbors in a post boy's bag or the notion that secrets passed through the eyes and fingers of telegraph girls was more stimulating than the actual contents of correspondence Writers like Anthony Trollope Eliza Lynn Lynton Henry James Oscar Wilde Arthur Conan Doyle and others invoked the postal system as both an instrument and a metaphor for sexual relations that crossed and double crossed lines of class marriage and heterosexuality Postal Pleasures adds a new dimension to studies of the era as it uncovers the unlikely linkage between the Victorian Post Office and the queer networks it inspired

**Risk and the English Novel** Julia Hoydis, 2019-09-23 Taking the cue from the currency of risk in popular and interdisciplinary academic discourse this book explores the development of the English novel in relation to the emergence and institutionalization of risk from its origins in probability theory in the late seventeenth century to the global risk society in the twenty first century Focussing on 29 novels from Defoe to McEwan this book argues for the contemporaneity of the rise of risk and the novel and suggests that there is much to gain from reading the risk society from a diachronic literary cultural perspective Tracing changes and continuities the fictional case studies reveal the human preoccupation with safety and control of the future They show the struggle with uncertainties and the construction of individual or collective logics of risk which oscillate between rational calculation and emotion helplessness and denial and an enabling or destructive sense of adventure and danger Advancing the study of risk in fiction beyond the confinement to dystopian disaster narratives this

book shows how topical notions such as chance and probability uncertainty and responsibility fears of decline and transgression all cluster around risk

**The Cambridge History of the English Novel** Robert L. Caserio, Clement Hawes, 2012-01-12 The Cambridge History of the English Novel chronicles an ever changing and developing body of fiction across three centuries An interwoven narrative of the novel's progress unfolds in more than fifty chapters charting continuities and innovations of structure tracing lines of influence in terms of themes and techniques and showing how greater and lesser authors shape the genre Pushing beyond the usual period centered boundaries the History's emphasis on form reveals the range and depth the novel has achieved in English This book will be indispensable for research libraries and scholars but is accessibly written for students Authoritative bold and clear the History raises multiple useful questions for future visions of the invention and re-invention of the novel

**Celibacies** Benjamin Kahan, 2013-11-25 Arguing that celibacy is a distinct sexuality with its own practices and pleasures Benjamin Kahan shows it to be much more than the renunciation of sex or a cover for homosexuality

**The Comfort of Strangers** Gage McWeeny, 2016-02-01 The Comfort of Strangers argues for a new understanding of the relation between literary form and the socially dense environments of modernity In a period of vast population increase in Britain literary form imagined and licensed new ways of being with and getting away from other people

**After Intimacy** Karl Leydecker, Nicholas White, 2007 Divorce is a conspicuous character trait of modernity commonly portrayed in texts and on screen with its moral and social rationalisation firmly rooted in Enlightenment and Romantic thought The aim of this volume is to bring into focus this contemporary cultural fascination by assembling the variety of academic responses it has started to create Bringing together the reflections of scholars from the UK and North America who have worked in this domain this study offers for the first time a genuinely wide ranging account of the depiction of divorce across the northern hemisphere in a number of media fiction journalism film and television It reaches historically from the intellectual and legal aftermath of the Enlightenment right up to the present day As such the collection shows both the roots of this apparently contemporary phenomenon in nineteenth century literary practice and the very particular ways in which divorce characterises the different narrative media of modernity

**The Bigamy Plot** Maia McAleavey, 2015-05-18 The courtship plot dominates accounts of the Victorian novel but this innovative study turns instead to a narrative phenomenon that upends its familiar conventions the bigamy plot In hundreds of novels plays and poems published in Victorian Great Britain husbands or wives thought dead suddenly reappear to their newly remarried spouses In the sensation fiction of Braddon and Collins these bigamous revelations lead to bribery arson and murder but the same plot operates in the canonical fiction of Charlotte Brontë Dickens Eliot Thackeray and Hardy These authors employ bigamy plots to destabilize the apparently conventional form and values of the Victorian novel By close examination of this plot including an index of nearly 300 bigamy novels Maia McAleavey makes the case for a historical approach to narrative one that is grounded in the legal and social changes of the period but that runs counter to our own formal and cultural expectations

Flirtations Barbara Natalie Nagel, Lauren Shizuko Stone, 2015-05-01 What is flirtation and how does it differ from seduction In historical terms the particular question of flirtation has tended to be obscured by that of seduction which has understandably been a major preoccupation for twentieth century thought and critical theory Both the discourse and the critique of seduction are unified by their shared obsession with a very determinate end power In contrast flirtation is the game in which no one seems to gain the upper hand and no one seems to surrender The counter concept of flirtation has thus stood quietly to the side never quite achieving the same prominence as that of seduction It is this elusive and largely ignored territory of playing for play's sake that is the subject of this anthology The essays in this volume address the undertheorized terrain of flirtation not as a subgenre of seduction but rather as a phenomenon in its own right Drawing on the interdisciplinary history of scholarship on flirtation even as it reapproaches the question from a distinctly aesthetic and literary theoretical point of view the contributors to *Flirtations* thus give an account of the practice of flirtation and of the figure of the flirt taking up the act's relationship to issues of mimesis poetic ambiguity and aesthetic pleasure The art of this poetic playfulness often read or misread as flirtation's empty gesture becomes suddenly legible as the wielding of a particular and subtle form of nonteleological power

**Mimicry and Display in Victorian Literary Culture** Will

Abberley, 2020-06-11 The book reveals how Victorians biologized appearance reimagining imitation concealment and self presentation as evolutionary adaptations

**Family Likeness**

Mary Jean Corbett, 2011-03-15 In nineteenth century England marriage between first cousins was both legally permitted and perfectly acceptable After mid century laws did not explicitly penalize sexual relationships between parents and children between siblings or between grandparents and grandchildren But for a widower to marry his deceased wife's sister was illegal on the grounds that it constituted incest That these laws and the mores they reflect strike us today as wrongheaded indicates how much ideas about kinship marriage and incest have changed In *Family Likeness* Mary Jean Corbett shows how the domestic fiction of novelists including Jane Austen Charlotte Brontë George Eliot Elizabeth Gaskell and Virginia Woolf reflected the shifting boundaries of family and even helped refine those borders Corbett takes up historically contingent and culturally variable notions of who is and is not a relative and whom one can and cannot marry Her argument is informed by legal and political debates texts in sociology and anthropology and discussions on the biology of heredity breeding and eugenics In Corbett's view marriage within families between cousins in laws or adoptees offered Victorian women both real and fictional an attractive alternative to romance with a stranger not least because it allowed them to maintain and strengthen relations with other women within the family

**Love and Death in Edith Wharton's Fiction** Tricia M. Farwell, 2006 Original Scholarly Monograph

*Reading Edith Wharton Through a Darwinian Lens* Judith P. Saunders, 2014-01-10 Beneath the polished surface of the genteel environments delineated in Wharton's fiction characters are competing fiercely for desirable mates questing for social status and resources and plotting ruthlessly to advance their relatives' fortunes in life This book identifies these and other evolutionary issues central to her

fiction demonstrating their significance in terms of character setting plot and theme Connections to existing Wharton criticism are made throughout the book so that readers can see how an evolutionary perspective enriches refutes or reconfigures insights derived from other critical approaches

**The Bloomsbury Handbook to D. H. Lawrence** Annalise Grice, 2024-01-25 Showcasing the most exciting contemporary scholarship on D H Lawrence this comprehensive collection serves as both an overview of the field at present as well as an examination of new approaches and directions in D H Lawrence studies Explicitly interdisciplinary in its focus and covering fields such as bibliotherapy sustainability and animal studies this book Provides new insights into Lawrence as a transnational figure whose work responds to global cultures Considers Lawrence in light of broader developments within modernist studies Examines Lawrence s work in relation to material cultures and his engagements with print publishing and literary networks Contributors are comprised of established international experts in D H Lawrence studies as well as newer voices This collection provides a comprehensive resource for literature students at all levels from undergraduates and postgraduates to scholars and advanced readers interested in developing their knowledge of D H Lawrence

The Top Books of the Year Flirts Tragedy Desire Without End In Victorian And Edwardian Fiction The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. Flirts Tragedy Desire Without End In Victorian And Edwardian Fiction : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Flirts Tragedy Desire Without End In Victorian And Edwardian Fiction : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
