## Florida Outhouses:

**Florida Outhouses** Kevin M. McCarthy, 2007 The advent of indoor plumbing spelled the end of outhouses in Florida and through the decades these unique structures have become more and more rare Now grandparents have to explain to their puzzled grandchildren how the odd shaped outbuildings with the crescent moon carved in the door used to stand in backyards across the country Featuring a collection of photographs that highlight outhouses across the state of Florida this book preserves the memory of these disappearing structures Also included are the amusing answers to common outhouse questions including Why were crescent moons carved into outhouse doors What determined the size and shape of an outhouse Should outhouse doors open inward or outward What was used in outhouses in the years before toilet paper Part photographic journey part trivia this delightful look at Florida's outhouses will make readers truly privy to a beloved structure that's quickly vanishing from the landscape

**Florida Outhouses** Kevin M. McCarthy, 2002-10 *Homestead Survival* Marty Raney, 2022-09-13 A practical guide to self sufficient and sustainable living from the star of Homestead Rescue Do you wish for a more resilient sustainable and empowered way of providing for your family in uncertain times Are you worried about unreliable power grids uncertain water supplies or overly complex food chains Veteran homesteader and star of Discovery's Homestead Rescue Marty Raney shares a big picture vision of how ordinary families can become radically resilient homesteaders powering feeding and caring for themselves through their own efforts and on their own land This book will guide you to buy land with the natural resources to build and feed a homestead go off grid with your own power and water systems design a greenhouse that will keep growing even when it's snowing confidently defend your home against all threats grizzlies forest fires flash floods and financial challenges Resources are only going to get more scarce Raney will teach you to find food where others see dirt and to build a home where others see empty land He will inspire you to forge your own homestead dream and strengthen your family for all challenges to come
