Florida School Laws 2003 Edition:

Education Reform in Florida Kathryn M. Borman, Sherman Dorn, 2012-02-01 In *Education Reform in Florida* sociologists and historians evaluate Governor Jeb Bush's nation leading school reform policies since 1999. They examine the startlingly broad range of education policy changes enacted in Florida during Bush's first term including moves toward privatization with a voucher system, more government control of public education institutions with centralized accountability mechanisms and a superboard for all public education. The contributors arrive at a mixed conclusion regarding Bush's first term education policies while he deserves credit for holding students to higher standards, his policies have unfortunately pushed for equality in a very narrow way. The contributors remain skeptical about seeing significant and sweeping improvement in how well Florida schools work for all students.

DIRECTORY OF CORPORATE COUNSEL, 2023 **The Educational Morass** Myron Lieberman, 2007 The equal opportunity grand daddy longlegs of all curmudgeons Myron Lieberman manages in one volume to savage teachers unions, education schools, the Education Writers Association, the New York Times, the Washington Post, education research, egalitarian school choice proponents and conservatives. Diane Ravitch, Terry Moe, Frederick Hess and Chester E. Finn Jr. A style thought to be reserved for left wing agitators and trade union SWAT teams surfaces from the opposite end of the political spectrum.
