Flower Remedies To The Rescue:

Bach Flower Remedies to the Rescue Gregory Vlamis,1990 **Flower Remedies to the Rescue** Gregory Vlamis,1990-01-01
Flowers to the Rescue Gregory Vlamis,1986 Rescue Remedy Gregory Vlamis,1994-01-01

Bach Flower Remedies Julian Barnard,2004 Today disease and death control us ever more strongly with a litany of viruses cancers and heart disorders The causes may be vaccinations environmental poisons despoliation of food or pollution of the elements earth water and air For Bach the cause was clear and it is clear today It is only because we have forsaken Nature s way for man s way that we have suffered and we have only to return to be released from our trials In the presence of the way of Nature disease has no power all fear all depression all hopelessness can be set aside There is no disease of itself which is incurable Julian Barnard In the 1920s the physician and homeopath Dr Edward Bach made his great discovery of the healing effects of various flower essences Intense and revelatory his experiences in nature resulted in thirty eight flower remedies He describes these as bringing courage to the fearful peace to the anguished and strength to the weak But the therapeutic effects of the remedies were never limited to emotional states They are equally effective in the treatment of physical disorders Barnard begins the process of explaining this phenomenon He describes how Bach made his discoveries and examines the living qualities of the plants in their context and how the remedies are actually produced The result is remarkable The author recounts his observations so that readers can experience in a living way the complex ways in which the remedy plants grow their gestures and qualities ecology botany and behavior This exciting book is a trumpet call to attend to nature in a new way Fully illustrated *Bach Flower Remedies for All* D. S. Vohra,2004-06 **Bach Flower Remedies for Animals** Gregory Vlamis,Helen Graham,2012-06-01 Animals Mind Body Spirit Millions of family pets often otherwise physically fit and healthy are put to death every year to give human companions peace and rest from their incontinence unruliness excessive noisiness aggression possessiveness destructiveness or other inconvenience A behavior problem often becomes a terminal disease Indeed euthanasia for behavior problems is the main cause of death in young animals and many people regard it as a treatment The high cost of veterinary attention also results in many animals being discarded or neglected by their owners The consequent price of animal suffering and cost of human regrets and need for welfare services are incalculable They are also avoidable Correcting the behavior problem often saves an animal s life as effectively as surgery or other medical procedures and greatly reduces the suffering of all concerned It does not require expensive behavior therapy or extensive behavior modification on the part of the owner It can be brought about in many cases quite simply and inexpensively through the use of flower essences This book offers descriptions of each of the 38 Bach Flower Remedies and their application to the treatment of a range of domestic animals including horses and farm wild and zoo animals It also describes diagnostic symptoms animal by animal together with appropriate treatment regimens illustrated with case material obtained from veterinarians animal behavior specialists and health practitioners Other important and

helpful areas discussed are emotions in animals and their influence on behavior the emotional bond between animals and humans the pros and cons of thinking of animals in human terms the principles of flower remedies and their suitability for use in the treatment of animals Helen Graham was a Lecturer at Keele University England and is the author of several books on psychology and complementary medicine She breeds Salukis and lives in rural France with her husband Gregory Vlamis is a researcher and author of bestseller *Bach Flower Remedies to the Rescue* He has been researching the life and work of Dr Edward Bach since the early 1970s and divides his time between the USA and Greece

Beginner's Guide to Bach Flower Remedies Krishnamurthy, 2004-03 In This Book The Author Presents A New Subject Of Study Bach Flower Remedies An Allied Subject Of Homoeopathy Various Types Of Remedies With Actual Cases Treated By The Author Himself Together With The Negative And Positive Aspects Of Various Types
